FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2004 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2004 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

(4) If the county judge/executive at any time has sufficient evidence before him to enable him to ascertain what would be a just compensation to the proprietors and tenants, and if the proprietors and tenants are willing to accept what the county judge/executive deems just, the county judge/executive, upon such acceptance being reduced to writing and signed by the proprietors and tenants, may determine to undertake the work, subject to the consent and approval of the fiscal court.

Section 6. KRS 178.100 is amended to read as follows:

The cabinet shall report its actual expenses and the allocation of expenses among school districts to the Kentucky Board of Education on a quarterly basis.

(3) As soon as practicable after each return is received, the cabinet may examine and audit it. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet on behalf of the school district within two (2) years from the date prescribed by law for the filing of the return including any extensions granted, except as provided in this section. A notice of the assessment shall be mailed to the taxpayer.

(b) Determine whether the erroneous allocation was used on prior returns and if it was, make a proposed administrative adjustment going back a maximum of one (1) year from the date the erroneous allocation was

discovered; and

(c) Retain taxes collected and still on hand for distribution to the impacted districts that are related to the erroneous allocation until the proposed administrative adjustment becomes final.

(2) Within ten (10) days of the discovery of the erroneous allocation, the cabinet shall notify the taxpayer and the impacted school districts in writing of the allocation discrepancy, including the dollar amount at issue, the proposed administrative adjustment to be made, and the process for agreeing to or filing an exception to the proposed administrative adjustment.

(3) The proposed administrative adjustment shall become final upon the earlier of the receipt by the cabinet of written acceptance of the administrative adjustment by all impacted school districts or the expiration of forty-five (45) days from the date of the notice with no exception having been filed.

Other impacted school districts and the impacted utility services provider may also attend any conference. Additional conferences may be held upon mutual agreement.

(c) After considering the exceptions filed by the impacted school district, including any information provided during any conferences, a final administrative ruling shall be issued by the cabinet. The final administrative ruling shall be mailed to all impacted school districts as well as the impacted utility services provider.

(d) The impacted school district filing the exception may request in writing a final ruling at any time after filing exceptions and a supporting statement, and the cabinet shall issue the ruling within thirty (30) days after the request is received by the cabinet.

(e) After a final ruling has been issued, the school district may appeal to the Franklin Circuit Court or to the Circuit Court of the county in which the school district is located.

(5) The method and timing of the implementation of a final administrative ruling that requires a reallocation of previously distributed tax receipts shall be determined by agreement of the impacted school districts, provided that any agreement allowing for adjustments to be made over time in the future shall not extend beyond four (4) years.

(a) The cabinet shall, upon request of the impacted school districts, assist in the development of an agreement.

(b) An agreement that requires distribution changes that vary from the district boundary information shall be provided to the cabinet so that distributions can be made in accordance with the agreement.

(c) If the impacted school districts fail to reach an agreement regarding the reallocation of previously distributed tax receipts, the cabinet shall adjust distributions going forward for four (4) years so that at the expiration of four (4) years, the district that should have received the original distribution has recouped all of the funds distributed erroneously, and the district that erroneously received the funds has repaid all of the funds distributed erroneously.

SECTION 8. A NEW SECTION OF KRS 160.613 TO 160.617 IS CREATED TO READ AS FOLLOWS:

HB 577, AN ACT relating to coalbed methane development and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 349 IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly hereby declares:

(a) The venting of coalbed methane and degasification of coal seams is approved by the Commonwealth for the purpose of ensuring the safe recovery of coal;

(b) The positive economic impact of coal mining to the Commonwealth is currently greater than that of coalbed methane production;

(c) Coalbed methane is not found in conventional gas reservoirs;

(d) Any development of coalbed methane should be undertaken in a way to protect and preserve the environment and protect and preserve the coal for future safe mining and the maximum recovery of coal;

(e) Commercial recovery and marketing of coalbed methane should be facilitated whenever appropriate to meet the energy needs of both the Commonwealth and the United States;

(f) The extraction of methane from mineable coal enhances mine safety, promotes environmental goals and objectives, and conserves an important energy resource; and

(g) The Energy Policy Act of 1992 was enacted, in part, to encourage coalbed methane development and the Commonwealth should enact legislation to carry out the purpose of that Act.

(2) Therefore, in order to encourage and ensure the fullest practical safe recovery of both coal and coalbed methane, consistent with the above declarations and findings, this chapter is established to:

(a) Authorize coalbed methane well permits;

(b) Regulate the design of coalbed methane wells and recovery techniques;

(c) Authorize coalbed methane well drilling units and pooling interests therein;

(d) Establish field rules; and

(e) Provide a process to enable coalbed methane well operators and coalbed methane owners to proceed with the orderly development and production of coalbed methane pending the judicial resolution of issues relating to coalbed methane ownership.

(3) Notwithstanding subsections (1) and (2) of this section, the General Assembly expressly finds that establishing an orderly process to permit and produce coalbed methane shall in no way be construed to create an inference or presumption as to the ownership of coalbed methane in any judicial or administrative proceeding, or be construed to or be used or interpreted to apply to any well otherwise permitted, approved, or regulated under KRS Chapter 353, except for any wells that are to be permitted, converted to, or operated as coalbed methane wells.

(4) It is hereby declared to be the public policy of this Commonwealth and in the public interest to:

(a) Safeguard, preserve, and protect coal seams for safe mining; facilitate the expeditious, safe evacuation of coalbed methane from the coalbeds of this state; and maintain the ability and right of coal operators at all times to vent coalbed methane from mine areas for the safe recovery of coal;

(b) Foster, encourage, and promote the commercial development of the Commonwealth's coalbed methane by establishing procedures for issuing permits and forming drilling units for coalbed methane wells without adversely affecting the safety of mining or the mineability of coal seams;

(c) Safeguard, protect, and enforce the correlative rights of coalbed methane operators and coalbed methane owners in a pool of coalbed methane so that each operator and owner may obtain his or her just and equitable share of production from coalbed methane;

(d) Create a state permitting procedure and authority to provide for and facilitate coalbed methane development as encouraged by the Energy Policy Act of 1992; and

(e) Seek the deletion of the Commonwealth of Kentucky from the list of affected states by the Secretary of the United States Department of Interior as provided for in the Energy Policy Act of 1992.

  (a) Any coalbed twenty-four (24) inches or more in thickness;

  (b) Any coalbed actually being operated commercially;

  (c) Any coalbed that the department decides can be operated commercially, and the operation of which can reasonably be expected to commence within not more than ten (10) years; or

  (d) Any coalbed that, from outcrop indication or other definite evidence, proves to the satisfaction of the department to be workable and, when operated, will require protection if wells are drilled through or into it.

SECTION 3. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Before a permit may be issued by the department to drill a coalbed methane well on any tract known to be underlaid with coal-bearing strata, the well operator shall provide to the department a plat prepared by a licensed, professional land surveyor and a licensed, professional engineer showing:

  (a) The county in which the coalbed methane well drill site is located;

  (b) The name of the surface owner of the drill site tract, the acreage of the drill site tract, the names of the surface owners of adjacent tracts, the names of all coal interest holders from the surface to fifty (50) feet below the deepest penetration of the coalbed methane well on the tract on which the well is proposed to be located, and the names of all oil and gas owners from the surface to one hundred (100) feet below the deepest penetration of the coalbed methane well on the tract on which the well is proposed to be located;

  (c) The proposed or actual location of the coalbed methane well determined by bearing and distance, relative to two (2) permanent points or monuments that appear on the applicable United States Geological Survey seven and one-half (7-1/2) minute topographic quadrangle map;

  (d) The location of any other existing or permitted coalbed methane well or any oil or gas well located within one thousand five hundred (1,500) feet of the well;

  (e) The outside boundary of the mineral tract from which the coalbed methane is to be produced if within seven hundred fifty (750) feet of the well; and

  (f) The number to be given the coalbed methane well, the earliest date for commencement of drilling, the earliest date for commencement of any stimulation of the coalbed methane well, and if horizontal drilling of a coalbed methane well is proposed, the vertical and horizontal alignment and extent of the coalbed methane well.

(2) If the location of any coalbed methane well proposed to be drilled, deepened, or reopened is known to be underlaid by a coal bearing stratum which is not within the area of an existing mining permit or the proposed permitted area of a pending application or permit modification for a mine before the DSMRE, simultaneously with the filing of an application for a permit, the applicant shall send, by registered or certified mail, a copy of the required plat to the record coal owner or owners and record coal lessee or lessees from the surface to fifty (50) feet below the deepest penetration of the coalbed methane well on the tract on which the well is proposed to be located.

(3) If the coal bearing stratum is within the area of an existing mining permit or the proposed permitted area of a pending application or permit modification for a mine before the DSMRE, a copy of the required plat shall also be sent by the applicant, by registered or certified mail, to each mine licensee and mine permittee operating any stratum as designated on the current license issued by the department and at the address stated thereon.

(4) A copy of the required plat shall also be sent, by registered or certified mail, simultaneously with the filing of an application for a permit, to the surface owner of the drill site tract and surface owners of adjoining tracts.

(5) If the address of any record owner is unknown to the applicant and cannot upon diligent inquiry within the county be ascertained, or if there are more than five (5) record owners, then the applicant shall file with the department an

affidavit that either condition exists, and the department may prescribe some different method of notifying the record owner in lieu of sending a copy of the plat and notice of application as required by this section.

(6) The plat shall be filed and become a permanent record, subject to inspection at any time by any interested person. Any executive officer, process agent, or chief engineer of the mine licensee or mine permittee may be considered a mine licensee or mine permittee for the purposes of mailing the required copy of the plat.

(7) If a coalbed methane well is proposed to be drilled, deepened, converted, or reopened by an applicant who is not the owner or lessee of all of the oil and gas interests, the applicant shall, simultaneously with the filing of the application for a permit, send by registered or certified mail a copy of the required plat to the record oil and gas lessees of, to the record oil and gas lessors of, and to the operator of all oil and gas wells producing from, all formations from the surface to one hundred (100) feet below the deepest penetration of the coalbed methane well on the tract upon which the well is proposed to be located.

(8) The operator shall promptly upon completion of either a vertically drilled coalbed methane well located ten (10) feet or more from the location reflected on the plat required with the permit application or a horizontally drilled coalbed methane well file with the department an as-drilled plat prepared by a licensed professional land surveyor and a licensed professional engineer reflecting the actual coalbed methane well location. If the operator has completed a horizontally drilled coalbed methane well, the as-drilled plat shall show its alignment and extent. The plat shall become a permanent record subject to inspection at any time by any interested persons.

(9) Each plat, or exhibit attached thereto, shall have the following information on a form supplied by the department:

(a) Notice of the application for a coalbed methane well and the address where a copy of the application may be obtained;

(b) A statement that the recipient has twenty (20) days within which to file an objection to the proposed coalbed methane well, its location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed; and

(c) A statement that the applicant has met and conferred with, or offered to meet and confer with, each coal interest holder concerning the proposed coalbed methane well, its location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed.

SECTION 4. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) If the drilling of a coalbed methane well could adversely affect the present or future use or operation of a workable coalbed, any coal interest holder may object to a proposed coalbed methane well, the well's location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed. Any coal interest holder, within twenty (20) days of receipt of the plat by him or her and by the department, may file specific objections in writing with the department. The filed objections shall provide sufficient detail for the applicant to identify the nature and substance of the objection. The department shall notify the applicant of the objections and fix a time and place for a hearing before the review board to be conducted in accordance with KRS Chapter 13B and this chapter.

(2) If any coal interest holder, notified pursuant to Section 3 of this Act, or any other person, claims to have a valid real property interest in, or the current legal right to produce, coalbed methane, the person claiming the real property interest or right shall notify the applicant and the department, in writing, within twenty (20) days from the receipt of the plat by him or her and by the department. The person also shall request that a pooling order be entered pursuant to subsection (1) of Section 16 of this Act.

(3) If the record oil and gas lessor, lessee, or well operator notified pursuant to Section 3 of this Act, or any other person, claims to have a valid real property interest in, or the current legal right to produce, coalbed methane, the person claiming the real property interest or right shall notify the applicant and the department, in writing, within twenty (20) days from the receipt of the plat by him. The person shall request that a pooling order be entered pursuant to subsection (1) of Section 16 of this Act.

(4) If no objections are filed within the twenty (20) day period, the department shall immediately issue a drilling permit to the well operator approving the location of the well and authorizing the well operator to proceed to drill at that location, provided all other preconditions to issuance of a permit, as contained in this chapter, have been met.

(5) Upon receipt of an application to drill a coalbed methane well, the department shall provide a copy of the required plat and permit application to DSMRE. Within fifteen (15) days of receipt by DSMRE notification shall be sent to the department by DSMRE as to whether the proposed coalbed methane well will be located within the boundaries of any coal mine for which a permit has been issued or has been applied for pursuant to KRS Chapter 350. If the proposed coalbed methane well is to penetrate a workable coalbed that is within the area of an existing permit for an underground mine issued by DSMRE, or the proposed permitted area of a pending application or permit modification for an underground mine before DSMRE, the written authorization of the mine permittee shall be required prior to issuance by the department of a permit to stimulate, complete, or horizontally drill the coalbed methane well in the workable coalbed that is within the area of an existing permit for an underground mine issued by DSMRE or within the proposed permitted area of a pending application or permit modification for an underground mine before DSMRE. If the proposed coalbed methane well is to be located within a surface area permitted, or proposed in a pending application or permit modification to be issued by DSMRE, the written authorization of the mine permittee shall be

required prior to issuance by the department of a permit to drill the coalbed methane well. In the absence of the written authorization of the mine permittee, the applicant may file an appeal with the review board requesting approval to drill the proposed coalbed methane well if:

(a) Authorization has been denied by the mine permittee; and

(b) The proposed location and area to be disturbed by the proposed coalbed methane well has achieved either a partial bond release status or the bond for the area has been forfeited.

SECTION 5. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Prior to the abandonment of a coalbed methane well drilled through a workable coalbed, the well operator shall notify, by certified mail, return receipt requested, or by registered mail, all the coal interest holders of the workable coalbed and the department of the operator's intention to plug and abandon the well. The notice shall give the number of the well and its location, and fix the time at which the work of plugging and filling will be commenced. The time shall not be less than fifteen (15) days after the day on which the notice was received, or in due course should be received, by the department. The department shall prescribe the form of notice to be used. A representative of any coal interest holder, at his or her own expense and liability, and of the department may be present at the plugging and filling of the well. Regardless of whether representatives appear, the well operator may proceed, at the time fixed, to plug and fill the well. When the well is plugged and filled, an affidavit setting forth the time and manner in which the well was plugged shall be made in triplicate by two (2) persons experienced in plugging and filling wells who participated in the work. The affidavit shall be made on forms furnished by the department. One (1) copy of the affidavit shall be retained by the well operator, one (1) provided to each coal interest holder, and one (1) provided to the department.

(2) In addition to the notification required under subsection (1) of this section, prior to the abandonment of a coalbed methane well the operator shall submit a plugging plan which is subject to approval by the department. The proposed plugging plan shall be designed to allow coal mining to occur through the well after the well is plugged.

(3) If a coalbed methane well ceases to produce in paying quantities and no dewatering operations are being conducted for a period of fifteen (15) consecutive months, any coal interest holder or any record oil or gas lessor or lessee of any tract being penetrated by the coalbed methane well, may file a request for hearing pursuant to Section 12 of this Act, to determine whether the well has been abandoned and should be plugged in accordance with this section. However, nothing in this subsection shall require the plugging and abandonment of a coalbed methane well that is being temporarily shut in by the coalbed methane well operator. Simultaneously with the filing of a request for a hearing with the department, the person requesting the hearing shall send a copy of the request to the coalbed methane well operator.

(4) Any coal interest holder shall have the following rights with respect to a coalbed methane well to be plugged and abandoned:

(a) To convert the coalbed methane well to a vent hole or otherwise take the coalbed methane well. In this event the department, upon determination that the coal interest holder has placed the coalbed methane well under a mining permit, shall release the coalbed methane well operator's bond and the coalbed methane well operator shall be relieved of further responsibility for the coalbed methane well; and

(b) To file an objection concerning the proposed manner or method of plugging with the department, within fifteen (15) days after receipt of notice of intent to plug. The department shall consider any objection and may issue an order specifying the manner and method of plugging and reclamation consistent with this section.

(5) All coalbed methane wells shall be plugged and abandoned in accordance with this section. The department shall promulgate regulations specifying the manner and method of plugging vertical and horizontal coalbed methane wells and in so doing, or in entering any order for such plugging and abandonment, shall give consideration to the ability to mine any affected coal seam safely and the protection of any affected coal seam for future mining.

SECTION 6. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) If a coalbed methane well is permitted and drilled within the boundaries of any coal mine for which a permit has been issued or an application for a mine permit or a mine permit modification or amendment has been filed but not issued pursuant to KRS Chapter 350, the mine licensee shall have the right to mine through that coalbed methane well and the associated drilling unit in accordance with the provisions of this subsection.

(a) At least one hundred twenty (120) days prior to mining through a coalbed methane well and associated drilling unit, the mine licensee shall notify the review board and operator of its intention to mine through the property. The notice shall be made on a form prescribed by the review board, and shall include a plat showing the location of the drilling unit, the coalbed methane well and associated surface equipment, facilities, infrastructure, and improvements, and the geographic extent of the mining operations to be conducted within the drilling unit. The mine licensee shall also submit an estimated schedule for commencing and completing mining operations within the drilling unit. After a hearing the review board shall promptly issue a written determination on whether the continued operation of the coalbed methane well will impede, interfere with, or present a possible safety hazard to the mine licensee's planned mining operations. If the review board determines that the coalbed methane well will impede, interfere with, or present a safety hazard to the planned mining operations, concurrently an order shall be issued to the operators, with a copy to the mine licensee,

directing the temporary or permanent plugging of the well at the operator's cost and such other action as may be appropriate in the circumstances. Following the issuance of the order, the review board shall promptly issue a mine through certificate to the mine licensee, with a copy to the operator, authorizing the mine licensee to mine-through the coalbed methane well and associated drilling unit.

(b) The mine licensee and all other coal interest holders having interests in the coalbed within the drilling unit shall have no duty or obligation to compensate or pay the operator or other interested coalbed methane parties for any causes of action, claims, or damages arising from the suspension or loss of coalbed methane production or the plugging and abandonment of a coalbed methane well and the removal or relocation of any associated facilities, infrastructure, and improvements due to mining through the coalbed methane well and associated drilling unit pursuant to this subsection.

(2) If a mine licensee files an application for a coal mine permit or seeks to modify or amend an existing coal mine permit so as to include a geographical area containing one (1) or more existing coalbed methane wells or any well sites for which drilling permits have been issued or are pending, the mine licensee shall have the right to mine through those coalbed methane wells or into or through a coalbed methane well and the associated drilling units and any well sites for which permits to drill have been issued or applications for permits to drill have been filed but not issued in accordance with the provisions of this subsection.

(a) At least one hundred eighty (180) days prior to mining into or through one (1) or more drilling units or permitted well sites operated by a common operator, the mine licensee shall notify the review board and the operator of its intention to mine into or through the property. The notice shall be made on a form prescribed by the review board and shall include a plat showing the location of the drilling unit, the coalbed methane well and associated surface equipment, facilities, infrastructure, and improvements, and the geographic extent of the mining operations to be conducted within the drilling unit. The mine licensee shall also submit an estimated schedule for commencing and completing mining operations within the drilling unit.

(b) Within thirty (30) days after receiving the mine licensee's notice pursuant to paragraph (a) of this subsection, the mine licensee and operator shall enter into a confidentiality agreement on a form prescribed by the review board and the operator shall provide, to the extent available, copies of all data and information necessary and appropriate to enable the mine licensee to determine the current value of each drilling unit, well site, and any associated assets described in the mine licensee's notice in accordance with the criteria set forth in paragraph (e) of this subsection. The information shall be in a form prescribed by the review board and shall include, among other things, data, reports, and information relating to current coalbed methane reserve calculations, well completions, historic production and sales results, capital and operating costs, all actual land, legal permitting, survey, title, and any other costs and expenses directly relating to the acquisition, permitting, development, and operation of each drilling unit and well site, and estimated well plugging and abandonment costs of any existing coalbed methane wells. In addition, the operator shall provide the review board and mine licensee with copies of all agreements and leases, payment division orders and any pooling agreements or pooling orders for each drilling unit and well site, together with a schedule setting forth the name, address, and working interest and net revenue percentages, royalties and overriding royalties, and all other interests and rights of all other interested coalbed methane parties. If the information is not timely filed or is incomplete, the mine licensee may seek an order from the review board directing the operator to comply with the provisions of this subsection.

(c) Within thirty (30) days after receiving the information described in paragraph (b) of this subsection, the mine licensee and operator shall meet and confer at a mutually agreed upon date, time, and place for the purpose of attempting to conclude a mutually acceptable agreement as to the compensation due to the operator for any damage, impairment, or loss to each drilling unit, well site, and any associated assets described in the information provided by the operator resulting from the mine licensee's planned mine-through operations. Any compensation agreement between the mine licensee and operator for each drilling unit or well site shall be approved and executed by all other interested coalbed methane parties. The mine licensee and operator shall jointly notify the review board that a compensation agreement has been entered into between the parties and request that the review board issue a mine-through certificate for each drilling unit and well site described in the notice. The notice shall include any terms and conditions set forth in the compensation agreement that the parties have agreed to incorporate in the applicable mine-through certificates. Upon receipt of the executed compensation agreement, the review board shall promptly issue the requested mine-through certificates to the mine licensee, with copies to the operator and all other interested coalbed methane parties. If the parties are unable to reach an agreement, within ten (10) days following the expiration of the thirty (30) day meet and confer period, either party may request a hearing before the review board for the purpose of determining the compensation due the operator and any terms and conditions to be imposed upon the mine licensee's proposed mining operations. Copies of the hearing request shall be sent to all other interested coalbed methane parties.

(d) Within fifteen (15) days of receiving the hearing request, the review board shall schedule a hearing to take place within sixty (60) days and shall notify the mine licensee, the operator and all other interested coalbed methane parties of the date, time, and location of the hearing. At its election, the review board may engage a qualified petroleum engineer for the purpose of conducting an independent evaluation of the compensation to be paid to

the operator and all other interested coalbed methane parties in accordance with paragraph (e) of this subsection. The mine licensee and the operator shall each pay one-half (1/2) of the costs and expenses for the petroleum engineer retained by the review board.

(e) The review board shall determine the value of each drilling unit, well site, and all associated assets before and after the mine licensee's planned mine-through operations. In determining the amount of compensation due the operator and all other interested coalbed methane parties, the review board must consider all relevant evidence and information submitted and the review board shall base its decision solely upon the following criteria and procedures:

1. Except as otherwise expressly provided in this subsection, all coalbed methane reserve estimates and the valuation of reserves and other assets damaged, impaired, or lost due to the planned mining operations shall be consistent with standard oil and gas industry accounting, engineering, and reserve practices and shall be performed pursuant to the then-current applicable laws, regulations, policies, and guidelines for determining gas reserves for public reporting companies in the United States.

2. At the hearing, the mine licensee and operator, on behalf of itself and all other interested coalbed methane parties, shall appear and submit evidence and testimony as to the value of the subject drilling units, well sites, and any associated assets before and after the mine licensee's planned mining operations. The review board shall only consider coalbed methane reserve estimates or valuation determinations made in conformity with subparagraph 1. of this paragraph by a professional petroleum engineer with experience in evaluating coalbed methane reserves and operations. All reserve estimates and any valuation analysis prepared by the mine licensee and operator for use in the review board's hearing shall be effective thirty (30) days prior to the date of the hearing. The reserve estimates and valuation analysis shall be exchanged between the mine licensee and operator and copies of the information shall be provided to the review board and all other interested coalbed methane parties no less than twenty-one (21) days prior to the hearing date. Any coalbed methane reserve estimates or valuation analysis prepared at the review board's request shall be set forth in a written report. Copies of the report prepared for the review board shall be provided to the mine licensee, the operator, and all other interested coalbed methane parties no less than ten (10) days prior to the review board's hearing date.

3. All estimates of remaining recoverable coalbed methane reserves immediately before and immediately after the planned mining operations shall consist of proved developed producing or proved developed nonproducing reserves as determined pursuant to this subsection. A drilling unit shall have proved developed producing reserves if the unit has an operating coalbed methane well, which is completed in one (1) or more target coal seams and is producing commercial quantities of coalbed methane. The drilling units total proved developed producing reserves before and after the planned mining operations shall be calculated based on the completed coal seams within the unit well. A drilling unit shall have proved developed nonproducing reserves if the unit has a coalbed methane well which is completed in one (1) or more target coal seams and is fully operational and all associated infrastructure such as power, gas gathering, and water management systems required to produce and sell coalbed methane in commercial quantities has been constructed, but the well is not producing coalbed methane in commercial quantities because it either is in the dewatering stage or is not operating due to factors beyond the operator's control. Whether a drilling unit contains proved developed producing reserves or proved developed nonproducing reserves shall be determined based on the status of the coalbed methane well and associated infrastructure sixty (60) days prior to the review board's hearing date.

4. The net present value of proved developed producing reserves projected immediately before and immediately after the planned mining operations shall be calculated using a discount rate of twelve percent (12%). The net present value of proved developed nonproducing reserves projected immediately before and immediately after the planned mining operations shall be calculated using a discount rate of twenty percent (20%). The valuation analysis shall also project the net present value of all revenues received, if any, by the operator during the period in which the planned mining operations are to be conducted.

5. In determining the compensation due the operator and all other interested coalbed methane parties for delayed or lost production, if the total projected production of the coalbed methane well is reduced so as not to yield a commercially reasonable return on investment to the operator, but the well is still able to produce coalbed methane in commercial quantities, the projected difference in the net present value of the recoverable reserves before and after mining shall be included as part of the compensation due the operator and all other interested coalbed methane parties.

6. In determining the value of the coalbed methane reserves impaired or lost due to the planned mining operations, except as expressly provided herein, no consideration shall be given to undeveloped coalbed methane resources in coal seams which have not been completed in the subject coalbed methane well or which are in coal seams below the total depth of the well bore. If, however, a coal seam in the same field is producing coalbed methane but the coal seam is not completed in the subject coalbed methane well, *the operator may submit evidence to the review board for its consideration as to the potential net present value of the resources within the uncompleted seam, but in no event shall the net present value of those resources be discounted at less than thirty percent (30%).*

7. Except as otherwise provided herein, in determining the value of coalbed methane for purposes of this subsection, the gas price shall be the last published price in the gas market closest to the drilling unit sixty (60) days prior to the review board's hearing date. If the coalbed methane is sold pursuant to a gas sales agreement or marketing contract in which the gas price is determined based on a published price, subject to any contractual adjustment, in the gas market other than the market closest to the drilling unit, the gas price shall be determined based on the last published price in a gas market referred to in the gas sales agreement or marketing contract, subject to any contractual adjustment set forth therein, sixty (60) days prior to the review board's hearing date. If the coalbed methane is sold pursuant to an arms-length firm or fixed price gas sales agreement or marketing contract, the actual sales price received by operator for gas sold sixty (60) days prior to the review board's hearing date shall be used as the gas price in the coalbed methane valuation.

8. All capital, operating, and production costs used in the net present value determinations made pursuant to this subsection shall be based on the operator's then current reasonable and verifiable actual costs and expenses. Copies of all relevant and available cost information shall be provided by the operator to the review board and mine licensee as provided in paragraph (b) of this subsection. If actual cost information is not otherwise available, all calculations shall be made using reasonable and customary costs for comparable coalbed methane operations in the Commonwealth and in the surrounding states.

9. If the planned mining operations will mine through a coalbed methane well or require the removal, relocation, or suspension of operation of other facilities, infrastructure, or improvements in a drilling unit, the operator and any other interested coalbed methane parties shall be reimbursed for all reasonable actual and direct costs, damages, and expenses to be incurred due to these mining operations; provided, however, that in no event shall any replacement costs and expenses exceed the operator's or any other interested coalbed methane parties' actual costs and expenses for the affected well, facilities, infrastructure, and improvements, as the case may be. The operator and any other interested coalbed methane parties shall not be reimbursed for any general, administrative, or overhead costs and expenses or any other costs and expenses not otherwise allocated to the costs of the subject drilling unit, coalbed methane well and the associated facilities, infrastructure, and improvements. Any amounts due the operator and any other interested coalbed methane parties shall be reduced by the projected then-current market value of such equipment, facilities, and improvements to the extent that it can be salvaged and sold or used in other operations.

10. If, prior to drilling a coalbed methane well, the mine licensee submits a plan to mine into or through any part of the associated drilling unit or well site for which a drilling permit has been issued or is pending, the operator shall not proceed with drilling a coalbed methane well pending a final decision by the review board with respect to the mine licensee's request for a mine-through certificate. When a mine-through certificate is issued to the mine licensee, the operator and all other interested coalbed methane parties shall be reimbursed for all reasonable costs and verifiable actual land, legal, permitting, surveying, and technical costs and expenses incurred to acquire or lease and maintain the property and obtain any permits, approvals, and other agreements required to drill the coalbed methane well. The operator and all other interested coalbed methane parties shall not be reimbursed for any general, administrative, or overhead costs and expenses or any other costs and expenses not otherwise allocated to the costs to acquire or lease the subject property or permit the coalbed methane well.

(f) At a hearing, the review board shall take testimony and evidence from the mine licensee and operator, on behalf of itself and all other interested coalbed methane parties consistent with the provisions in this subsection. Within fifteen (15) days following the hearing, the review board shall issue a written decision to the mine licensee and operator determining the compensation due the operator and each of the other interested coalbed methane parties in the amount of the difference between the value of each drilling unit, well site, and any associated assets before and after the mine licensee's planned mining operations. If the review board determines that the mine licensee's proposed mining operations will result in a loss or taking of all of either the coalbed methane reserves in the coal seam to be mined and all coalbed methane reserves in completed coal seams in the coalbed methane well below the mined coal seam as provided in paragraph (e)5. of this subsection or the entire drilling unit, the operator and other interested coalbed methane parties shall be awarded the full value of the property and assets prior to the proposed mining operations as determined by the review board. The review board's decision shall list the compensation amounts to be paid to the operator and each of the other interested coalbed methane parties for each drilling unit, well site, and any associated assets. The decision shall also set forth any duties or obligations to be performed by the parties, such as the temporary or permanent plugging of any well or the relocation or removal of any surface facilities, to enable the mine licensee to proceed immediately with the planned mining operations.

(g) Within fifteen (15) days of receiving the review board's decision, the mine licensee shall notify the review board

and the operator and all other interested coalbed methane parties of its decision to:

1. *Accept the review board's decision with respect to one (1) or more of the drilling units, well sites, and associated assets and deposit the compensation awarded to the operator and each of the other interested coalbed methane parties for the property;*
2. *Appeal all or part of the review board's decision as provided in paragraph (j) of this subsection; or*
3. *Withdraw notice of intent to mine into any of the subject coalbed methane property and assets. If the mine licensee elects to withdraw notice of intent to mine into or through all of the drilling units, well sites, and any associated assets which were the subject of the review board hearing, upon receiving a statement of costs from the operator, the mine licensee shall promptly reimburse the operator for all reasonable out-of-pocket engineering and legal costs and expenses incurred to prepare for and participate in the review board hearing and shall have no further obligations to the operator or any of the other interested coalbed methane parties.*

(h) Within fifteen (15) days of receiving the review board's decision, the operator, on behalf of itself and other interested coalbed methane parties, shall notify the review board and the mine licensee whether it will accept the amounts awarded by the review board or file an appeal with the Circuit Court in the county where the drilling unit or well site is located challenging the review board's valuation of any of the property or assets.

(i) If no appeal of the review board's decision is filed by the parties, upon receipt of the compensation due the operator and all other interested coalbed methane parties for each drilling unit and well site selected by the mine licensee for which a mine-through certificate will be issued, the review board shall promptly deliver the awarded compensation to the operator and all other interested coalbed methane parties for the drilling unit and well site and concurrently issue the appropriate mine-through certificate to the mine licensee, with copies to the operator and all other interested coalbed methane parties. If the operator and other interested coalbed methane parties are awarded either the total net present value of the coalbed methane reserves in coal seams to be mined by the mine licensee and all coalbed methane reserves in coal seams completed in a coalbed methane well below such coal seam as provided in subparagraph 5. of paragraph (e)5. of this subsection or the total value of the entire drilling unit and associated assets, upon payment of the compensation, the operator and other interested coalbed methane parties shall simultaneously, if requested by the mine licensee, assign and transfer free and clear of all encumbrances to the mine licensee all of their respective rights, title, and interests in such property and assets, as the case may be, within the drilling unit on a form to be prescribed by the review board. The review board shall take whatever other action that may be deemed appropriate or necessary in the circumstances.

(j) If either party notifies the review board of a decision to appeal the review board's valuation of any of the subject coalbed methane properties and assets to the Circuit Court, the mine licensee shall deposit with the review board the compensation due the operator and each of the other interested coalbed methane parties for each drilling unit, well site and any associated assets selected by the mine licensee for which a mine-through certificate will be issued. Upon receipt of the funds from the mine licensee, the review board shall promptly deliver to the operator and the other interested coalbed methane parties one hundred percent (100%) of the awarded compensation for any drilling unit, well site and any associated assets not listed in any notice of appeal and seventy-five percent (75%) of the awarded compensation to the operator and other interested coalbed methane parties for any drilling unit, well site, and any associated assets for which an appeal is to be filed. Concurrently with delivering the awarded compensation to the operator as provided herein, the review board shall issue to the mine licensee, with copies to the operator and all other interested coalbed methane parties, a mine-through certificate for each drilling unit and well site for which compensation has been received. If the review board's decision with respect to any drilling unit is not appealed and the operator and other interested coalbed methane parties are awarded either the total net present value of the coalbed methane reserves in the coal seam to be mined by the mine licensee and all coalbed methane reserves in coal seams completed in a coalbed methane well below that coal seam as provided in paragraph (e)5. of this subsection or the total value of each drilling unit, well site, and any associated assets, upon payment of the compensation, the operator and other interested coalbed methane parties shall simultaneously if requested by the mine licensee, assign and transfer free and clear of all encumbrances to the mine licensee all of their respective rights, title, and interests in that property and assets, as the case may be, within the drilling unit or well site on a form to be prescribed by the review board. The review board shall take whatever other action that may be deemed appropriate or necessary in the circumstances to carry out its decision. All funds deposited with the review board shall be placed in an interest-bearing account pending a final resolution of any appeals.

(k) Within thirty (30) days following the issuance of the review board's decision, the mine licensee or the operator, on behalf of itself and any other interested coalbed methane parties, may file a petition in the Circuit Court of the county in which the drilling unit or well site is located or in the Franklin County Circuit Court disputing the review board's valuation of all or any part of any coalbed methane properties or assets pursuant to this subsection. The parties filing the petition shall name as parties to the action the following: the review board, the mine licensee, all other coal interest holders, the operator, and all other interested coalbed methane parties. Promptly upon receiving notice of the petition, the review board shall deliver any remaining funds deposited by

the mine licensee as provided in paragraph (j) of this subsection, together with all interest accrued thereon, to the clerk of the Circuit Court for the county in which the petition is filed and these funds shall be deposited in an interest bearing account pending a decision on the petition. The decision of the Circuit Court shall be made in accordance with the provisions of Section 18 of this Act. If the Circuit Court determines the operator and other interested coalbed methane parties are entitled to greater compensation than the amount awarded by the review board, the mine licensee shall pay the difference to the clerk of the Circuit Court within fifteen (15) days of the court's decision. Upon receipt of the additional funds awarded by the Circuit Court, the clerk shall promptly deliver to the operator and any other interested coalbed methane parties these funds together with all interest accrued thereon. If the Circuit Court determines that the operator is entitled to less compensation than the amount awarded by the review board, the amount of the reduction shall be refunded to the mine licensee together with any interest that accrued thereon. If the escrowed funds are not sufficient to fully reimburse the mine licensee, the operator and all other interested coalbed methane parties having an interest in the subject coalbed methane properties and assets shall promptly pay the mine licensee for the difference between the escrowed funds and the total amount to be reimbursed pursuant to the Circuit Court's order. If the Circuit Court determines that the operator and other interested coalbed methane parties are to receive either the total net present value of the coalbed methane reserves in the coal seam to be mined by the mine licensee and all coalbed methane reserves in coal seams completed in a coalbed methane well below such coal seam as provided in paragraph (e)5. of this subsection or the total value of the entire drilling unit, well site, and any associated assets, which values may be increased or decreased by the Circuit Court, upon receipt of the awarded compensation, the operator and other interested coalbed methane parties shall simultaneously if requested by the mine licensee, assign and transfer free and clear of all encumbrances to the mine licensee all of their respective rights, title, and interest in such property and assets, as the case may be, within the drilling unit on a form to be prescribed by the review board.

(l) Subject to obtaining a decision by the Circuit Court with respect to any appeals initiated pursuant to paragraph (k) of this subsection, the operator and all of the other interested coalbed methane parties' acceptance of the compensation awarded by the review board and of the performance of any duties and obligations by the mine licensee as ordered by the review board shall constitute full and complete consideration to the operator and all of the other interested coalbed methane parties for any and all causes of action, claims, damages, or losses to each drilling unit or any portion thereof, well site, or any associated assets caused by the mine licensee, or any other coal interest holder's subsequent mining operations. The mine licensee shall be liable for any and all injuries, deaths, or damages proximately caused by the mine licensee on, in, or with respect to that property.

(3) If, after the mine licensee files a notice of intention to mine into or through any coalbed methane properties or assets pursuant to subsection (1) or (2) of this section, the mine licensee's coal mining permit or any pending amendment to an existing permit issued pursuant to KRS Chapter 350 is withdrawn, canceled, delayed, or modified so as to exclude all or any part of the geographic area covering any drilling unit or well site described in the mine licensee's notice, the mine licensee shall promptly advise the review board and operator that it is amending its request for a mine-through certificate to exclude any property that is no longer subject to a coal mine permit or a pending coal mine permit application.

SECTION 7. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) This chapter shall apply to all lands located in the Commonwealth however owned including lands owned or administered by any government or any agency or political subdivision thereof, over which the Commonwealth has jurisdiction under its police power.

(2) The waste of coalbed methane is hereby prohibited. The waste prohibited includes physical waste as that term is generally understood in the oil, gas, and coalbed methane industry, giving consideration to coal mining operations and the safe recovery of coal and includes:

(a) The locating, drilling, equipping, operating, or producing of any coalbed methane well or wells drilled, deepened, or reopened in a manner that causes or tends to cause a reduction in the quantity of coalbed methane ultimately recoverable from a pool under prudent and proper operations, or contrary to any provision of, or any order, rule or administrative regulation promulgated or issued under this chapter;

(b) Permitting the migration of coalbed methane from the stratum in which it is found into other strata, thereby ultimately resulting in the loss of recoverable coalbed methane;

(c) The drowning with water of any stratum or part thereof capable of producing coalbed methane in paying quantities, except for secondary recovery purposes, or in hydraulic fracturing or other completion practices;

(d) The unlawful damage to underground, fresh, or mineral water supply, coalbeds, or other mineral deposits in the operations for the discovery, development, production, or handling of coalbed methane;

(e) The unnecessary or excessive loss of coalbed methane by spillage or venting or destruction of coalbed methane or its constituents; and

(f) The drilling of more wells than are reasonably required to recover efficiently the maximum amount of coalbed methane from a pool.

(3) For purposes of this chapter, waste does not include coalbed methane vented or released from any mine area, the degasification of a coal seam for the safe recovery of coal, the plugging of coalbed methane wells for the safe recovery of coal, or the conversion of coalbed methane wells to vent holes for the safe recovery of coal.

(4) The sale or use of coalbed methane from any coalbed methane well unless a permit has been issued as required by Section 8 of this Act, or in violation of the spacing provisions of Section 15 of this Act, shall be prohibited.

(5) No person shall conduct coalbed methane operations unless that person has first obtained the necessary permits, including surface discharge and underground injection control permits, as appropriate for the particular operation to be conducted. The department shall notify state and federal agencies with jurisdiction over the protection of surface waters and groundwater when permit applications are filed and shall, to the extent possible, coordinate permit review.

SECTION 8. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) It is unlawful for any person to drill, commence, operate, deepen, convert, or stimulate any coalbed methane well, to conduct any horizontal drilling of a coalbed methane well or to convert any existing oil or natural gas well to a coalbed methane well, without first securing from the department a permit pursuant to this chapter. Before any well, borehole, or facility initially used for a coal mining related purpose, such as a vent hole, is converted for the purpose of recovering coalbed methane for sale or use, the operator shall obtain a permit and comply with the provisions of this chapter prior to the time that the well, borehole, or facility is converted or used for the purpose of recovering coalbed methane for sale or use. It is unlawful for any person to drill, deepen, convert, or reopen a coalbed methane well for the production of oil or natural gas or for the injection of water, gas, or other fluids into any oil or natural gas producing formation until the person has obtained a permit from the department for a petroleum or natural gas well pursuant to KRS 353.570. However, no additional permit fee shall be required if the original permit for the coalbed methane well has not expired.

(2) Every permit application filed under this section shall be verified and shall contain the following:

- *(a) A statement that the applicant claims to have a valid real property interest in, or the current legal right to produce coalbed methane from a person claiming a valid real property interest in, the coalbed methane. The statement shall identify with specificity the nature of the real property interest and the document or instrument evidencing that interest or right, including recording information of any recorded document or instrument;*
- *(b) The names and addresses of the coalbed methane well operator and every person or entity whom the applicant must notify under any section of this chapter;*
- *(c) The name and address of each coal interest holder of any workable coalbed which is to be penetrated by a proposed coalbed methane well or within seven hundred fifty (750) horizontal feet or fifty (50) vertical feet of any portion of the proposed coalbed methane well;*
- *(d) The name and addresses of each record oil and gas lessee of, the record oil and gas lessor of, and the operator of all oil and gas formations from the surface to one hundred (100) feet below the deepest penetration of the coalbed methane well on the tract upon which the coalbed methane well is proposed to be located;*
- *(e) The coalbed methane well name or such other identification as the department may require;*
- *(f) The approximate depth to which the coalbed methane well is to be drilled, deepened, or converted, the coal seams including the depth and thickness of each seam that will be completed for production, and any other coal seams which will be penetrated by the coalbed methane well;*
- *(g) A description of any means to be used to stimulate any of the workable coalbeds penetrated by the coalbed methane well;*
- *(h) If the proposed coalbed methane well will require casing or tubing, the entire casing program for the coalbed methane well, including the size of each string of pipe, the starting point and depth to which each string is to be set, and the extent to which each string is to be cemented;*
- *(i) If the proposed operation is to convert an existing petroleum or natural gas well, as defined in KRS 353.010(13), or to convert a vertical borehole or facility initially used for a coal mining related purpose, such as a vent hole, to a coalbed methane well, all information required by this section, all formations from which production is anticipated, and any plans to plug any portion of the well;*
- *(j) Except for a vent hole proposed to be converted to a coalbed methane well, if the proposed coalbed methane well will be completed in some but not all coal seams for production, a plan and design for the coalbed methane well which will protect all workable coalbeds which will be penetrated by the coalbed methane well;*
- *(k) If the proposed operations will include horizontal drilling of a coalbed methane well, a description of the operations, including both the vertical and horizontal alignment and extent of the coalbed methane well from the surface to total depth; and*
- *(l) Other information as the department may require consistent with this chapter.*

(3) Each application for a coalbed methane well permit shall be accompanied by the following:

- *(a) A permit application fee of three hundred dollars ($300);*
- *(b) A bond in an amount prescribed in Section 24 of this Act;*

(c) A certificate that the applicant's notice requirements of Section 3 of this Act have been satisfied. Certification may be by affidavit of personal service, or the return receipt card, or other postal receipt, for certified mailing;

(d) If the proposed coalbed methane well will be located within one-half (1/2) of a mile, measuring horizontally, of a water supply well being used for residential or domestic purposes, the applicant will submit the groundwater protection plan required under KRS 224.70-110 and applicable administrative regulations promulgated pursuant thereto for review by the department, or demonstrate to the department that a plan is not required; and

(e) Proof that the applicant has public liability insurance coverage in an amount not less than five hundred thousand dollars ($500,000) in aggregate and three hundred thousand dollars ($300,000) per occurrence for damages to persons and property caused by the applicant's operations or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations which shall be promulgated by the department.

(4) Prior to the department's issuance of a permit to drill a coalbed methane well, a copy of the written authorization from the mine licensee shall be filed with the application under the following circumstances:

(a) If the proposed coalbed methane well is to penetrate a workable coalbed that is within the permitted area of an existing permit or the proposed permitted area of a permit pending before the DSMRE and if the applicant plans to stimulate, complete, or horizontally drill the coalbed methane well in a workable coalbed that is within the permitted area of an existing permit or the proposed permitted area of a permit pending before DSMRE;

(b) If the proposed coalbed methane well is to be located within a surface area permitted under an existing permit, or the proposed permitted area of a permit pending before DSMRE for which no bond release has been obtained; or

(c) If the proposed coalbed methane well is to be located within a surface area permitted under an existing permit by DSMRE for which a partial bond release has been obtained.

If a coalbed methane well permit is issued for a well site located within the boundaries of any coal mine for which a permit has been issued or is pending pursuant to KRS Chapter 350, the permit shall include a provision specifically stating that the permitted coalbed methane well location is in an area for which a coal mine permit has been issued or is pending pursuant to KRS Chapter 350 and is subject to the mine-through rights set forth in subsection (1) of Section 6 of this Act.

(5) If a partial bond release for the surface area on which the proposed coalbed methane well is located has been obtained from DSMRE and the applicant is denied written authorization from the mine licensee, the applicant may file an appeal with the review board requesting approval to drill the proposed coalbed methane well. When requesting an appeal, the applicant shall submit a verified statement including the following:

(a) The applicant has met and conferred with or offered to meet and confer with the mine licensee concerning the authorization;

(b) The mine licensee has refused to provide written authorization to disturb the permitted area;

(c) The physical area to be disturbed by the proposed well location and the use of area, including ingress and egress thereto, qualifies as a commercial or industrial postmining land use entitling the mine licensee to a complete bond release for the area to be disturbed by the coalbed methane well operator in accordance with KRS Chapter 350; and

(d) The applicant has agreed to pay the reasonable and actual costs of the permit revision required by DSMRE to affect the incremental bond release for the proposed area to be disturbed by the coalbed methane well operator, not to exceed five thousand dollars ($5,000).

(6) Prior to the issuance of a permit to drill a coalbed methane well, the applicant shall grant assignable subsidence waivers to any mine licensee if requested in an objection filed pursuant to Section 12 of this Act and, if required, to allow present or future mining with planned subsidence under KRS Chapter 350. However, this subsection and any subsidence waivers shall in no way waive, affect, or impair the ability of the applicant or the applicant's successors or assigns to pursue any remedies for damages to persons, or to improved or tangible property, suffered or incurred as a result of any subsidence caused by the mine licensee or the mine licensee's successors or assigns. The mine licensee, its successors or assigns, shall be liable for any and all damages to persons or to improved or tangible property proximately caused by the mine licensee.

(7) If the mine licensee is mining in a coal seam that is not being produced by the coalbed methane well operator and has not exercised his or her mine-through rights, as set forth in subsection (1) or (2) of Section 6 of this Act, in any coal mine before removing any coal or other material or driving any entry or passageway within five hundred (500) horizontal feet of the vertical segment of a coalbed methane well or within fifty (50) vertical feet of the horizontal segment of a coalbed methane well, the mine licensee shall forward simultaneously to the well operator and to the department, by certified mail, return receipt requested, or by registered mail, a copy of the maps and plans required by law to be filed and kept up to date. Maps or plans shall show the mine workings and projected mine workings within five hundred (500) horizontal feet of the coalbed methane well. However, the issuance of any coalbed methane well permit shall not preclude or prevent coal mining outside two hundred (200) feet, but not closer than fifty (50) feet, of

the vertical segment of a coalbed methane well or outside of the workable coalbed in which the horizontal segment of a coalbed methane well is located, unless specified by the department for reasons of mine or well safety. The mine licensee shall not mine within fifty (50) feet of the vertical segment of a coalbed methane well without the written authorization of the coalbed methane well operator. A mine licensee may file a request with the department to mine closer than two hundred (200) feet of the vertical segment of the coalbed methane well. The mine licensee shall forward simultaneously to the well operator and the department, by certified mail, return receipt requested, or by registered mail, a request to mine closer than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well, which shall be accompanied by the following:

(a) A copy of the maps and plans required by law to be filed and kept up to date, showing on the copy of the map or plan its mine plan workings and projected mine workings beneath the tract of land and within two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well; and

(b) A statement that the applicant has met and conferred with, or offered to met and confer with, the well operator concerning the mine licensee's plan to mine closer than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well.

The well operator may, within twenty (20) days of receipt of the documents listed in paragraphs (a) and (b) of this subsection, file specific objections in writing with the department. When objections are filed, the department shall provide a copy of the objections to the mine licensee and fix a time and place for an informal hearing. The hearing shall be held not more than ten (10) days from the end of the twenty (20) day period. At the hearing, the mine licensee and the well operator, in person or by representative, shall consider the objections and seek agreement on the character and the extent of operations to be conducted within less than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well. If no agreement can be reached, the department, after administrative hearing conducted in accordance with KRS Chapter 13B, shall make a decision defining what coal, if any, is necessary to be left for the safe protection, use, and operation of the well. The department's decision shall be subject to appeal by either party as provided in this chapter. The department shall keep a complete record of all hearings. The mine licensee shall, every six (6) months, while mining within two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well, file up-to-date maps and plans required by this section, or file new maps and plans complete to date.

(8) The department may deny the issuance of a permit if it determines that the applicant has a documented pattern or practice of substantial violations of the provisions of this chapter and has failed to abate or seek review of the violations. If the department finds that a substantial violation has occurred with respect to existing operations and that the operator has failed to abate or seek review of the violation in the time prescribed, the department may suspend the permit. After a suspension, the operator shall forthwith cease all work being conducted under the permit until the department reinstates the permit. The department shall make a written finding of its determination and may enforce the determination in Circuit Court pursuant to Section 29 of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) When two (2) or more separately owned tracts, or portions thereof, are embraced within a drilling unit, or when there are separately owned interests in all or part of any such drilling unit, the operators or owners of coalbed methane owning the interests may pool their interests for the development and operation of the drilling unit by voluntary agreement. These agreements may be based on the exercise of pooling rights or rights to establish units which are granted in any gas or oil lease, coal lease, coalbed methane lease, or similar instrument.

(2) No voluntary pooling agreement between or among coalbed methane operators or owners shall be held to violate the statutory or common law of the Commonwealth which prohibits monopolies or acts, arrangements, contracts, combinations, or conspiracies in restraint of trade or commerce.

SECTION 10. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) If any coal interest holder has objected to the proposed stimulation pursuant to subsection (1) of Section 4 of this Act, no permit shall be issued to stimulate a coalbed methane well unless the applicant has obtained and filed with the department an agreement between the coal interest holders of any workable coalbed within five hundred (500) horizontal feet of the proposed coalbed methane well to be stimulated and within the five hundred (500) foot horizontal radius and feet fifty (50) vertical feet above or below the workable coalbed proposed to be stimulated.

(2) The requirement for an agreement to stimulate in this section shall not be construed to impair, abridge, or affect any contractual rights or obligations arising out of a contract, lease, deed, or similar agreement which provides for the development of coalbed methane and stimulation of workable coalbeds between the applicant and the coal interest holder. The existence of any such contract, lease, deed, or similar document shall constitute a waiver of the requirement to file an agreement to stimulate with the department.

(3) An agreement to stimulate shall provide:

(a) That the coal interest holder has been provided with a copy of the permit application to drill a coalbed methane well and a copy of all plats and documents which may accompany the application; and

(b) That the coal interest holder agrees to the stimulation of the workable coalbed as described in the application.

(4) Subject to subsection (5) of Section 4 of this Act, in the absence of the applicant submitting the agreement to stimulate

as described herein, the applicant may submit a request for a hearing before the review board accompanied by an affidavit, or verified statement, which shall include the following:

(a) A statement that the coal interest holder has refused to sign a written agreement to stimulate the workable coalbed;

(b) A statement detailing the efforts undertaken to obtain the signed agreement to stimulate; and

(c) A statement that the proposed method of stimulation does not involve the use of explosives and will not have a significant adverse affect on the mineability of the workable coalbed, or impair mine safety.

(5) The failure to obtain an agreement to stimulate shall in no way create an inference or presumption that the method of stimulation proposed by the applicant will harm the workable coalbed.

(6) Upon receipt of a request for a hearing and an affidavit, or verified statement, as set forth in this section, the department shall forward the application to the review board to consider the proposed stimulation, or if other objections or requests are filed requiring a hearing before the review board, the request may be included for consideration by the review board along with other matters related to the permit application.

(7) Any well operator that stimulates a workable coalbed without an agreement to stimulate from the coal interest holder shall be liable in tort without proof of negligence for any damages proximately caused by the stimulation to the workable coalbed, or any other workable coalbed within five hundred (500) horizontal feet of the coalbed methane well stimulated or within the five hundred (500) foot horizontal radius and fifty (50) vertical feet above or below the workable coalbed stimulated and for damages to any mining equipment proximately caused by the stimulation. The well operator shall be liable for injury, death, or damage to property proximately caused by the stimulation.

All determinations of the review board shall be by majority vote of the quorum present. The commissioner, or his or her designee within the department, shall be the chairman of the review board. The review board shall hold a regular monthly meeting. Notice of all meetings of the review board shall be given to each member by the chairman at least ten (10) days in advance of each meeting, unless otherwise agreed by the members.

(4) The review board may:

(a) Take evidence and issue orders concerning the permitting of a coalbed methane well, its location, stimulation, and the completion pursuant to Section 3 of this Act; issue pooling orders in accordance with subsection (1) of Section 16 of this Act; issue orders regarding the establishment or modification of drilling units for coalbed methane wells, field rules relating to the drilling, completion, and production of coalbed methane wells; and requests for the unitization of coalbed methane wells, pools, and fields;

(b) Promulgate and enforce administrative regulations and rules necessary to govern the practice and procedure

before the review board;

(c) Make relevant investigations of records and facilities as it deems proper in connection with ruling on any objections to a proposed coalbed methane well, its location, the proposed stimulation, or the proposed completion; and

(d) Issue subpoenas for the attendance and sworn testimony from witnesses and subpoenas duces tecum for the production of any books, records, maps, charts, diagrams, electronic data, and other pertinent documents or data in the review board's own name or at the request of any party.

SECTION 13. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) The department shall notify the review board of the objection, request, or appeal as set forth in subsection (1) of Section 12 of this Act and schedule a time and place for a hearing.

(2) Notice of the hearing shall be given not less than fifteen (15) days in advance of the hearing to the applicant, surface owners, and all other parties as required under Section 4, 14, or 17 of this Act, as applicable. The hearing of the review board shall be held within thirty (30) days after the filing of the objection, request or appeals or as soon thereafter as the review board can be assembled.

(3) All proceedings before the review board shall be conducted in accordance with KRS Chapter 13B.

(4) With respect to any objection filed pursuant to Section 3 of this Act concerning the proposed coalbed methane well, or its location, stimulation or completion, appeals arising under subsection (5) of Section 4 of this Act, or requests for a hearing arising under this chapter, the review board shall make a determination as to whether a permit shall be issued by the department and any conditions to be included within the permit, which determination and order shall be consistent with the intent and purposes of KRS Chapters 350 and 352 and this chapter, taking into consideration the following factors that it considers applicable in the particular proceeding:

(a) The declaration of public policy and legislative findings as set forth in this chapter;

(b) Whether the proposed coalbed methane well can be drilled safely, taking into consideration the dangers from creeps, squeezes or other disturbances due to the extraction of coal;

(c) The feasibility of moving the proposed drilling location to another location;

(d) Whether any stimulation of the workable coalbed will have a significant adverse affect on the mineability of that workable coalbed or any other workable coalbeds within five hundred (500) of the proposed coalbed methane well to be stimulated or within the five hundred (500) foot horizontal radius and fifty (50) vertical feet above or below the workable coalbed proposed to be stimulated or impair mine safety;

(e) Whether the drilling location is above or in close proximity to any mine opening, shaft, entry, travelway, airway, haulageway, drainageway or passageway, or to any proposed extension thereof, any abandoned, operating coal mine or any coal mine already surveyed and platted but not yet being operated;

(f) Whether the proposed drilling can reasonably be done through an existing or planned pillar of coal, or in close proximity to an existing or planned pillar of coal, taking into consideration the surface topography;

(g) The extent to which the proposed drilling location interferes with the safe recovery of coal or coalbed methane;

(h) The extent to which the proposed drilling location will unreasonably interfere with present or future coal mining operations;

(i) The technology and methods proposed for the safe and efficient recovery of coal and coalbed methane;

(j) The practicality of locating the coalbed methane well out of a uniform pattern with other wells;

(k) The surface topography and use; and

(l) Any other factor the review board determines would be considered consistent with KRS Chapters 350 and 352 and this chapter.

(5) Upon consideration of the matters raised at the hearing, the review board shall render a decision based upon the ability to mine any affected workable coalbed safely and the protection of any workable coalbed for safe future mining, shall enter a written order containing findings of fact and conclusions which address any relevant considerations in subsection (4) of this section, and based thereon shall issue and file with the department a written order directing it to:

(a) Refuse to issue a coalbed methane well permit;

(b) Issue a permit for the proposed coalbed methane well location and any conditions to be included within the permit;

(c) Issue a coalbed methane well permit and any conditions to be included within the permit for an alternate drilling location different from that requested by the applicant; or

(d) Issue a permit authorizing the applicant to stimulate the coalbed methane well in the absence of an agreement of the affected coal interest holders as described in subsection (1) of Section 9 of this Act, as proposed or as modified by the order of the review board.

(6) With respect to any request for a hearing pursuant to Section 5 of this Act by a coalbed interest holder, or any record oil or gas lessor or lessee of any tract being penetrated by a coalbed methane well, to determine whether the well has

been abandoned and should be plugged in accordance with this chapter, the review board shall make a determination as to whether the coalbed methane well should be plugged, which determination and order shall be consistent with the intent and purposes of KRS Chapters 350 and 352 and this chapter, taking into consideration the following factors that it considers applicable in the particular proceeding:

(a) Whether the coalbed methane well has ceased to produce in paying quantities, and no dewatering operations are being conducted, for a period of fifteen (15) consecutive months;

(b) Whether the coalbed methane well is being temporarily shut in by the coalbed methane well operator; and

(c) Any other factor the review board determines should be considered consistent with this section.

(7) Upon consideration of the matters raised at the hearing, the review board shall render a decision based upon whether the coalbed methane well has been abandoned and should be plugged in accordance with this chapter; shall enter a written order containing findings of fact and conclusions which address any relevant consideration in subsection (6) of this section based thereon; and shall issue and file with the department a written order directing the department to:

(a) Require the coalbed methane well operator to plug and abandon the well;

(b) Allow the coalbed methane well operator to continue to operate and produce the well; or

(c) Allow the coalbed methane well operator to continue to shut in the coalbed methane well on a temporary basis.

(8) Upon receipt of the review board order, the department shall promptly undertake the action directed by the review board, provided that all other provisions of this chapter have been complied with.

SECTION 14. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) In order to prevent the waste of coalbed methane or to protect the correlative rights of the owners of coalbed methane, the review board on its own motion or upon application of an operator of a coalbed methane well or owner of coalbed methane shall have the power to establish or modify drilling units, establish or modify field rules, or unitize coalbed methane wells, pools or fields. Drilling units, to the extent reasonably possible, shall be of uniform shape and size for an entire pool or field. Any operator of a coalbed methane well or owner of coalbed methane may apply to the review board for the creation or modification of drilling units, the establishment or modification of field rules for a pool or field, and the unitization of any coalbed methane wells, pools, or fields.

(2) With respect to any request for the creation or modification of drilling units, establishment or modification of field rules for the pool or field, and the unitization of any coalbed methane wells, pools, or fields, the review board shall grant or deny the request and issue an order consistent with the intent and purposes of KRS Chapters 350 and 352 and this chapter, taking into consideration the following factors that it considers applicable in the particular proceedings:

(a) The area which may be drained efficiently and economically by the proposed coalbed methane well or wells and the spacing requirements of Section 15 of this Act;

(b) The plan of development for the coal, that drilling units conform to mine development plans, and the need for proper ventilation of any mines or degasification of any affected coal seams;

(c) The nature and character of any coal seam or seams which will be affected by the coalbed methane well or wells;

(d) The surface topography and mineral boundaries of the lands underlaid by the coal seams to be included in the unit;

(e) Evidence relevant to the proper boundary of the drilling unit;

(f) The nature and extent of ownership of each coalbed methane owner or claimant and whether conflicting claims exist;

(g) Whether the applicant for the drilling unit proposes to be the operator of the coalbed methane well within the drilling unit; and if so, whether the applicant has a lease or other agreement from the owners or claimants of a majority interest in the proposed drilling unit;

(h) Whether a disagreement exists among the coalbed methane owners or claimants over the designation of the operator for any coalbed methane well within the drilling unit; and if so, relevant evidence to determine which operator can properly and efficiently develop the coalbed methane within the drilling unit for the benefit of the majority of the coalbed methane owners;

(i) If more than one person is interested in operating a coalbed methane well within the drilling unit, the estimated cost of submitting by each such person for drilling, completing, operating and marketing the coalbed methane from any proposed coalbed methane well or wells;

(j) Any other available geological or scientific data pertaining to the pool which is proposed to be developed;

(k) The correlative rights of the operators and owners of coalbed methane, so that each operator and owner may obtain his or her just and equitable share of production from the coalbed methane; and

(l) Any other factor the review board determines should be considered consistent with KRS Chapters 350 and 352, and this chapter.

(3) Upon consideration of the matters raised at the hearing, the review board shall render a decision based upon whether

to establish or modify a drilling unit, establish or modify field rules or establish or modify the unitization of coalbed methane wells, pools or fields. The review board shall enter a written order containing findings of fact and conclusions which address any relevant considerations in subsection (2) of this section and based thereon shall issue and file with the department a written order:

(a) Establishing or modifying a drilling unit, field rules or unitizing coalbed methane wells, pools or fields;

(b) Refusing to establish or modify a drilling unit, field rules or unitization of coalbed methane wells, pools or fields; or

(c) Attaching certain conditions to the establishment or modification of a drilling unit, field rules, or unitization of coalbed methane wells, pools or fields.

(4) In establishing or modifying a drilling unit for coalbed methane wells, and in order to accommodate the unique characteristics of coalbed methane development, the review board may require that drilling units conform to the mine development plan, if any. If requested by the coal interest holder, well locations and spacing shall correspond with mine operations, including the drilling of multiple coalbed methane wells on the same surface location of each drilling unit.

(5) If an order to establish or modify a drilling unit, field rules or unitization of coalbed methane wells, pools or fields will allow a coalbed methane well to be drilled into or through a workable coalbed, any coal interest holder and any record oil and gas lessor and lessee within the area to be covered by the drilling unit, field rules or unitization of coalbed methane wells, pools or fields may object to the establishment or modification of the drilling unit, field rules or unitization of coalbed methane wells, pools or fields.

(6) The review board may continue a hearing to allow for further investigation and the gathering and taking of additional data and evidence. If at any time during a hearing there is not sufficient evidence for the review board to determine field boundaries, or drilling unit size or shape, the review board may enter a temporary order establishing provisional drilling units, and field boundaries for the orderly development of the pool or field, pending receipt of the information necessary to determine the ultimate pool or field boundaries, and spacing of wells for the pool or field. Upon additional findings of fact, the boundaries of a pool or field and drilling units for the pool or field may be modified by the review board.

(7) Unless otherwise provided for by the review board, after an application for a hearing to establish or modify drilling units or pool boundaries has been filed, no additional wells shall be permitted in the pool or field until the review board's order establishing or modifying the pool or field or unit has been entered.

(8) After the review board issues a field or pool spacing order which creates drilling units or a pattern of drilling units for a pool or field, should an operator or owner of coalbed methane apply for a permit or otherwise indicate a desire to drill a coalbed methane well outside of such drilling units or pattern of drilling units and thereby potentially extend the pool or field, the review board may, on its own motion or the motion of any interested person, require that the coalbed methane well be located and drilled in compliance with the provisions of the order affecting the pool or field.

SECTION 15. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

Except as provided in Section 14 of this Act, or pursuant to voluntary pooling, no permit shall be issued for a coalbed methane well unless the proposed location of a vertical well shall be at least seven hundred fifty (750) feet horizontally from the nearest mineral boundary upon which the well is to be drilled and the proposed location shall be at least one thousand five hundred (1,500) feet horizontally from the nearest coalbed methane well, unless the department orders that a different spacing distance shall apply. Spacing distances for coalbed methane horizontal wells shall be separately established by the department pursuant to this subchapter.

SECTION 16. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Whenever an applicant proposes to drill, deepen, convert, or reopen a well for purposes of production of coalbed methane and the ownership of the right to produce coalbed methane is in dispute, the department shall refer the application to the review board for its consideration and the issuance of appropriate pooling orders, if any, in accordance with Section 17 of this Act. Upon the issuance of a pooling order by the review board, and if all other provisions of this chapter are complied with the department shall issue a permit to drill, deepen, convert, or reopen the well and require the development and operation of all pooled tracts and interests as a single leasehold estate in accordance with the pooling order.

(2) No pooling as permitted by this section shall be ordered except:

(a) When an application has been filed to drill, deepen, or reopen a well within the distance limitations prescribed in Section 15 of this Act; or

(b) A request for pooling has been made pursuant to this section or Section 17 of this Act.

(3) No pooling, as permitted by this section, shall be ordered with respect to any tract or portion thereof upon which a well is drilled, deepened, or converted or reopened:

(a) Unless the pooling was requested prior to the commencement of the drilling, deepening, converting, or reopening of the coalbed methane well; and

(b) Unless the request, if made by the owner of an operating interest who elects to participate in the risk and cost of

the drilling, deepening, converting, or reopening of the coalbed methane well, is accompanied by a bond or other security satisfactory to and in an amount set by the review board for the payment of such owner's share of the cost of drilling, deepening, converting, or reopening the well.

(4) Production from any well which is ordered pooled pursuant to this section shall be deemed for all purposes to have been so produced from each tract or portion thereof included in the pool in proportion to the amounts established in the pooling order.

SECTION 17. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) The person requesting a pooling order shall provide to the department a list of all persons reasonably known to own an oil or gas interest and all coal interest holders, in any tract upon which the coalbed methane well will be located from the surface to a depth of one hundred (100) feet below the base of the deepest coal seam to be penetrated. A pooling order shall be made only after the department provides notice to all persons reasonably known to own an oil or gas interest and all coal interest holders in any tract upon which the well will be located and any tract or portion thereof proposed to be pooled in any drilling unit, from the surface to a depth of one hundred (100) feet below the base of the deepest coal seam to be penetrated, after a hearing has been held. After filing an application for a pooling order under subsection (1) of Section 16 of this Act, where unknown or nonlocatable owners exist, or at the request of the permit applicant or person requesting a pooling order, the permit applicant shall publish, at least twenty (20) days prior to the hearing on the application for the pooling order, one (1) notice in the newspaper of the largest circulation in each county in which any tract, or portion thereof, proposed to be pooled is located. The notice shall:

(a) State that an application for a pooling order is being filed with the review board;

(b) Describe any tract, or portion thereof, proposed to be pooled;

(c) In the case of an unknown owner, identify the name of the last known owner;

(d) In the case of a nonlocatable owner, identify the owner and the owner's last known address; and

(e) State that any party claiming an interest in any tract, or portion thereof, proposed to be pooled should contact the permit applicant at the published address and provide a copy of the notification to the review board within twenty (20) days of the date of the publication.

(2) The review board shall grant or deny the request for a pooling order and issue an order consistent with the intent and purposes of KRS Chapters 350 and 352 and this chapter, taking into consideration the following factors that it considers applicable in the particular proceeding:

(a) The area which may be drained efficiently and economically by the proposed coalbed methane well or wells and the spacing requirements of Section 15 of this Act;

(b) The plan of development of the coal and the need for proper ventilation of any mines or degasification of any affected coal seams;

(c) The nature and character of any coal seam or seams which will be affected by the proposed coalbed methane well or wells;

(d) The surface topography and mineral boundaries of the lands underlaid by the coal seams to be included in the unit;

(e) Evidence relevant to the proper boundary of the drilling unit;

(f) The nature and extent of ownership of each coalbed methane owner or claimant and whether conflicting claims exist;

(g) Whether the applicant for the drilling unit proposes to be the operator of the coalbed methane well or wells within the drilling unit; and if so, whether the applicant has a lease or other agreement from the owners or claimants of a majority interest in the proposed drilling unit;

(h) Whether a disagreement exists among the coalbed methane owners or claimants over the designation of the operator for any coalbed methane wells within the unit, and if so, relevant evidence to determine which operator can properly and efficiently develop the coalbed methane within the unit for the benefit of the majority of the coalbed methane owners;

(i) If more than one person is interested in operating a coalbed methane well within the unit, the estimated cost submitted by each such person for drilling, completing, operating, and marketing the coalbed methane from any proposed coalbed methane well or wells;

(j) Any other available geological or scientific data pertaining to the pool which is proposed to be developed;

(k) The correlative rights of the operators and owners of the coalbed methane, so that each operator and owner may obtain his or her just and equitable share of production from the coalbed methane; and

(l) Any other factor the review board determines should be considered consistent with KRS Chapters 350 and 352 and this chapter.

(3) Upon consideration of the matters raised at the hearing, the review board shall render a decision based upon whether to grant a pooling order, and shall enter a written order containing findings of fact and conclusions which address any relevant considerations in subsection (2) of this section and based thereon shall issue and file with the department a

written order granting the pooling order with any applicable conditions or denying the pooling order.

(4) A pooling order shall authorize the drilling, deepening, or reopening, and the operation of a well for the production of coalbed methane on the tracts or portions thereof pooled; shall designate the operator to drill and operate the well; shall prescribe the time and manner in which all owners of working interests in the pooled tracts or portions thereof may elect to participate therein; shall provide that all reasonable costs and expenses of drilling, deepening, converting or reopening, and the completing, operating, plugging, and abandoning the well shall be borne, and all production from the well shall be shared, by all owners of working interests in proportion to the net mineral acres in the pooled tracts owned or under lease to each owner; and shall make provision for the payment of the reasonable and actual cost thereof, including a reasonable charge for supervision, by all those who elect to participate therein.

(5) A pooling order shall establish a procedure for the owner who claims a working interest and who does not decide to become a participating working interest owner to elect to either:

- *(a) Surrender, by means of sale or lease, the interest to a participating working interest owner on a reasonable basis and for a reasonable consideration, which if not agreed upon shall be one-eighth (1/8) of the production attributable to the well; or*
- *(b) Share in the operation of the well as a nonparticipating working interest owner on a carried basis after the proceeds allocable to his or her share equal to two hundred percent (200%) of the share of the costs allocable to his or her interest.*

(6) A coalbed methane owner or claimant whose identity and location remain unknown at the conclusion of the hearing concerning the entry of a pooling order for which public notice was given and whose interest is pooled pursuant to subsection (1) of Section 16 of this Act shall be deemed to have elected to lease the interest to the coalbed methane operator, exclusive of one-eighth (1/8) of the production attributable to the unleased interest, and shall not be entitled to make the election established in subsection (5) of this section.

(7) Except as provided in this section, a coalbed methane owner who does not make an election under the pooling order within thirty (30) days of the entry of the order shall be deemed to have leased the coalbed methane interest to the coalbed methane well operator in the manner established in subsection (6) of this section.

(8) A person whose interest is subject to a coalbed methane lease or other agreement which grants to another the right to operate or conduct operations shall not own an operating interest for the purposes of this section.

(9) A certified copy of any pooling order entered under this section shall be entitled to be recorded in the office of the county clerk of the county or counties in which all or any portion of the pooled tract is located, and the record of the order, from the time of lodging the order for record, shall be notice of the order to all persons.

(10) Each pooling order for a coalbed methane well issued pursuant to subsection (1) of Section 16 of this Act shall provide for the establishment of an interest-bearing escrow account to be maintained by the department. The escrow account shall receive deposits and hold payment for costs and proceeds attributable to the conflicting interests as follows:

- *(a) Each participating working interest owner, except for the unit operator, shall deposit in the escrow account the owner's proportionate share of the costs allocable to the ownership interest claimed by each participating working interest owner as set forth in the pooling order; and*
- *(b) The unit operator shall collect all proceeds from the sale or use of coalbed methane and deposit in the escrow account all proceeds attributable to the conflicting interests of lessors, lessees, or royalty owners and all proceeds in excess of the recovery of all capital costs and expenses and all ongoing operational expenses including reasonable overhead costs and operating fees attributable to conflicting working interests.*

(11) The department shall order payment of principal and accrued interest from the escrow account to all legally entitled entities within thirty (30) days of receipt by the department of notification of the final legal determination of entitlement or upon agreement of all entities claiming an ownership interest in the coalbed methane. Upon the department's final determination:

- *(a) Each legally entitled participating working interest owner shall receive a proportionate share of the proceeds attributable to the conflicting ownership interest;*
- *(b) Each legally entitled nonparticipating working interest owner shall receive a proportionate share of the proceeds attributable to the conflicting ownership interest, less the cost of being carried as a nonparticipating working interest owner as determined by the election of the person under the applicable pooling order;*
- *(c) Each person leasing or deemed to have leased its coalbed methane ownership interest to the unit operator shall receive a share of the royalty proceeds as set out in the applicable pooling order attributable to the conflicting interests of the lessees;*
- *(d) The unit operator shall receive the costs contributed to the escrow account by each legally entitled participating working interest owner, but only to the extent that the costs and expenses described in subsection (10)(b) of this section have not been recouped from production proceeds;*
- *(e) Each participating working interest owner who is determined not to hold an ownership interest shall receive a refund of all amounts placed in escrow pursuant to subsection (10)(a) of this section plus interest earned thereon; and*

(f) All amounts remaining in escrow, after distribution of amounts described in paragraphs (a), (b), (c), (d), and (e) of this subsection, shall be distributed to the legally entitled participating working interest owners in proportion to their interests.

SECTION 18. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Any person aggrieved by any order issued by the review board under this chapter shall have the right to bring a civil action for review of the order by filing a complaint in the Circuit Court of the county in which the premises or any portion thereof is located as established by the order, or in Franklin Circuit Court.

(2) The civil action shall be brought within thirty (30) days after the order is issued, and in the event no civil action is filed within the thirty (30) day period, the order shall be final.

(3) In any civil action the burden of proof shall be upon the party challenging the order. The order shall be deemed prima facie valid. Any party to the civil action may offer evidence for any part of the record of the hearing which resulted in the order, and any other relevant evidence.

(4) In any civil action no new evidence may be introduced, except as to fraud or misconduct of some person engaged in the hearing before the review board. New evidence may be introduced if, upon motion and for good cause shown, the court determines that the interest of justice will be better served by the introduction of new evidence. The court, sitting without a jury, shall hear the cause upon the record before it. The court shall dispose of the civil action in a summary manner, being limited to determining whether or not: the review board acted without or in excess of its powers; the order was procured by fraud; the order is not in conformity with the provisions of this chapter; the order is clearly erroneous on the basis of reliable, probative, and material evidence contained in the whole record; the order is arbitrary, capricious, characterized by abuse of discretion, or clearly unwarranted exercise of discretion. The court shall enter its findings in the order book as a judgment of the court, and the judgment shall have the effect and be enforceable the same as any other judgment of the court in civil cases.

(5) The practice, pleading, and proceedings in the civil action shall be in accordance with the Rules of Civil Procedure.

(6) During the pendency of the civil action, the court may stay the order until it shall enter its decree. The court shall have jurisdiction to enter a decree affirming or setting aside the order, or remand the cause with directions to modify the order to conform to the provisions of this chapter. Appeals may be taken by any party to the suit in the same manner and to the same extent as in other civil actions.

SECTION 19. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) A coalbed methane well penetrating one (1) or more workable coalbeds shall be drilled in a manner that will exclude, if practicable, all coalbed methane or coalbed methane pressure from the workable coalbed, except as is found in the workable coalbed itself. Each string of casing that is run through a workable coalbed shall be seated at least thirty (30) feet below the workable coalbed in twenty (20) feet of cement, mud, clay, or other nonporous material that will make an effective seal. If a second workable coalbed is found less than thirty (30) feet below the first workable coalbed, the casing shall be seated and mudded off as above provided at least thirty (30) feet below the second workable coalbed. If gas is found between the two (2) workable coalbeds, it shall be treated as prescribed by this chapter. After any such string of casing has been properly seated, drilling may proceed immediately.

(2) When a coalbed methane well is drilled through the horizon of a workable coalbed where the coal has been removed, the hole shall be drilled at least thirty (30) feet below the workable coalbed, and shall be of a size sufficient to permit the placing of a liner, which shall start not less than twenty (20) feet beneath the horizon of the workable coalbed and extend not less than twenty (20) feet above it. The largest sized casing to be used in the well shall be centrally placed within this liner. The liner may be welded to the casing to be used, and the space between the liner and the casing shall be filled with cement as the liner and casing are lowered into the hole. Cement shall be placed in the bottom of the hole to a depth of twenty (20) feet to form a sealed seat for both liner and casing. Following the setting of the liner, drilling may proceed. If it is necessary to drill through the horizon of two (2) or more workable coalbeds where the coal has been removed, the liner shall be started not less than twenty (20) feet below the lowest horizon penetrated and shall extend to a point not less than twenty (20) feet above the highest horizon penetrated.

SECTION 20. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

If any coalbed methane well produces coalbed methane, all coal-protecting strings of casing shall remain in place during the life of the well. The top ends of all the strings shall be provided with casing heads or other suitable devices that will allow the free passage of coalbed methane and prevent filling the annular spaces outside the casing with dirt or debris.

SECTION 21. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) No person shall abandon or remove casings from any coalbed methane well, either dry or producing, without first plugging the well in a secure manner approved by the department and consistent with administrative regulations. Upon the department's plugging of an abandoned coalbed methane well in accordance with the requirements of this subsection, the department may sell all equipment removed from that well by sealed bid, or may include the equipment as part of compensation in the contract for the plugging of the well. Proceeds from the sale shall be deposited into the coalbed methane well plugging fund, established in subsection (3) of Section 24 of this Act.

(2) Not less than thirty (30) days before advertising for bids for the plugging of coalbed methane wells, the department

shall publish, in a newspaper of general circulation, and in locally published newspapers serving the areas in which the wells proposed for plugging are located, notices of all wells on which there is salvageable equipment, described as to farm name, Carter Coordinate, and state plane coordinate location, for which the department intends to seek bids for plugging. If a person other than the operator claims an interest in the equipment of a well proposed for plugging, the person shall provide documentation of that interest to the department within thirty (30) days of the date of publication of the notice of the department's intent to plug a well. Prior to the department's advertising of bids for the plugging of a well, the department shall release the well's equipment to the person deemed to have an interest in that equipment. It shall be the duty of the interest holder to remove the equipment before the well is plugged. If documentation as to an asserted interest is not provided to the department in the manner described in this subsection or if a person deemed to be an interest holder fails to remove the equipment before a well is plugged, the department may sell or otherwise dispose of the equipment in accordance with this section.

(3) If a person fails to comply with subsection (1) of this section, any person lawfully in possession of land adjacent to the coalbed methane well or the department may enter on the land upon which the well is located and plug the well in the manner provided in subsection (1) of this section, and may maintain a civil action against the owner or person abandoning the well, jointly or severally, to recover the cost of plugging the well. This subsection shall not apply to persons owning the land on which the well is situated, and drilled by other persons.

(4) In conjunction with the plugging and abandonment of any coalbed methane well or the reworking of any coalbed methane well, the operator shall restore the surface and any improvements thereon to a condition as near as practicable to their condition prior to commencement of work. The surface owner and operator may waive this requirement in writing, subject to the approval of the department that the waiver is in accordance with its administrative regulations.

SECTION 22. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) The department shall exercise supervision over the drilling, casing, plugging, and filling of all coalbed methane wells. The department shall exercise supervision over all mining operations in close proximity to any well. The department shall have access to the records and properties of coal, oil, gas and coalbed methane operators when necessary.

(2) The department may receive, or may file on its own motion, formal complaints that drilling or mining operations are being conducted contrary to the provisions of this chapter or to the order of the department or review board, and shall hold administrative hearings on the complaints, in accordance with KRS Chapter 13B. Following a hearing, the department shall issue a final order necessary to secure the proper administration of this chapter.

SECTION 23. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) The department is hereby authorized to adopt all rules, administrative regulations, and amendments to implement the provisions of this chapter. All rules, administrative regulations, and amendments promulgated under this chapter shall be promulgated by the department after notice and a hearing. At all hearings held to consider any rules, administrative regulations, or amendments thereto, any interested person shall be entitled to be heard.

(2) All hearings shall be held at a time and place as is specified by the department according to rules and regulations promulgated under this chapter. A written record of each hearing shall be kept; however, if not at variance with KRS 61.870 to 61.884, the keeping of a record may be waived by all parties who participate therein. All interested persons shall be entitled to be heard at all hearings conducted under this chapter.

(3) Operators shall submit annual production information for each coalbed methane well on a form prescribed by the department.

SECTION 24. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) When any person submits to the department an application for a permit to drill a coalbed methane well, or to reopen, deepen, or temporarily abandon any coalbed methane well which is not covered by a surety bond, the department shall, except as provided in this section, require from the well operator a bond in the sum of five thousand dollars ($5,000). The bonds shall be made in favor of the Department of Natural Resources, conditioned that the wells upon abandonment shall be plugged in accordance with the administrative regulations and that all records required by the department be filed as specified. All bonds shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of the bond may file with the department a blanket bond in a sum of one hundred thousand dollars ($100,000), covering all coalbed methane wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of the blanket bond shall be in full compliance with the above provision requiring an individual well bond. The department may establish a bond in a sum greater than five thousand dollars ($5,000) for an individual well or blanket bond in sum greater than one hundred thousand dollars ($100,000) if the department determines that the particular circumstances of the drilling of the well or wells warrant an increase in the bond amount. A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars ($5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars ($5,000). The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond,

by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the coalbed methane well plugging fund, created in subsection (3) of this section, to be used in accordance with the purposes described therein.

(2) A successor to the well operator shall post bond, pay a twenty-five dollar ($25) fee per well to the department, and notify the department in writing in advance of commencing use or operations of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.

(3) All sums received through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the coalbed methane well plugging fund, which shall be in an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned coalbed methane wells coming within the authority of the department pursuant to this chapter. The plugging of any coalbed methane wells pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

SECTION 25. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Any person to whom a permit is issued pursuant to this chapter shall file, within ninety (90) days after termination of operations conducted under the permit, with the department for transmittal to the Kentucky Geological Survey on forms to be furnished by the department the following information relating to the well:

(a) A copy of the driller's log certified to be true and accurate;

(b) The depth and thickness of all water zones encountered and logged;

(c) The depth of all showing of oil, gas, or coalbed methane;

(d) The depth and thickness of all coal seams encountered; and

(e) A true copy of all electrical surveys and similar logs and surveys taken. If the person to whom the permit is issued obtains a copy of the electrical survey or similar log or survey in electronic form, the operator shall submit the electrical survey or similar log in electronic form if requested by the department.

(2) Upon request by the department, any person to whom a permit is issued shall save for the Kentucky Geological Survey samples of all cuttings from the well drilled or deepened pursuant to the permit for a period of ninety (90) days after completion thereof.

(3) Upon request by any person furnishing information under this section, the information shall be kept confidential, for a period of one (1) year after the information is furnished by such person.

(4) This section shall not apply to wells drilled or deepened as geological or structure test holes.

SECTION 26. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) In all cases in which there has been a complete severance of the ownership of the coalbed methane from the ownership of the surface to be disturbed, the applicant for a coalbed methane well permit shall comply with all of the substantive requirements of KRS 353.5901 and 353.595.

(2) In all cases other than a complete severance of the ownership of coalbed methane from the ownership of the surface to be disturbed, the applicant for a coalbed methane well shall submit to the department an operations and reclamation proposal at the time of filing an application for a permit to drill, deepen, or reopen a coalbed methane well. The proposal shall be filed on forms provided by the department and shall include:

(a) A proposal to prevent erosion of and sedimentation from the well site and all disturbed areas, including roads;

(b) A narrative description of the location of all areas to be disturbed, including the location of roads, gathering lines, the well site, tanks, and other storage facilities, and any other information that may be required by the department. Accompanying this narrative description shall be a plat depicting the location on the land of all of these disturbances or facilities; and

(c) Any additional information that the department may require.

SECTION 27. A NEW SECTION OF KRS CHAPTER 349 IS CREATED TO READ AS FOLLOWS:

(1) Each coalbed methane well permit issued under this chapter shall expire one (1) year after the date issued, unless the drilling, deepening, or reopening of a coalbed methane well is commenced prior to the expiration of the one (1) year period. However, the permit term shall be extended by one (1) year if, prior to the expiration date, the permit applicant:

(a) Notifies the department in writing of the applicant's request for an extension;

Most widely-recognized for his Al-Top Jerseys which hail in both name and bloodline from his own icons of the Jersey breed, Generators Topsy and Greenridge FW Chief Althea-ET, Mr. Chaney is further recognized throughout the industry for his marketing initiatives for Al-Top exemplified by the Chaney Family's offering of a once in a lifetime opportunity in December 2001 with the Salute to Althea Production Sale at Silent Auction which hosted breeders from across the nation celebrating years of innovative and practical breeding. Inasmuch as James Chaney, also a longtime member and former director of the American Jersey Cattle Club, has made such immeasurable contributions to the field of Jersey breeding and has earned the highest respect and regard of his colleagues and peers by his professional achievements, he is congratulated upon receiving this most recent and well-deserved accolade and is extended best wishes for future prosperity and success. (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan

under which the member was receiving payments prior to reemployment.

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. If the member is eligible for retirement, the member's service and creditable compensation earned as a result of his or her reemployment shall be used in the calculation of benefits, except that the member's final compensation shall not be less than the final compensation last used in determining his or her retirement allowance. The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.

retirement system shall determine if the member is an independent contractor for purposes of retirement benefits.

(10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(11) (a) If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his retirement and the member shall repay to the retirement system all benefits received for the month.

(b) A retired member of the County Employees Retirement System who after initial retirement is hired by the county from which the member retired shall be considered to have been hired by the same employer.

(c) If an elected official resigns, begins receiving a retirement allowance, and is employed in an elected position required to participate in the same retirement system from which he or she is retired, within twelve (12) months of his or her resignation, the member's retirement shall be suspended. The member shall contribute to the member account established for him or her prior to retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined pursuant to subsection (4)(c) of this section. (b) ~~The job descriptions and statements of duties shall be filed with the retirement office.~~

(13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

(a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's termination.

(b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began.

(c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.

(d) Except as provided in subsection (7) of this section, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account.

(2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall be fixed by the Department for Local Government according to a salary schedule in accordance with Section 246 of the Kentucky Constitution. The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

(3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the Department for Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the Department for Local Government pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (14) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

Except as provided in subsection (19) of this section, any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account.

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(18) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(19) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure that allows carriers to submit bids that may vary by region for a given product offering as described in this subsection:

(a) The regional rating bid scenario shall not include a request for bid on a statewide option;

(b) The Personnel Cabinet shall divide the state into geographical regions which shall be the same as the partnership regions designated by the Department for Medicaid Services for purposes of the Kentucky Health Care Partnership Program established pursuant to 907 KAR 1:705;

(c) The request for proposal shall require a carrier's bid to include every county within the region or regions for which the bid is submitted and include but not be restricted to a preferred provider organization (PPO) option;

(d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the carrier all of the counties included in its bid within the region. If the Personnel Cabinet deems the bids submitted in accordance with this subsection to be in the best interests of state employees in a region, the cabinet may award the contract for that region to no more than two (2) carriers; and

(e) Nothing in this subsection shall prohibit the Personnel Cabinet from including other requirements or criteria in the request for proposal.

(5) The application for a permit, or renewal of a permit, to carry a concealed deadly weapon shall be obtained from the office of the sheriff in the county in which the person resides. (c) A statement that the applicant has been furnished a copy of this section and is knowledgeable about its provisions;

(d) A statement that the applicant has been furnished a copy of, has read, and understands KRS Chapter 503 as it pertains to the use of deadly force for self-defense in Kentucky; and

(e) A conspicuous warning that the application is executed under oath and that a materially false answer to any question, or the submission of any materially false document by the applicant, subjects the applicant to criminal prosecution under KRS 523.030.

(6) The applicant, if a resident of the Commonwealth, shall submit to the sheriff of the applicant's county of residence:

(a) A completed application as described in subsection (5) of this section;

(b) A recent color photograph of the applicant, as prescribed by administrative regulation; and

(b) Deny the application based solely on the grounds that the applicant fails to qualify under the criteria listed in subsection (2) or (3) of this section. If the Department of State Police denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within thirty (30) days, any additional documentation relating to the grounds of denial. Upon receiving any additional documentation, the Department of State Police shall reconsider its decision and inform the applicant within twenty (20) days of the result of the reconsideration. The applicant shall further be informed of the right to seek de novo review of the denial in the District Court of his place of residence within ninety (90) days from the date of the letter advising the applicant of the denial.

(8) The Department of State Police shall maintain an automated listing of licenseholders and pertinent information, and this information shall be available on-line, upon request, at all times to all Kentucky law enforcement agencies. Except as provided in this subsection, information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. Requests for information to be provided to any requester other than a bona fide law enforcement agency which has direct access to the Law Enforcement Information Network of Kentucky shall be made, in writing, directly to the commissioner of the Department of State Police, together with the fee required for the providing of the information. The Department of State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form only, a list of names of all holders in the Commonwealth of a license to carry a concealed deadly weapon. No identifying information other than the name shall be provided, and information for geographic areas or other subdivisions of any type from the list shall not be provided and shall be confidential. The fee to be charged shall be the same as for other public records provided by the Department of State Police. No request for lists of local or statewide permit holders shall be made to any state or local law enforcement agency, peace officer, or other agency of government other than the Department of State Police, and no state or local law enforcement agency, peace officer, or agency of government, other than the Department of State Police, shall provide any information not entitled to it by law. The names of all persons, other than law enforcement agencies and peace officers, requesting information under this section shall be a public record.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

(11) A license issued under this section shall be suspended or revoked if the licensee becomes ineligible to be issued a license under the criteria set forth in subsection (2)(a), (c), (d), (e), (f), or (h) of this section. When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. The licensee may renew his license on or before the expiration date by filing with the sheriff of his county of residence the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and the required renewal fee. The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6), and (7) of this section.

(13) ***Except as provided in Section 4 of this Act,*** no license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(b) Any detention facility, prison, or jail;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(f) Any elementary or secondary school facility without the consent of school authorities as provided in KRS 527.070, any child-caring facility as defined in KRS 199.011, any day-care center as defined in KRS 199.894, or any certified family child-care home as defined in KRS 199.8982, except however, any owner of a certified child-care home may carry a concealed firearm into the owner's residence used as a certified child-care home;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

(a) No concealed deadly weapon instructor trainer shall have his or her certification as a concealed deadly weapon instructor trainer reduced to that of instructor or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

(b) No concealed deadly weapon instructor shall have his or her certification as a concealed deadly weapon instructor license suspended or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

The department, upon the request of a firearms instructor trainer or certified firearms instructor, may permit a class to begin on less than fourteen (14) days' notice. The notice need not contain the names of the students. The notice may be made by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the application. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(d)[~~Each concealed deadly weapon instructor or instructor trainer who teaches a concealed deadly weapon applicant or concealed deadly weapon instructor class shall supply the Department of Criminal Justice Training with a class roster indicating which students enrolled but did not successfully complete the class, and which students enrolled and successfully completed the class which contains the name and address of each student, within five (5) working days of the completion of the class. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;~~

~~(e)~~] An instructor trainer who assists in the conduct of a concealed deadly weapon instructor class or concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her certification. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon instructor or concealed deadly weapon class;

(e)[~~(f)~~] An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. SB 247, AN ACT relating to metering of electricity.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 4 of this Act:

(1) "Eligible customer-generator" means a customer of a retail electric supplier who owns and operates an electric generating facility that is located on the customer's premises, for the primary purpose of supplying all or part of the customer's own electricity requirements.

(2) "Eligible electric generating facility" means an electric generating facility that:

- *(a) Is connected in parallel with the electric distribution system;*
- *(b) Generates electricity using solar energy; and*
- *(c) Has a rated capacity of not greater than fifteen (15) kilowatts.*

(3) "Kilowatt hour" means a measure of electricity defined as a unit of work of energy, measured as one (1) kilowatt of power expended for one (1) hour.

(4) "Net metering" means measuring the difference between the electricity supplied by the electric grid and the electricity generated by an eligible customer-generator that is fed back to the electric grid over a billing period.

SECTION 2. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) Each retail electric supplier shall make net metering available to any eligible customer-generator that the supplier currently serves or solicits for service. If the cumulative generating capacity of net metering systems reaches one tenth of one percent (0.1%) of a supplier's single hour peak load during the previous year, the obligation of the supplier to offer net metering to a new customer-generator may be limited by the commission.

(2) Each retail electric supplier serving a customer with eligible electric generating facilities shall use a standard kilowatt-hour meter capable of registering the flow of electricity in two (2) directions. Any additional meter, meters, or distribution upgrades needed to monitor the flow in each direction shall be installed at the customer-generator's expense. If additional meters are installed, the net metering calculation shall yield the same result as when a single meter is used.

(3) The amount of electricity billed to the eligible customer-generator using net metering shall be calculated by taking the difference between the electricity supplied by the retail electric supplier to the customer and the electricity generated and fed back by the customer. If time-of-day or time-of-use metering is used, the electricity fed back to the electric grid by the eligible customer-generator shall be net-metered and accounted for at the specific time it is fed back to the electric grid in accordance with the time-of-day or time-of-use billing agreement currently in place.

(4) Each net metering contract or tariff shall be identical, with respect to energy rates, rate structure, and monthly charges, to the contract or tariff to which the same customer would be assigned if the customer were not an eligible customer-generator.

(5) The following rules shall apply to the billing of net electricity:

- *(a) The net electricity produced or consumed during a billing period shall be read, recorded, and measured in accordance with metering practices prescribed by the commission;*
- *(b) If the electricity supplied by the retail electric supplier exceeds the electricity generated and fed back to the supplier during the billing period, the customer-generator shall be billed for the net electricity supplied in accordance with subsections (3) and (4) of this section;*
- *(c) If the electricity fed back to the retail electric supplier by the customer-generator exceeds the electricity supplied by the supplier during a billing period, the customer-generator shall be credited for the excess kilowatt hours in accordance with subsections (3) and (4) of this section. This electricity credit shall appear on the customer-generator's next bill;*

(d) If a customer-generator closes his account, no cash refund for residual generation-related credits shall be paid; and

(e) Excess electricity credits are not transferable between customers or locations.

(6) Electric generating systems and interconnecting equipment used by eligible customer-generators shall meet all applicable safety and power quality standards established by the National Electrical Code (NEC), Institute of Electrical and Electronics Engineers, and accredited testing laboratories such as Underwriters Laboratories.

(7) An eligible customer-generator installation is transferable to other persons or service locations upon notification to the retail electric supplier and verification that the installation is in compliance with the applicable safety and power quality standards in subsection (6) of this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) The commission shall have original jurisdiction over any dispute between a retail electric supplier and an eligible customer-generator, regarding net metering rates, service, standards, performance of contracts, and testing of net meters.

(2) No later than one hundred eighty (180) days from the effective date of this Act, each retail electric supplier shall file with the commission a net metering tariff that includes all terms and conditions of its net metering program, including interconnection standards meeting the requirements of subsection (6) of Section 2 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

Nothing in this Act shall apply to a United States corporate agency or instrumentality of the United States government, or a distributor of electric power primarily supplied by such a corporate agency or instrumentality of the United States government.

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. (6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse

or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(18) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(19) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure that allows carriers to submit bids that may vary by region for a given product offering as described in this subsection:

The Senate Committee Substitute to **HB 178** is as follows:

HB 178, AN ACT relating to student dropouts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.145 is amended to read as follows:

(1) The General Assembly hereby finds that:

   (a) Little progress has been made in reducing the state's student dropout rate;

   (b) The number of school dropouts in Kentucky is unacceptable;

   (c) The factors, such as lack of academic success, poor school attendance, lack of parental support and encouragement, low socioeconomic status, poor health, child abuse, drug and alcohol addictions, alienation from school and community, and other factors that are associated with an increased probability of students dropping out of school, occur long before the end of compulsory school age;

   (d) Students who drop out of school before graduation are less likely to have the basic capacities as defined in KRS 158.645 and the skills as defined in KRS 158.6451;

   (e) The number of school dropouts seriously interferes with Kentucky's ability to develop and maintain a well-educated and highly trained workforce;

   (f) The effects of students dropping out of school can be felt throughout all levels of society and generations in increased unemployment and underemployment, reduced personal and family incomes, increased crime, decreased educational, social, emotional, and physical well-being, and in increased needs for government services; and

   (g) The positive reduction in school dropouts can only be achieved by comprehensive intervention and prevention strategies.

(2) The General Assembly declares on behalf of the people of the Commonwealth the following goals to be achieved by the year 2006:

   (a) The statewide annual average school dropout rate will be cut by fifty percent (50%) of what it was in the year 2000*. All students who drop out of a school during a school year and all students who have not graduated, fail to enroll in the school for the following school year, and do not transfer to another school, shall be included in the statewide annual average school dropout rate, except as provided in subsection (1)(b) of Section 2 of this Act*;

   (b) No school will have an annual dropout rate that exceeds five percent (5%); and

   (c) Each county will have thirty percent (30%) fewer adults between the ages of sixteen (16) and twenty-four (24) without a high school diploma or GED than the county had in the year 2000.

Section 2. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) (a) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish a system for identifying and rewarding successful schools. A reward shall be distributed to successful schools based on the number of full-time, part-time, and itinerant certified staff employed in the school on the last working day of the year of the reward to be used for school purposes as determined by the school council or, if none exists, the principal. The Kentucky Board of Education shall identify reports, paperwork requirements, and administrative regulations from which high performing schools shall be exempt.

   (b) Effective July 1, 2006, the Kentucky Board of Education shall reward schools that exceed their improvement goal and have an annual average dropout rate below five percent (5%). ***A student shall be included in the annual average dropout rate if the student was enrolled in the school of record for at least thirty (30) days during the school year prior to the day he or she was recorded as dropping out of school. A student shall not be included in a school's annual average dropout rate if:***

1. The student is enrolled in a district-operated or district-contracted alternative program leading to a certificate of completion or a General Educational Development (GED) diploma; or

2. The student has withdrawn from school and is awarded a General Educational Development (GED) diploma by October 1 of the following school year.

(c) A student enrolled in a district-operated or district-contracted alternative program shall participate in the appropriate assessments required by the Commonwealth Accountability Testing System established in KRS 158.6453.

(2) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate by administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A the formula for a school accountability index to classify schools every two (2) years based on whether they have met their threshold level for school improvement, with school years 1998-2000 serving as the baseline. The formula shall reflect the school goals described in KRS 158.6451, except there shall be no measurement of the goals included in subsection (1)(b)3. and (1)(b)4.

(3) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish appropriate consequences for schools failing to meet their threshold. The consequences shall be designed to improve teaching and learning and may include, but not be limited to:

(a) A scholastic audit process under subsection (4) of this section to determine the appropriateness of a school's classification and to recommend needed assistance;

(b) School improvement plans;

(c) Eligibility to receive Commonwealth school improvement funds under KRS 158.805;

(d) Education assistance from highly skilled certified staff under KRS 158.782;

(e) Evaluation of school personnel; and

(f) Student transfer to successful schools.

(4) (a) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A establishing the guidelines for conducting scholastic audits, which shall include the process for:

1. Appointing and training team members. The team shall include at least a highly skilled certified educator under KRS 158.782, a teacher, a principal or other local district administrator, a parent, and a university faculty member;

2. Reviewing a school's learning environment, efficiency, and academic performance of students and the quality of the school council's data analysis and planning in accordance with KRS 160.345(2)(j);

3. Evaluating each certified staff member assigned to the school. Only certified members of the audit team shall evaluate personnel; and

4. Making a recommendation to the Kentucky Board of Education about the appropriateness of a school's classification and a recommendation concerning the assistance required by the school to improve teaching and learning.

(b) For information purposes, the board shall also conduct scholastic audits in a sample of schools that achieved their goal and report to the public on the resulting findings regarding each aspect of the schools' operations required under subparagraph 2. of paragraph (a) of this subsection.

(5) (a) Notwithstanding subsections (2), (3), and (4) of this section and KRS 158.645 to 158.805, the Kentucky Board of Education, after receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation in conformity with the provisions of KRS 158.6471 and 158.6472 and in accordance with KRS Chapter 13A, establishing a formula for school accountability and a school improvement goal for each school for the 1998-1999 and 1999-2000 school years, with the 1996-97 and 1997-98 school years serving as the baseline. The formula shall be based on the academic and nonacademic components that are administered in a consistent manner during the four (4) year period.

(b) 1. The Kentucky Board of Education shall reward schools that exceed their improvement goal and have an annual average dropout rate below eight percent (8%). ***All students who drop out of school during a school year shall be included in a school's annual average school dropout rate, except as provided in subsection (1)(b) of this section.***

2. Schools failing to improve as identified by the board shall be reviewed by a scholastic audit team appointed by the state board under subsection (4) of this section. The audit shall not include a formal evaluation of each certified staff member. The team shall determine whether the school shall have highly skilled education assistance for advisory purposes. All schools failing to achieve their goal shall develop a school improvement plan and shall be eligible for school improvement funds under KRS 158.805.

(6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a two (2) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when the district fails to achieve its goals set by the board.

(7) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

Section 3. KRS 158.146 is amended to read as follows:

(1) No later than December 30, 2000, the Kentucky Department of Education shall establish and implement a comprehensive statewide strategy to provide assistance to local districts and schools to address the student dropout problem in Kentucky public schools. In the development of the statewide strategy, the department shall engage private and public representatives who have an interest in the discussion. The statewide strategy shall build upon the existing programs and initiatives that have proven successful. The department shall also take into consideration the following:

(a) Analyses of annual district and school dropout data as submitted under KRS 158.148 and 158.6453;

(b) State and federal resources and programs, including, but not limited to, extended school services; early learning centers; family resource and youth service centers; alternative education services; preschool; service learning; drug and alcohol prevention programs; School-to-Careers; High Schools that Work; school safety grants; and other relevant programs and services that could be used in a multidimensional strategy;

(c) Comprehensive student programs and services that include, but are not limited to, identification, counseling, mentoring, and other educational strategies for elementary, middle, and high school students who are demonstrating little or no success in school, who have poor school attendance, or who possess other risk factors that contribute to the likelihood of their dropping out of school; and

(d) Evaluation procedures to measure progress within school districts, schools, and statewide.

(2) ***No state or federal funds for adult education and literacy, including but not limited to funds appropriated under KRS 164.041 or 20 U.S.C. sec. 9201 et seq., shall be used to pay for a high school student enrolled in an alternative program operated or contracted by a school district leading to a certificate of completion or a General Educational Development (GED) diploma.***

(3) The department, with assistance from appropriate agencies, shall provide technical assistance to districts requesting assistance with dropout prevention strategies and the development of district and schoolwide plans.

(4)[~~(3)~~] The department shall award grants to local school districts for dropout prevention programs based upon available appropriations from the General Assembly and in compliance with administrative regulations promulgated by the Kentucky Board of Education for this purpose. Seventy-five percent (75%) of the available dropout funds shall be directed to services for at-risk elementary and middle school students, including, but not limited to, identification, counseling, home visitations, parental training, and other strategies to improve school attendance, school achievement, and to minimize at-risk factors. Twenty-five percent (25%) of the funds shall be directed to services for high school students identified as likely to drop out of school, including, but not limited to, counseling, tutoring, extra instructional support, alternative programming, and other appropriate strategies. Priority for grants shall be awarded to districts that average, over a three (3) year period, an annual dropout rate exceeding five percent (5%).

(5)[~~(4)~~] The department shall disseminate information on best practices in dropout prevention in order to advance the knowledge for district and school level personnel to address the dropout problem effectively.

The Senate Committee Substitute No. 2 to **HB 362** is as follows:

HB 362, AN ACT relating to containers for wine and distilled spirits.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that Sections 1 to 3 of this Act are necessary in order to:

(1) Provide an orderly three (3) tier system for the distribution and sale of quality malt beverages in the Commonwealth of Kentucky;

(2) Promote the public health, safety, and welfare of the people of the Commonwealth of Kentucky; and

(3) Provide a distribution system of malt beverages that will facilitate the collection and accountability of state and local taxes.

SECTION 2. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 3 of this Act, unless the context requires otherwise:

(1) "Good cause" means failure by a distributor to comply with the provisions of an agreement as delineated therein, which provisions are not unconscionable. Good cause shall not include:

(a) The failure or refusal of the distributor to engage in any trade practice or activity which would violate federal or state law;

(b) The failure or refusal of the distributor to take any action which would be contrary to these provisions;

(c) The sale or purchase of a brewer or importer; and

(d) The implementation by a brewer or importer of a national or regional policy of consolidation unless the policy:

1. Is reasonable, nondiscriminatory, and essential;

2. Results in a contemporaneous reduction in the number of a brewer's or importer's distributors not only for a brand in this state, but also for that brand in contiguous states or in a majority of the state in which the brewer or importer sells that brand; and

3. Was previously disclosed in writing and in reasonable detail by the brewer or importer implementing the policy to all affected distributors at least one hundred eighty (180) days prior to the implementation of the policy.

The term "affected distributor" means distributors who may reasonably be expected to experience a loss or diminishment of a right to distribute a brand, in whole or in part as a consequence of a proposed consolidation policy.

(2) "Good faith" means honesty in fact and the observance of reasonable commercial standard of fair dealing in the trade, as defined under KRS Chapter 355.

SECTION 3. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

(1) Every brewer and importer of malt beverages shall contract and agree in writing with each of its distributors to provide and specify the rights and duties of the brewer, the importer, and the distributor with and in regard to the sale of the products of the brewer or the importer within the Commonwealth of Kentucky. The terms and provisions of the contracts shall comply with and conform to Sections 1 to 3 of this Act and to all other applicable statutes.

(2) The terms or provisions of any contract or agreement among any brewers, importers, or distributors, including contracts or agreements entered into after the effective date of this Act and any renewals or extensions of contracts existing prior to the effective date of this Act, shall not permit a brewer or importer of malt beverages to:

(a) Terminate, refuse to renew, or refuse to enter into an agreement, in part or in whole, with a distributor, except for good cause and in good faith;

(b) Terminate, refuse to renew, or refuse to enter into an agreement, in part or in whole, with a distributor without first giving the distributor written notice of any alleged deficiency on the part of the distributor and giving the distributor a reasonable opportunity of sixty (60) to one hundred twenty (120) days to cure the alleged deficiency;

(c) Unreasonably withhold timely consent to a proposed sale or transfer, in part or whole, of the stock or assets of the distributor, and in no event shall the brewer take more than thirty (30) days to approve or disapprove the

proposed sale or transfer after the brewer has received written notice of the proposal from the distributor and received all requested information from the distributor to enable the brewer to pass upon the proposed sale or transfer;

(d) Assign an agreement, in part or in whole, with a distributor, except with consent from the distributor which shall not be unreasonably withheld. No consent is required where the distributor has proposed to transfer an ownership interest in its business and the brewer exercises its right to purchase this ownership interest in accordance with a written agreement between the brewer and distributor, subject to the brewer or its designee purchasing the ownership interest at the price and on the conditions applicable to the proposed change.

(e) Enter into a contract with more than one (1) distributor to sell any of its products or brand within the same territory or area at the same time. This paragraph shall not apply to contracts entered into prior to January 1, 2004, or future renewals of such contracts, to the extent the existing contract and the future renewal allow different distributors to sell certain but not all of the brewer's or importer's brands or brand extensions within the same territory or area at the same time;

(f) Unilaterally amend its agreement or any document referred to or incorporated by reference in its agreement, with any distributor, except modifications contemplated by the brewer-distributor agreement which modifications occur after written notice to the distributor or amendments that occur by a brewer after having consulted with an advisory panel of distributors;

(g) Terminate an agreement with a distributor because the distributor refuses or fails to accept an unreasonable amendment to the agreement proposed by the brewer or importer;

(h) Require a distributor to arbitrate disputes which may arise between it and the brewer or the importer unless mutually agreed to by the parties to the agreement;

(i) Preclude a distributor from litigating in state or federal courts located in Kentucky or from litigating under the laws of the Commonwealth;

(j) Retaliate against its distributor in the application of the terms of a written agreement;

(k) Unreasonably fail to consent to the distributor's designation of an individual as the distributor's manager or successor-manager in accordance with nondiscriminatory and reasonable qualifications and standards; or

(l) Withdraw approval of an individual as the distributor's manager or successor-manager without just cause.

(3) Notwithstanding the provisions in subsection (2) of this section, a brewer or importer of malt beverages may terminate an agreement with a distributor if any of the following occur:

(a) The assignment or attempted assignment by the distributor for the benefit of creditors, the institution of proceedings in bankruptcy by or against the distributor, the dissolution or liquidation of the distributor, the insolvency of the distributor or the distributor's failure to pay for malt beverages in accordance with the agreed terms; or

(b) Failure of any owner of the distributor to sell his or her ownership interest within one hundred twenty (120) days after the later of:

1. The owner having been convicted of a felony which, in the sole judgment of the brewer, may adversely affect the goodwill or interests of the distributor or the brewer, or the brewer learns of the conviction;

2. Fraudulent conduct of the distributor in any of its dealings with the brewer or the brewer's products;

3. Revocation or suspension for more than thirty-one (31) days of the distributor's federal basic permit or any state or local license required of the distributor for the normal operation of its business;

4. Sale of malt beverages by a distributor outside its sales territory prescribed by the brewer in accordance with KRS 244.585; or

5. Without brewer consent, the distributor engaging in changes in ownership or possession of ownership interests, the establishment of trusts or other ownership interest, entering into buy-sell agreements, or granting an option to purchase an ownership interest.

(4) During the term of a contract or agreement between the brewer or importer and a distributor, including contracts or agreements in existence prior to the effective date of this Act, the distributor shall, in accordance with the provisions of such contract or agreement, maintain physical facilities and personnel so that the product and brand of the brewer or importer are properly represented in the territory of the distributor, the reputation and trade name of the brewer or importer are reasonably protected, and the public is serviced. The brewer, importer, and distributor shall act in good faith at all times during the term of the contract or agreement.

(5) Any brewer, importer, or distributor who violates any provision of this section shall pay the injured brewer or distributor all reasonable damages sustained by it as a result of the brewer's, importer's, or distributor's violations, together with the costs incurred by the brewer or distributor in protecting its right. If a brewer or importer violates subsection (2)(a) or (b) of this section, the injured distributor's reasonable damages shall be the fair market value of the distributor's business, unless there are liquidated damages agreed by the parties in the agreement. In determining the fair market value of the wholesaler's or distributor's business, proper and full consideration shall be given to all

elements of value, including goodwill and going-concern value. The court may in its discretion consider attorney's fees reasonably incurred as a result of the prohibited conduct.

Section 4. KRS 244.590 is amended to read as follows:

No brewer or distributor shall induce through any of the following means any malt beverage retailer to purchase any malt beverages from him to the exclusion in whole or in part of malt beverages sold or offered for sale by other persons, if the brewer or distributor engages in the practice of using such means, or any of them, to such an extent as substantially to restrain or prevent transactions in commerce in malt beverages:

(1) By acquiring or holding, after the expiration of any existing license, any interest in any license with respect to the premises of the retailer;

(2) By acquiring any interest in real or personal property owned, occupied, or used by the retailer in the conduct of his business;

(3) By furnishing, giving, renting, lending or selling to the retailer, any equipment, fixtures, signs, supplies, money, services, or other things of value, except as the administrator of the malt beverage unit, having regard for the public health, the quantity and value of the articles involved, the prevention of monopoly and the practice of deception, may by regulation otherwise prescribe;

(4) By paying or crediting the retailer for any advertising, display or distribution service subject to the exceptions which the administrator may by regulation prescribe;

(5) By guaranteeing any loan or the repayment of any financial obligation of the retailer;~~[or]~~

(6) By requiring the retailer to take and dispose of a certain quota of any malt beverages*;*

(7) Notwithstanding any provisions in KRS Chapter 244 and this section, a brewer or distributor may:

(a) Give, rent, loan, or sell to a malt beverage retailer signs, posters, placards, designs, devices, decorations or graphic displays, bearing advertising matter and for use in windows or elsewhere in the interior of a retail malt beverage establishment; and

(b) Provide or furnish draught line cleaning or coil-cleaning service to a malt beverage retailer either directly or indirectly with the consent of the distributor.

HB 82, AN ACT relating to communicable diseases.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 211.180 is amended to read as follows:

(1) The cabinet shall enforce the administrative regulations promulgated by the secretary of the Cabinet for Health Services for the regulation and control of the matters set out below and shall formulate, promote, establish, and execute policies, plans, and programs relating to all matters of public health, including but not limited to the following matters:

(a) Detection, prevention, and control of communicable diseases, chronic and degenerative diseases, dental diseases and abnormalities, occupational diseases and health hazards peculiar to industry, home accidents and health hazards, animal diseases which are transmissible to man, and other diseases and health hazards that may be controlled;

(b) The adoption of regulations specifying the information required in and a minimum time period for reporting a sexually transmitted disease. In adopting the regulations the cabinet shall consider the need for information, protection for the privacy and confidentiality of the patient, and the practical ability of persons and laboratories to report in a reasonable fashion. The cabinet shall require reporting of physician-diagnosed cases of acquired immunodeficiency syndrome based upon diagnostic criteria from the Centers for Disease Control and Prevention of the United States Public Health Service. No later than October 1, ***2004***~~[2000]~~, the cabinet shall require reporting of cases of human immunodeficiency virus infection by reporting of ***the name***~~[a unique code]~~ and other relevant data as requested by the Centers for Disease Control and Prevention and as further specified in KRS 214.645. Nothing in this section shall be construed to prohibit the cabinet from identifying infected patients when and if an effective cure for human immunodeficiency virus infection or any immunosuppression caused by human immunodeficiency virus is found or a treatment which would render a person noninfectious is found, for the purposes of offering or making the cure or treatment known to the patient.

(c) The control of insects, rodents, and other vectors of disease; the safe handling of food and food products; the safety of cosmetics; the control of narcotics, barbiturates, and other drugs as provided by law; the sanitation of schools, industrial establishments, and other public and semipublic buildings; the sanitation of state and county fairs and other similar public gatherings; the sanitation of public and semipublic recreational areas; the sanitation of public rest rooms, trailer courts, hotels, tourist courts, and other establishments furnishing public sleeping accommodations; the review, approval, or disapproval of plans for construction, modification, or extension of equipment related to food-handling in food-handling establishments; the licensure of hospitals; and the control of such other factors, not assigned by law to another agency, as may be necessary to insure a safe and sanitary environment;

(d) The construction, installation, and alteration of any on-site sewage disposal system, except for a system with a surface discharge;

(e) Protection and improvement of the health of expectant mothers, infants, preschool, and school-age children;

(f) The practice of midwifery, including the issuance of permits to and supervision of women who practice midwifery; and

(g) Protection and improvement of the health of the people through better nutrition.

(2) The secretary shall have authority to establish by regulation a schedule of reasonable fees, not to exceed twenty dollars ($20) per inspector hour plus travel costs pursuant to state regulations for travel reimbursement, to cover the costs of inspections of manufacturers, retailers, and distributors of consumer products as defined in the Federal Consumer Product Safety Act, 15 U.S.C. secs. 2051 et seq.; 86 Stat. 1207 et seq. or amendments thereto, and of youth camps for the purpose

of determining compliance with the provisions of this section and the regulations adopted by the secretary pursuant thereto. Fees collected by the secretary shall be deposited in the State Treasury and credited to a revolving fund account for the purpose of carrying out the provisions of this section. The balance of the account shall lapse to the general fund at the end of each biennium.

(3) Any administrative hearing conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B.

Section 2. KRS 214.181 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

  (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

  (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

  (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

  (c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

    1. The subject of the test or the subject's legally authorized representative;

    2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

    3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

    4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;

    5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

    6. A health facility or health-care provider which procures, processes, distributes, or uses:

      a. A human body part from a deceased person, with respect to medical information regarding that person; or

      b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

    7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

9. A person allowed access by a court order that is issued in compliance with the following provisions:

   a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

   b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

   c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he or she is not already a party;

   d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;

   e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing that includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the ***name***[~~unique code~~] and other information specified under KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility ***shall be*** established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter

311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions óf KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 3. KRS 214.625 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. Section 4. KRS 214.645 is amended to read as follows:

(1) The Cabinet for Health Services shall establish a system for reporting, by the use of ***the person's name***[~~a unique code~~], of

all persons who test positive for the human immunodeficiency virus (HIV) infection. The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance. As recommended by the CDC, anonymous testing shall remain as an alternative. If less restrictive data identifying requirements are identified by the CDC, the cabinet shall evaluate the new requirements for implementation.

(2) The reporting system established under subsection (1) of this section shall:

(a) Use ***the same confidential name-based approach for HIV surveillance that is used for AIDS surveillance***[~~a unique code that consists of any combination of initials, the last four (4) numbers of the Social Security number, birth date, or other information to be determined~~] by the cabinet;

(b) Attempt to identify all modes of HIV transmission, unusual clinical or virologic manifestations, and other cases of public health importance;

(c) Require collection of the ***names***[~~unique code~~] and data from all private and public sources of HIV-related testing and care services; and

(d) Use reporting methods that match the CDC's standards for completeness, timeliness, and accuracy, and follow up, as necessary, with the health care provider making the report to verify completeness, timeliness, and accuracy.

(3) Authorized surveillance staff designated by the cabinet shall:

(a) Match the information from the reporting system to other public health databases, wherever possible, to limit duplication and to better quantify the extent of HIV infection in the Commonwealth;

(b) Conduct a biennial assessment of the HIV and AIDS reporting systems, insure that the assessment is available for review by the public and any state or federal agency, and forward a copy of the assessment to the Legislative Research Commission and the Interim Joint Committee on Health and Welfare;

(c) Document the security policies and procedures and insure their availability for review by the public or any state or federal agency;

(d) Minimize storage and retention of unnecessary paper or electronic reports and insure that related policies are consistent with CDC technical guidelines;

(e) Assure that electronic transfer of data is protected by encryption during transfer;

(f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;

(g) Restrict access to data a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;

(h) Require that any other public health program that receives data has appropriate security and confidentiality protections and penalties;

(i) Restrict use of data, from which identifying information has been removed, to cabinet-approved research, and require all persons with this use to sign confidentiality statements;

(j) Prohibit release of any ***names***[~~unique codes~~] or any other identifying information that may have been received in a report to any person or organization, whether public or private, except in compliance with federal law or consultations with other state surveillance programs and reporting sources. Under no circumstances shall a ***name***[~~unique code~~] or any identifying information be reported to the CDC; and

(k) Immediately investigate any report of breach of reporting, surveillance, or confidentiality policy, report the breach to the CDC, develop recommendations for improvements in security measure, and take appropriate disciplinary action for any documented breach.

(4) The cabinet shall require any physician or medical laboratory that receives a report of a positive test for the human immunodeficiency virus to report that information by reference to the ***name***[~~unique code~~] in accordance with the procedure for establishing ***name reporting required***[~~the unique code established~~] by the cabinet in an administrative regulation.[~~ The physician and medical laboratory shall maintain a log with the name of the patient who tested positive and the unique identifier assigned.~~]

SECTION 5. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) A person who discloses, intentionally in violation of subsection (5)(c) of Section 2 of this Act or subsection (5)(c) of Section 3 of this Act, the identity of a person upon whom has been conducted a test to detect human immunodeficiency virus infection shall be guilty of a Class A misdemeanor.

(2) A person who intentionally releases any name or other identifying information in violation of subsection (3)(j) of Section 4 of this Act shall be guilty of a Class A misdemeanor.

The board of trustees shall employ an executive secretary by means of a contract not to exceed a period of four (4) years and fix the compensation and other terms of employment for this position without limitation of the provisions of KRS Chapters 18A, 45A, 56, and KRS 64.640. The executive secretary shall be the chief administrative officer of the board. The executive secretary, at the time of employment, shall be a graduate of a four (4) year college or university, and shall possess qualifications as the board of trustees may require. The compensation of all persons employed by the board shall be paid at the rates and in amounts as the board approves. Anything in the Kentucky Revised Statutes to the contrary notwithstanding, the power over and the control of determining and maintaining an adequate complement of employees in the system shall be under the exclusive jurisdiction of the board of trustees.

(3) The board shall contract for actuarial, auditing, legal, medical, investment counseling, and other professional or technical services as are required to carry out the obligations of the board in accordance with the provisions of this chapter without limitations, including KRS Chapters 12, 13B, 45, 45A, 56, and 57***,*** and shall provide for legal counsel and other legal services as may be required in defense of trustees, officers, and employees of the system who may be subjected to civil action arising from the performance of their legally assigned duties if counsel and services are not provided by the Attorney General.

(4) The board shall require the trustees, executive secretary, and employees it determines proper to execute bonds for the

faithful performance of their duties notwithstanding the limitations of KRS Chapter 62.

(5) The board of trustees may expend funds from the expense fund as necessary to insure the trustees, employees, and officials of the Teachers' Retirement System against any liability arising out of an act or omission committed in the scope and course of performing legal duties.

(6) Notwithstanding any statute to the contrary, employees shall not be considered legislative agents as defined in KRS 6.611.

Section 4. KRS 161.420 is amended to read as follows:

All of the assets of the retirement system are for the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system. The board of trustees shall be the trustee of all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment, or repeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

(1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the dividends and interest income earned from investments during the immediate past fiscal year shall be set aside into the expense fund or expended for the administration of the retirement system;

(2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. A member may not borrow any amount of his or her accumulated contributions to this fund, or any interest earned thereon. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim these contributions shall be transferred from the teachers' savings fund to the guarantee fund. The accumulated contributions of a member shall be transferred from the teachers' savings fund to the allowance reserve fund in the event of retirement by reason of service or disability;

(3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities ***and***~~[,]~~ survivor benefits,~~[and death benefits,]~~ including any sums appropriated for meeting unfunded liabilities, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520 ***and***~~[,]~~ 161.525~~[, and 161.655]~~;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520 ***and***~~[,]~~ 161.525~~[, and 161.655]~~. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member;

(5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. One and five tenths percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from a state appropriation. The board of trustees may allocate the three and twenty-five hundredths percent (3.25%) of the total salaries of active members that the state appropriates annually as provided under KRS 161.550. ***In addition, the medical insurance fund shall be funded by the employer medical insurance fund stabilization contribution as set forth in Section 12 of this Act.*** The medical insurance fund shall receive all interest income from the investments of the fund. All claims for benefits under KRS 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits;

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept and expend without limitation in a manner either expressed by the donor or deemed to be in the best interest of the membership, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at any time during a fiscal year, transfer from the guarantee fund to the medical insurance fund an amount not to exceed four percent (4%) of the income earned from investments during the immediate past year;

(7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of section 403(b) of the Internal Revenue Code by a retired member of the Teachers' Retirement System with accounts that existed on or after July 1, 1996. The contributions shall not be picked up as provided in KRS 161.540(2). Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS

Chapter 13A to manage this program;

(8) The supplemental retirement benefit fund shall consist of those funds contributed by the employer for the purpose of constituting a qualified government excess benefit plan as described in Section 415 of the Internal Revenue Code for accounts that existed on or after July 1, 1996. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program; ***and***

(9)[~~The defined contribution fund shall consist of those funds contributed by retired members who have been approved by the retirement system for full-time reemployment in a position covered by the retirement system and contributions made by the employer for the purpose of providing separate retirement allowances for periods of reemployment. Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program. The contributions shall not be picked up as provided in KRS 161.540(2); and~~

~~(10)~~] The life insurance benefit fund shall consist of amounts accumulated for the purpose of providing benefits provided under KRS 161.655. The board of trustees may allocate to this fund a percentage of the employer and state contributions as provided under KRS 161.550. The allocation to this fund will be in an amount that the actuary determines necessary to fund the obligation of providing the benefits provided under KRS 161.655.

Section 5. KRS 161.430 is amended to read as follows:

(1) The board of trustees shall be the trustee of the funds of the retirement system and shall have full power and responsibility for the purchase, sale, exchange, transfer, or other disposition of the investments and moneys of the retirement system. The board shall, by administrative regulation, establish investment policies and procedures to carry out their responsibilities. The board shall employ experienced competent investment counselors to advise it on all matters pertaining to investment, except the board may employ qualified investment personnel to advise it on investment matters not to exceed fifty percent (50%) of the book value of the system's assets. All individuals associated with the investment and management of retirement system assets, whether contracted investment advisors or staff employees, shall adhere to "The Code of Ethics" and "The Standards of Professional Conduct" promulgated by the Association for Investment Management and Research. Effective July 1, 1991, no investment counselor shall manage more than forty percent (40%) of the funds of the retirement system. The board may appoint an investment committee consisting of the executive secretary and two (2) trustees to act for the board in all matters of investment, subject to the approval of the board of trustees. The board of trustees, in keeping with their responsibilities as trustees and wherever consistent with their fiduciary responsibilities, shall give priority to the investment of funds in obligations calculated to improve the industrial development and enhance the economic welfare of the Commonwealth. Toward this end, the board shall develop procedures for informing the business community of the potential for in-state investments by the retirement fund, accepting and evaluating applications for the in-state investment of funds, and working with members of the business community in executing in-state investments which are consistent with the board's fiduciary responsibilities. The board shall include in the criteria it uses to evaluate in-state investments their potential for creating new employment opportunities and adding to the total job pool in Kentucky. The board may cooperate with the board of trustees of Kentucky Retirement Systems in developing its program and procedures, and shall report to the Legislative Research Commission annually on its progress in placing in-state investments. The first report shall be submitted by October 1, 1991, and subsequent reports shall be submitted by October 1 of each year thereafter. The report shall include the number of applications for in-state investment received, the nature of the investments proposed, the amount requested, the amount invested, and the percentage of applications which resulted in investments.

(2) The board members and investment counselor shall discharge their duties with respect to the assets of the system solely in the interests of the active contributing members and annuitants and:

(a) For the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system;

(b) With the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent ***person***[~~man~~] acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims;

(c) By diversifying the investments of the plan so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and

(d) In accordance with the laws, administrative regulations, and other instruments governing the system.

(3) (a) In choosing and contracting for professional investment management services the board must do so prudently and in the interest of the members and annuitants. Any contract that the board makes with an investment counselor shall set forth policies and guidelines of the board with reference to standard rating services and specific criteria for determining the quality of investments. Expenses directly related to investment management services shall be financed from the guarantee fund in amounts approved by the board.

(b) An investment counselor appointed under this section shall acknowledge in writing his fiduciary responsibilities to the fund. To be eligible for appointment, an investment counselor must be:

1. Registered under the Federal Investment Advisors Act of 1940; or

2. A bank as defined by that Act; or

3. An insurance company qualified to perform investment services under the laws of more than one (1) state.

(4) No investment or disbursement of funds shall be made unless authorized by the board of trustees, except that the board, in order to ensure timely market transactions, shall establish investment guidelines, by administrative regulation, and may permit its staff and investment counselors employed pursuant to this section to execute purchases and sales of investment instruments within those guidelines without prior board approval.

Section 6. KRS 161.480 is amended to read as follows:

Each person, upon becoming a member of the retirement system, shall file a detailed statement as required by the board of trustees and shall designate a primary beneficiary ***or two (2) or more co-beneficiaries*** to receive any benefits accruing from the death of the member. A contingent beneficiary may be designated in addition to the primary beneficiary ***or co-beneficiaries. The member may name more than one (1) contingent beneficiary***. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the Kentucky Teachers' Retirement System, except in the event of subsequent marriage or divorce. Subsequent marriage by the member shall void the primary beneficiary ***and any co-beneficiary*** designation and the spouse of the member at death shall be considered as the primary beneficiary, unless the member subsequent to marriage designates another beneficiary. A final divorce decree shall terminate an ex-spouse's status as either primary ***beneficiary, co-beneficiary,*** or contingent beneficiary, unless subsequent to divorce the member redesignates the former spouse as primary ***beneficiary, co-beneficiary,*** or contingent beneficiary. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of a member's contributions to the retirement system as provided under KRS 161.470(7)~~[and 161.650, and for receipt of the life insurance benefit provided under KRS 161.655]~~. ***A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.*** The provisions of this section shall be retroactive as they relate to election of beneficiaries by members still in active status on the effective date of this section. ***The provisions of this section shall not apply to any account from which a member is drawing a retirement allowance or to the life insurance benefit available under Section 23 of this Act.***

Section 7. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

(4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall pay to the retirement system the full actuarial cost of the service credit purchased as provided under KRS 161.220(22).~~[Two percent (2%) of the required payment shall be allocated to the medical insurance fund.]~~ These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.

(5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military

reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump sum. The member shall pay the full actuarial cost of this service in the military reserves or the National Guard as provided in KRS 161.220(22). Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

Section 8. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position ***on a full-time basis***, which would be covered if in Kentucky.

(2) (a) An active contributing member who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. With the exception of university faculty members, all members who elect to purchase this service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service, provided this service was rendered after June 30, 1983. In the event this service was rendered prior to July 1, 1983, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). University faculty members shall pay on a contribution rate of seven and eighty-four hundredths percent (7.84%) based on the first Kentucky salary subsequent to the out-of-state service, regardless of when the service was rendered. Members shall pay to the retirement system the employer contribution at the rates set forth in KRS 161.550. In addition, all members shall pay interest on the contributions for this service at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. The payments shall not be picked up as described in KRS 161.540(2). For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. This credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds;

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit; and

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.

(4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.01-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.

(5) Notwithstanding any other provisions of this section to the contrary, purchase of service credit for out-of-state teaching, Kentucky Peace Corps, and federal Peace Corps service on July 1, 2005, or thereafter shall be purchasable only at full actuarial cost.

Section 9. KRS 161.520 is amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

(1) Where there is a surviving widow or widower who is named as ***the primary*** beneficiary of the member's retirement

account, the benefit shall be:

(a) One hundred eighty dollars ($180) per month with no restriction on other income;

(b) Two hundred forty dollars ($240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars ($6,600) per year or five hundred fifty dollars ($550) per month; or

(c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1). In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life, except as provided in subsection (6) of this section. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision.

(2) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars ($200) per month in the case of one (1) child, three hundred forty dollars ($340) per month in the case of two (2) children, four hundred dollars ($400) per month in the case of three (3) children, and four hundred forty dollars ($440) per month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.

(3) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars ($200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection and subsection (2) of this section shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(13). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.

(4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars ($200) per month for one (1) parent or two hundred ninety dollars ($290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member.

(5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars ($165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period.

(6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent, or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency.

(7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary.

(8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable.

(9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, the board of trustees shall pay to the estate or assigns of the deceased member a refund of his accumulated contributions as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated contributions at the time of death, the board of trustees shall pay to the estate or assigns of the deceased member the balance of the accumulated contributions.

(10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits.

Section 10. KRS 161.525 is amended to read as follows:

(1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as ***the primary*** beneficiary of the member's retirement account, or in the absence of an eligible spouse a legal dependent of the member, if named as ***the primary*** beneficiary, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or a term certain option. A spouse may receive the annuity provided by this section at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520; however, a legal dependent, other than a spouse, may not receive these payments if children have qualified for benefits under that section.

(2) A spouse~~[or legal dependent]~~ qualifying for an annuity under subsection (1) of this section may defer the payments in order to reduce the actuarial discounts to be applied due to age.

(3) Upon death of a member in active contributing status at the time of his death, who had a minimum of twenty-seven (27) years of service, the spouse, if named as the ***primary*** beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986.

Section 11. KRS 161.545 is amended to read as follows:

(1) Members may make contributions and receive service credit for substitute, part-time, or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees if contributions were not otherwise made as a result of the service. Members placed on leave of absence may make contributions and receive service credit for this leave only if contributions are made by the end of the fiscal year next succeeding the year in which the leave was effective as provided in administrative regulations promulgated by the board of trustees. Contributions permitted after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).

(2) Active contributing members of the Teachers' Retirement System, or former members who are currently participating in a state-administered retirement system, who were granted leaves of absence since July 1, 1964, for reasons of health ***as defined under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq.***, child rearing, or to improve their educational qualifications, and did not qualify at the time of the leave of absence to make contributions to the retirement system for the leave of absence as provided in subsection (1) of this section, may obtain credit for the leave of absence under the following conditions:

(a) The leave of absence shall be verified by a copy of the board of education minutes which granted the leave of absence ***or by other documentation that was generated contemporaneously with the leave that is determined by the retirement system to reasonably establish that a leave of absence was granted***; and

(b) The member shall contribute the required percentage based on the salary received for the year immediately preceding the leave of absence plus interest at the rate of eight percent (8%) compounded annually from the beginning of the school year following the year of the leave of absence, and by depositing in the state accumulation fund an amount equal to this total.

(c) The member shall receive credit for no more than two (2) years under the provisions of this subsection.

(3) Contributions permitted under this section after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).

Section 12. KRS 161.550 is amended to read as follows:

(1) Beginning with July 1, each employer, except as provided under KRS 161.555, shall contribute annually to the retirement system a permanent amount equal to that contributed by members of the retirement system it employs plus an additional three and one-fourths percent (3.25%) of the total of salaries of members of the retirement system it employs to discharge the system's unfunded obligations with interest assumed by the state and to provide funding to the medical insurance fund as provided under KRS 161.420(5).

(2) In addition to the required contributions in subsection (1) of this section, the state shall contribute annually to the retirement system a percentage of the total salaries of the state-funded and federally funded members it employs to provide stabilization funding for the medical insurance fund. This contribution shall be known as the state medical insurance fund stabilization contribution. The percentage to be contributed by the state shall be determined by the retirement system's actuary for each biennial budget period. The percentage to be contributed by the state may be suspended or adjusted by the General Assembly if in its judgment the welfare of the Commonwealth so demands.

(3) Each employer shall remit the required employer contributions to the retirement system under the terms and conditions specified for member contributions under KRS 161.560. The state shall provide annual appropriations based upon estimated funds needed to meet the requirements of KRS 161.155; 161.507(4); 161.515; 161.545; 161.553; 161.605; 161.612; and 161.620(1), (3), (5), (6), and (7). In the event an annual appropriation is less than the amount of these requirements, the state shall make up the deficit in the next biennium budget appropriation to the retirement system. Employer contributions to the retirement system are for the exclusive purpose of providing benefits to members and annuitants and these contributions shall be considered deferred compensation to the members.

Section 13. KRS 161.553 is amended to read as follows:

(1) The cost of providing statutory benefit improvements for annuitants may be funded by annual appropriations from the state on an actuarial amortized basis over the lifetime of the annuitants. The schedules in subsections (1)(a), (1)(b), and (1)(c) of this section are the annual appropriations which shall be made by the state for benefit improvements approved in the respective fiscal years or bienniums prior to July 1, ***2006***[~~2004~~]:

Section 14. KRS 161.597 is amended to read as follows:

(1) A member in active contributing status may purchase any service credit which the member is authorized to purchase by making installment payments in lieu of a lump-sum payment.

(2) To initiate an installment payment plan, a member shall make a written request to the retirement system for an estimate to purchase service credit by making installment payments.

(3) To qualify for installment payments, the ***total cost of the service purchase, including any chargeable interest,***[~~member contribution plus interest of eight percent (8%) per annum~~] shall exceed one thousand dollars ($1,000).

(4)[~~ A member may select the service credit to be purchased by installment payments and that service credit shall be purchased before any other credit may be purchased by installment payments.~~

~~(5)~~] Installment payments shall be at least fifty dollars ($50) per month and shall be made for a period of time which is not less than twelve (12) months nor more than sixty (60) months. ***Interest at eight percent (8%) per annum, unless the board specifies in an administrative regulation a different interest rate, shall be charged on all installment payment purchases of service credit that are purchasable at less than full actuarial cost.***

(5)[~~(6)~~] Installment payments shall be made on a monthly basis by payroll deduction or electronic fund transfer and forwarded separately to the Teachers' Retirement System on forms or by computer format not later than fifteen (15) days following the end of each month. The payments shall be considered accumulated contributions and shall not be picked up as provided in KRS 161.560***, except that subject to approval by the Internal Revenue Service and only as permitted by the Internal Revenue Code, installment payments by payroll deduction shall be made on a tax-deferred basis***.

(6)[~~(7)~~] A member may elect to terminate payroll deductions at any time and purchase the remaining service credit by lump-sum payment. A member on a leave of absence may make personal installment payments. Termination of employment in a covered position shall terminate installment payments. If the member is later employed by a different employer in a covered position, the member may request a new estimate and reinstate installment payments. A member that misses two (2) consecutive installment payments shall be in default. A member in default shall receive service credit on a pro rata basis for the total amount of contributions made by installment payments. A member in default may not reinstate installment payments for twelve (12) months from the date the member was in default.

(7)[~~(8)~~] If a member dies before completing scheduled installment payments, the named beneficiary of the member's retirement account may pay the remaining balance due by a lump-sum payment within thirty (30) days of the death of the member.

Section 15. KRS 161.600 is amended to read as follows:

(1) Effective July 1, 1988, a member of the retirement system may qualify for service retirement by meeting one (1) of the following requirements:

(a) Attainment of age sixty (60) years and completion of five (5) years of Kentucky service;

(b) Attainment of age fifty-five (55) years and completion of a minimum of five (5) years of Kentucky service with an actuarial reduction of the basic allowance of five percent (5%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number;[~~ or~~]

(c) Completion of twenty-seven (27) years of Kentucky service. Out-of-state service earned in accordance with the provisions of KRS 161.515(2) may be used to meet this requirement***; or***

(d) Completion of the necessary years of service under provisions of KRS 61.559(2)(c) if the member is retiring under the reciprocity provisions of KRS 61.680. A member retiring under this paragraph who has not attained age fifty-five (55) shall incur an actuarial reduction of the basic allowance determined by the system's actuary for each year the member's service credit is less than twenty-seven (27).

(2) Any person who has been a member in Kentucky for twenty-seven (27) years or more and who withdraws from covered employment may continue to pay into the fund each year until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during the member's last full year in covered employment, less any payment received for accrued sick leave or accrued leave from an employer. The member shall be entitled to receive a retirement allowance as provided in KRS 161.620 at any time after withdrawing from covered employment and payment of contributions under this subsection. No member shall make contributions as provided for in this subsection if the member is at the same time making contributions to another retirement system in Kentucky supported wholly or in part by public funds.

(3) Service credit in the Kentucky Employees Retirement System, the State Police Retirement System, the Legislators' Retirement Plan, the County Employees Retirement System, or the Judicial Retirement System may be used in meeting the service requirements of subsection (1)(a), (b), and (c) of this section, provided the service is subsequent to July 1, 1956. Upon death, disability, or service retirement, a member's accounts under all state supported retirement systems shall be consolidated, as provided by this section and by KRS 61.680, for the purpose of determining eligibility and amount of benefits, which shall include medical benefits. Upon determination of benefits, each system shall pay the applicable percentage of total benefits. The effective date of retirement under this subsection shall be determined by each retirement system for the portion of the payments that will be made.

(4) No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with administrative regulations of the board of trustees.

(5) The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to the member's death.

Section 16. KRS 161.605 is amended to read as follows:

Any member retired by reason of service may return to work in a position covered by the Kentucky Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

(1) Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Service credit purchased under the provisions of KRS 161.5465 may not be used to meet the thirty (30) year requirement set forth in this subsection.

(2) Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered.

(3) Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable including but not limited to data provided by the Education Professional Standards Board and the Department of Education to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall assure that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the superintendent of the school district assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis.

(4) Under this section, an employer may employ full-time a number of retired members not to exceed ***three percent (3%)***[~~four percent (4%)~~] of the membership actively employed full-time by that employer. The board of trustees may reduce this ***three percent (3%)***[~~four percent (4%)~~] cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the ***three percent (3%)***[~~four percent (4%)~~] cap upon a determination that an increase is warranted to help address a shortage in the

number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 161.220(21). A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met. *A district's written request to exceed its quota shall be submitted no sooner than two (2) weeks after the start of the school year.*

(5) A member returning to work in a full-time or part-time position under subsection (1) or (2) of this section will *contribute to an*[~~establish a second~~] account with the retirement system that will be administered independently from and with no reciprocal impact with the member's original retirement account. A member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under KRS 161.540. The second account shall independently meet the five (5) year vesting requirement as well as all other conditions set forth in KRS 161.600(1) before any retirement allowance is payable from this account. The retirement allowance accruing under this second account shall be calculated pursuant to KRS 161.620(1)(b). This second account shall not entitle the member to a duplication of the benefits offered under KRS 161.655*, Section 19(7) of this Act,* or 161.675, nor shall this second account provide the benefits offered by KRS 161.520, 161.525, 161.661, or 161.663. A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the Kentucky Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's initial retirement. A member who returns to work under subsection (1) or (2) of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by KRS 161.470.

(6) The board of trustees may annually *on July 1* adjust the *current* daily rate of a member's last annual compensation, for each[~~ year that the member has been retired for a~~] full twelve (12) month period *that has elapsed subsequent to the member earning his or her last annual compensation*, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. *Each annual adjustment shall become part of the member's daily rate base.* Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations.

(7) *(a)* A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis shall have separated from service for a period of at least three (3) months before returning to work for any employer.

(b) As an alternative to the separation-from-service requirements in paragraph (a) of this subsection, a retired member who is returning to work for the same employer in a full-time position under subsections (1) and (2) of this section may elect a separation-from-service of not less than two (2) months followed by a forfeiture of the retired member's retirement allowance on a month-to-month basis for each month that the member has separated from service for less than twelve (12) full months. A retired member returning to work for the same employer in a part-time position, or for a different employer in a full-time position, may elect an alternative separation-from-service requirement of at least two (2) months followed by a forfeiture of the member's retirement allowance for one (1) month. During the period that the member forfeits his or her retirement allowance and thereafter, member and employer contributions shall be made to the retirement system as a result of employment in any position subject to membership in the retirement system. The member shall contribute to an account with the retirement system subject to the conditions set forth in subsection (5) of this section. For purposes of measuring the separation-from-service requirements set forth throughout this section, a member's separation-from-service begins on the first day following the last day of paid employment for the member prior to retirement.

(c) Failure to comply with *the*[~~these~~] separation-from-service requirements *in this subsection* voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service.

(8) *(a) Effective July 1, 2004, local school districts may employ retired members in full-time or part-time teaching or administrative positions without limitation on the compensation of the retired members that is otherwise required by subsections (1) and (2) of this section. Under provisions of this subsection, a local school district*

may only employ retired members to fill critical shortage positions for which there are no other qualified applicants as determined by the local superintendent. The number of retired members that a local school district may employ under this subsection shall be no more than two (2) members per local school district or one percent (1%) of the total active members employed by the local school district on a full-time basis as defined under Section 1(21) of this Act, whichever number is greater. Retired members returning to work under this subsection shall be subject to the separation-from-service requirements set forth in subsection (7) of this section. Retired members returning to work under this subsection shall waive their medical insurance coverage with the retirement system during their period of reemployment and receive medical insurance coverage that is offered to other full-time members employed by the local school district. Retired members returning to work under this subsection shall contribute to an account subject to the conditions set forth in subsection (5) of this section. Retired members returning to work under this subsection shall make contributions to the retirement system at the rate provided under KRS 161.540. The employer shall make contributions at the rate provided under Section 12 of this Act. Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at the rates determined by the retirement system's actuary that reflect any accrued liability resulting from the reemployment of these members.

(b) The Department of Education may employ retired members in full-time or part-time teaching positions without the limitations on compensation otherwise required by subsections (1) and (2) of this section to fill critical shortage areas in the schools it operates, including the Kentucky School for the Blind, the Kentucky School for the Deaf, and the Kentucky Virtual High School. The department shall be subject to the same requirements as local school districts as provided in paragraph (a) of this subsection.

(9) Members who retired on or before June 30, 2002, may, for the fiscal year concluding on June 30, 2007, be reemployed under the one hundred (100) day provisions of this section as they existed on June 30, 2002, except that members returning to work under those provisions shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under KRS 161.540 and members' employers shall make contributions to the Kentucky Teachers' Retirement System at the rates specified under KRS 161.550. Those members returning to work under the one hundred (100) day provisions of this section as they existed on June 30, 2002, shall further waive their medical insurance coverage with the retirement system during the period of reemployment and will instead receive the medical insurance coverage generally provided by their active employer to other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member. Notwithstanding any other statute to the contrary, retired members returning to work shall under no circumstances be permitted to purchase as service credit service provided under the one hundred (100) day provisions of this section as they existed on June 30, 2002. ***Any member who exceeds the one hundred (100) day limitation of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefits to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding one hundred (100) days.***

(10)~~[(9)]~~ The return to work limitations set forth in this section and KRS 161.603 shall apply to retired members who are returning to work in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the return to work limitations set forth in this section and KRS 161.603. The board of trustees shall determine whether employment in a nonteaching position is subject to this subsection.

(11)~~[(10)]~~ The provisions of subsections (1) to ***(9)***~~[(8)]~~ of this section are not subject to KRS 161.714.

(12)~~[(11)]~~ ***Retired members may be employed in a part-time teaching capacity by an agency described***~~[Members retired from an agency listed]~~ in KRS 161.220(4)(b) or (n) ~~[may be employed in a part-time teaching capacity by one (1) of the universities or community colleges participating in the Teachers' Retirement System]~~, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. ***Retired*** members~~[retired from an agency listed in KRS 161.220(4)(b) or (n)]~~ may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by ***an agency described in Section 1(4)(b) or (n) of this Act***~~[one (1) of the universities or community colleges participating in the Teachers' Retirement System]~~ in a position that would otherwise be covered by the retirement system.~~[None of these members shall be subject to]~~ The return to work provisions set forth in subsections (1) to ***(9)***~~[(8)]~~ of this section ***shall not apply to retired members who return to work solely for an agency described in Section 1(4)(b) or (n) of this Act***. Calculation of the number of days ***and teaching hours*** for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. ***Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the***

system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined.

(13)[~~(12)~~] When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (11) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (11) of this section.

(14) For retired members who return to work during any one (1) fiscal year in both a position described in Section 1(4)(b) or (n) of this Act and in a position described under another provision under Section 1(4) of this Act, and for retired members who return to work in a position described under Section 1(4)(b) or (n) in both a teaching and an administrative or nonteaching capacity, the board of trustees shall adopt a methodology for a pro rata apportionment of days and hours that the retired member may work in each position.

Section 17. KRS 161.612 is amended to read as follows:

Effective July 1, 2002, any individual occupying a position on a part-time basis that requires certification or graduation from a four (4) year college or university as a condition of employment and any individual providing part-time or substitute teaching services that are the same or similar to those teaching services provided by certified, full-time teachers shall be a member of the Kentucky Teachers' Retirement System, according to the conditions set forth in this section, if the individual is employed by one (1) of the public boards, institutions, or agencies set forth in KRS 161.220***, excluding those public boards, institutions, and agencies described in Section 1(4)(b) and (n) of this Act***. Members providing part-time and substitute services shall participate in the retirement system as follows:

(1) Members providing part-time and substitute services shall accrue service credit as provided under KRS 161.500 and be entitled to a retirement allowance upon meeting the service retirement conditions of KRS 161.600. The board of trustees shall adopt a methodology for accrediting service credit to these members on a pro rata basis. The methodology adopted by the board of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall be calculated pursuant to KRS 161.620. Members providing part-time and substitute services who meet the service retirement conditions of KRS 161.600 may also be eligible to participate as approved by the board of trustees in the medical insurance program provided by the retirement system under KRS 161.675. Members providing part-time and substitute services shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under KRS 161.540. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by KRS 161.470.

(2) The board of trustees shall adopt eligibility conditions under which members providing part-time and substitute services may participate in the benefits provided under KRS 161.520, ***Section 23 of this Act***[~~161.555~~], 161.661, and 161.663. The board of trustees may adopt eligibility conditions under which members providing part-time or substitute services may participate in other benefits offered by the retirement system. All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness.

(3) In addition to the pro rata methodology adopted by the board of trustees under subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services.

(4) ***Notwithstanding any other provisions of this section to the contrary, instructional assistants who provide teaching services in the local school districts on a full-time basis in positions covered by the County Employees Retirement System who are used as substitute teachers on an emergency basis for five (5) days or less during any one (1) fiscal year shall not be considered members of the Teachers' Retirement System during that period in which they are serving as substitute teachers for five (5) days or less.***

(5) The board of trustees may adopt a pro rata methodology to determine the annual compensation of members providing part-time and substitute services in order to determine benefits provided under KRS 161.661 and 161.663. Members providing part-time and substitute services who had retirement contributions posted to their accounts during the previous fiscal year and who have not had those contributions refunded to them are eligible to vote for the board of trustees.

(6) The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership.

(7)[~~(5)~~] The provisions of this section are not subject to KRS 161.714.

Section 18. KRS 161.614 is amended to read as follows:

A court order awarding additional back salary to or reinstating a member as a result of employment in a position covered by the Kentucky Teachers' Retirement System shall entitle the member to additional salary or service credit, or both, under the following circumstances:

(1) Members shall make contributions to the Kentucky Teachers' Retirement System at the rate set forth in KRS 161.540 and members' employers shall make contributions at the rate set forth in KRS 161.550, with interest accruing on all contributions at the rate of eight percent (8%) per annum from the end of each fiscal year that back salary or the reinstatement was ordered. Contributions, plus interest, shall be made for each year that back salary or reinstatement was ordered. No service or salary credit shall be credited to a member's account unless full contributions are paid to the Kentucky Teachers' Retirement System.

(2) The member may have court-ordered back salary credited to his or her account only to the extent that the member actually received payment for the back salary and only to the extent that the court-ordered back salary is within the salary scale that was available to the member in the covered position for the years that the back salary was awarded. Court-ordered back salary can be credited to the member's account only as permitted under KRS 161.220(9) and (10). ***The member may have court-ordered service credited to his or her account only after the retirement system has received the contributions and interest on the full compensation that would normally be earned in the position that is the subject of the litigation.***

(3) The member's employer ordered to pay back salary or to reinstate the member by a court of competent jurisdiction shall provide the retirement system with a breakdown of the back salary awarded to the member on a year-by-year basis.

(4) The calculations of the contributions and interest required to be paid for court-ordered back salary or reinstatement shall be provided by the retirement system to the member or the member's employer at the member's or employer's request. Requests for these calculations shall be made with at least two (2) weeks of advance notice to the retirement system to provide these calculations. The retirement system will calculate accrued interest as of the last day of the month during which payment of the full contributions are made.

(5) For purposes of this section, a settlement agreement that provides back salary or reinstatement, and is adopted by order or judgment of a court of competent jurisdiction or is referenced in an order dismissing the action as settled shall have the same effect as a court order adjudicating the matter. Orders entered by a government board or agency as a result of litigation conducted on an administrative hearing level shall be considered as court orders for the purposes of this section.

(6) Under no circumstances shall a member be entitled to service credit as a result of court-ordered reinstatement that is in violation of the provisions of KRS ***161.500***[~~161.550~~].

Section 19. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

  (a) For retirements effective July 1, 1998, and thereafter, except as otherwise provided by this section, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university. The annual retirement allowance for each year of service performed by members of the Teachers' Retirement System who are members under the provisions of KRS 161.220(4)(b) or (n) shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section; and

  (b) For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, except those persons who become members under KRS 161.220(4)(b) or (n), and who upon retirement have earned less than ten (10) full years of service credit, the retirement allowance shall be two percent (2%) of the member's final average salary for each year of service. For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, except those persons who become members under KRS 161.220(4)(b) or (n), and who upon retirement have earned at least ten (10) full years of service credit, the annual allowance for each year of service shall be two and one-half percent (2.5%) of the member's final average salary.

  (c) The board of trustees may approve for members who initially retire on or after July 1, 2004, except those persons who are members under KRS 161.220(4)(b) or (n), a retirement allowance of three percent (3%) of the member's final average salary for each year of service credit earned in excess of thirty (30) years. This three percent (3%) factor shall be in lieu of the two and one-half percent (2.5%) factor provided for in paragraph (b) of this subsection for every year or fraction of a year of service in excess of thirty (30) years. Upon approval of this three percent (3%) retirement factor, the board of trustees may establish conditions of eligibility regarding the type of service credit that will qualify for meeting the requirements of this subsection. This subsection is optional with the board of trustees and shall not be subject to KRS 161.714.

  (d) The retirement allowance of a member at retirement***, as measured on a life annuity,*** shall not exceed the member's last ***yearly salary***[~~annual compensation~~] or the member's final average salary, whichever is the greater amount. ***For purposes of this section, "yearly salary" means the compensation earned by a member during the most recent period of contributing service, either consecutive or nonconsecutive, preceding the member's effective retirement date and shall be subject to the provisions of Section 1(9) and (10) of this Act.***

(2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option shall be increased in the amount of one and one-half percent (1.5%), provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than four hundred dollars ($400) effective July 1, 2002, and not less than four hundred forty dollars ($440) effective July 1, 2003, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.

(4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

(5) Effective July 1, ***2004***[~~2002~~], the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed ***eight-tenths of one percent (0.8%)***[~~one and four-tenths percent (1.4%)~~] of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2002-2004 biennium budget appropriation.

(6) Effective July 1, ***2005***[~~2003~~], the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed ***seven-tenths of one percent (0.7%)***[~~one and one-half percent (1.5%)~~] of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2002-2004 biennium budget appropriation.

(7) Effective July 1, 1990, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code.

(9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's retirement annuity. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

Section 20. KRS 161.630 is amended to read as follows:

(1) A member, upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves. No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in KRS 161.620. This section does not apply to disability allowances as provided in KRS 161.661(1).

(2) The ***retirement***[~~benefit~~] option chosen by a retiree at the time of service retirement shall remain in force unless the retiree elects to make a change under the following conditions:

(a) A divorce, annulment, or marriage dissolution following retirement shall, at the election of the retiree, cancel any optional plan selected at retirement ***that provides***[~~to provide~~] continuing benefits to ***a spousal***[~~the~~] beneficiary and return the retiree to a single lifetime benefit equivalent as determined by the board; or

(b) Following marriage or remarriage, or the death[~~ of a spouse, or the death~~] of ***the***[~~any other~~] designated beneficiary, a retiree may elect a new optional plan of payment based on the actuarial equivalent of a single lifetime benefit at the time of the election, as determined by the board. The plan shall become effective the first of the month following receipt of an application on a form approved by the board.

(3) Except as otherwise provided in this section, a beneficiary designation shall not be changed after the effective date of retirement except for retirees who elect the~~[straight]~~ life annuity with refundable balance option or the predetermined years certain and life thereafter option.

(4) A member who experiences a qualifying event under subsection (2) of this section and who elects a new optional plan of payment shall make that election within sixty (60) days of the qualifying event.

Section 21. KRS 161.640 is amended to read as follows:

(1) Retirement annuities shall be payable monthly. The first payment to an annuitant shall be made at the payment date at the end of one (1) full payment period after his retirement and shall consist of one (1) regular monthly payment. Retirement for a member receiving one (1) full year of service credit during a fiscal year shall be no earlier than July 1 next following the end of such fiscal year. *Notwithstanding any other statutory provisions to the contrary, members filling positions that customarily require twelve (12) months of service during a fiscal year cannot retire prior to July 1 without a corresponding pro rata reduction in salary and service credit. The board of trustees may determine which positions customarily require twelve (12) months of service during a fiscal year.*

(2) The board of trustees may enter into agreements with retired members for payroll deductions when it is deemed in the best interest of the retired members and the retirement system.

(3) All new retirees, on or after July 1, 1998, shall receive their monthly annuity checks by electronic fund transfer. All annuity and survivor monthly allowance payments shall be made by electronic fund transfer by December 31, 1998.

Section 22. KRS 161.650 is amended to read as follows:

(1) In the case of death of a member who has retired by reason of service or disability, any portion of the member's accumulated contributions, including member contributions to the state accumulation fund and regular interest to the date of retirement, that has not, and will not be paid as an allowance or benefit shall be paid to the member's beneficiary in such manner as the board of trustees elects.

(2) The member may designate a primary beneficiary or two (2) or more co-beneficiaries to receive any remaining accumulated member contributions payable under this section. A contingent beneficiary may be designated in addition to the primary beneficiary or the co-beneficiaries. The member may designate two (2) or more contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of any remaining accumulated member contributions. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent divorce. A final divorce decree shall terminate the beneficiary status of an ex-spouse, unless subsequent to divorce the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that the member fails to designate a beneficiary, any remaining accumulated member contributions shall be payable to the member's estate.

Section 23. KRS 161.655 is amended to read as follows:

(1) Effective July 1, 2000, the Teachers' Retirement System shall*:*

(a) Provide a life insurance benefit in a minimum amount of five thousand dollars ($5,000) for its members who are retired for service or disability. This life insurance benefit shall be payable upon the death of a member retired for service or disability to the member's estate or to a party designated by the member on a form prescribed by the retirement system*; and*

(b) ~~[The Teachers' Retirement System shall]~~Provide a life insurance benefit in a minimum amount of two thousand dollars ($2,000) for its active contributing members. This life insurance benefit shall be payable upon the death of an active contributing member to the member's estate or to a party designated by the member on a form prescribed by the retirement system.

(2) The member may name one (1) primary and one (1) contingent beneficiary for receipt of the life insurance benefit. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of the life insurance benefit. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent divorce. A final divorce decree shall terminate the beneficiary status of an ex-spouse, unless subsequent to divorce the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.

(3) Application for payment of life insurance proceeds shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and payment of proceeds by the life insurance benefit under this section.

(4)~~[(2)]~~ Suit or civil action shall not be required for the collection of the proceeds of the life insurance benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the proceeds of the life insurance benefit.

Section 24. KRS 161.680 is amended to read as follows:

If any change or error in a record results in any ***individual***~~[employee or beneficiary]~~ receiving from the retirement system more or less than ***the individual***~~[he]~~ was entitled to receive, the board of trustees shall, when the error is discovered, correct the error, and as far as practicable adjust the payments so that the actuarial equivalent of the benefit to which ***the individual***~~[he]~~ was entitled shall be paid.

Section 25. KRS 161.568 is amended to read as follows:

(1) Eligibility to participate in the optional retirement plan shall be determined by the board of regents of each of the state public postsecondary education institutions identified in KRS 161.220(4)(b). The employees of these institutions of higher education who are initially employed on or after the implementation date of the optional retirement plan may make an~~[irrevocable]~~ election to participate in the optional retirement plan within thirty (30) days after their employment date. ***This election shall be irrevocable except as otherwise provided in this subsection.*** No member of the Kentucky Teachers' Retirement System who terminates employment and is subsequently reemployed by the same or another public postsecondary education institution which participates in the Kentucky Teachers' Retirement System may be eligible to elect to participate in the optional retirement plan unless the date of reemployment is at least six (6) months after the date of termination. ***Any person who previously elected to participate in the optional retirement plan may irrevocably elect one (1) time during his or her lifetime to change his or her election and to prospectively participate in the Kentucky Teachers' Retirement System. This election to change from the optional retirement plan to Kentucky Teachers' Retirement System shall be effective beginning on the first day of the first month immediately following the date that written application for the election is received in the retirement system's office on forms prescribed by the system.*** These elections shall be made in writing and filed with the appropriate officer of the employer institution.

(2) Elections of eligible employees hired on or after the implementation date of the optional retirement plan at their employer institution shall be effective on the date of their employment. If an eligible employee hired subsequent to the implementation date at the employer institution fails to make the election provided for in this section, he shall become a member of the regular retirement plan of the Kentucky Teachers' Retirement System.

Section 26. KRS 161.569 is amended to read as follows:

(1) Any person electing to participate in the optional retirement plan shall be ineligible for membership in the regular retirement plan of the Kentucky Teachers' Retirement System for as long as he is employed in a position for which the optional retirement plan is available***, except as provided in subsection (1) of Section 25 of this Act***.

(2) Any person electing to participate in the optional retirement plan shall acknowledge in writing that the benefits payable to participants are not the obligation of the Commonwealth of Kentucky or the Kentucky Teachers' Retirement System, and that these benefits and other rights of the optional retirement plan are the liability and responsibility solely of the designated companies to which contributions have been made.

(3) Benefits shall be payable to optional retirement plan participants or their beneficiaries by the designated companies in accordance with the contracts issued by each company and the retirement plan provisions adopted by each public institution.

(4) Annuity contracts issued under the optional retirement plan and all rights of a participant in the optional retirement plan shall be exempt from any state, local, or municipal tax; assessment for the insolvency of any life, health, or casualty insurance company; any levy or sale, garnishment, or attachment; or any process whatsoever, and shall be unassignable except as otherwise specifically provided by the contracts offered under the optional retirement plan adopted by the respective public institutions of higher education. Except contracts issued and rights accrued in the optional retirement plan on or after January 1, 1998, shall be subject to the tax imposed by KRS 141.020, to the extent provided in KRS 141.010 and 141.0215.

(5) (a) Each institution shall contribute on behalf of each participant in its optional retirement program the following:

1. To the designated company or companies, an amount equal to the amount that would have been payable to the Kentucky Teachers' Retirement System if the member had elected to participate in that plan instead of the optional retirement plan, less the amount contributed to the Kentucky Teachers' Retirement System pursuant to subparagraph 2. of this paragraph; and

2. To the Kentucky Teachers' Retirement System, an amount equal to the contribution which would have been payable to the Kentucky Teachers' Retirement System on account of the unfunded liability if the member had elected to participate in that plan instead of the optional retirement plan. The rate of contribution shall be determined annually by the Kentucky Teachers' Retirement System actuary. This payment shall continue to be made on behalf of all participants in the optional retirement plan until July 1, 2018, the current amortization period of the Kentucky Teachers' Retirement System.

(b) Each participant shall contribute an amount equal to the present member contribution to the Kentucky Teachers' Retirement System. Employee contributions to the optional retirement plan shall be made by salary reduction under either Section 403(b) or 414(h) of the Internal Revenue Code of 1986.

Section 27. The provisions of subsection (8) of Section 16 of this Act supercede the provisions relating to critical shortage positions set forth in 2003 Kentucky Acts ch. 156, sec. 1.

Section 28. Whereas retirement annuity adjustments are implemented at the beginning of the fiscal year, an emergency is declared to exist, and this Act takes effect July 1, 2004.

(2) For speeding in excess of the speeds shown on the specific fine schedule the fine shall be not less than sixty dollars ($60) nor more than one hundred dollars ($100).

(3) For any violation shown on the chart for which a specific fine is prescribed, the defendant may elect to pay the fine and court costs to the circuit clerk before the date of his trial or to be tried in the normal manner. Payment of the fine and court costs to the clerk shall be considered as a plea of guilty for all purposes.

(4) If the offense charged shows a speed in excess of the speeds shown on the specific fine schedule the defendant shall appear for trial and may not pay the fine to the clerk before the trial date.

(5) If the offense occurred in a highway work zone, the fine established by subsection (1) or (2) of this section shall be doubled.

(6) All fines collected for speeding in a highway work zone in violation of KRS 189.390 shall be deposited into a separate trust and agency account within the Transportation Cabinet known as the "Highway Work Zone Safety Fund." The highway work zone safety fund shall be used exclusively by the Transportation Cabinet to hire or pay for enhanced law enforcement of traffic laws within highway work zones.

Section 3. KRS 189.390 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Business district" means the territory contiguous to and including a highway if, within six hundred (600) feet along the highway, there are buildings in use for business or industrial purposes that occupy three hundred (300) feet of frontage on one (1) side or three hundred (300) feet collectively on both sides of the highway;

(b) "Residential district" means the territory contiguous to and including a highway not comprising a business district if the property on the highway for a distance of three hundred (300) feet or more is improved with residences or residences and buildings in use for business; and

(c) "State highway" means a highway or street maintained by the Kentucky Department of Highways.

(2) An operator of a vehicle upon a highway shall not drive at a greater speed than is reasonable and prudent, having regard for the traffic and for the condition and use of the highway.

(3) ***The speed limit for motor vehicles on state highways within the Commonwealth shall be as follows, unless***[~~If~~] conditions exist that require lower speed for compliance with subsection (2) of this section, ***or the secretary of the Transportation Cabinet establishes a different speed limit in accordance with subsection (4) of this section***[~~the speed of any vehicle in excess of the limits specified in this section shall be unlawful~~]:

(a) ***Seventy (70) miles per hour on interstate highways and parkways;***

(b) ***Fifty-five (55) miles per hour on all other state highways; and***

(c) ***Thirty-five (35) miles per hour in a business or residential district***[~~For vehicles other than motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any business or residential district, except as provided in subsection (5) of this section, and fifty-five (55) miles per hour in other locations, except where the speed limit has been posted at sixty-five (65) miles per hour;~~

~~(b) For motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any location except as provided in subsection (5) of this section;~~

~~(c) Vehicles using off-street parking facilities offered for public use whether publicly or privately owned, fifteen (15) miles per hour~~].

(4) (a) If the secretary of transportation determines, upon the basis of an engineering and traffic investigation, that any speed limit is greater or less than is reasonable or safe under the conditions found to exist at any intersection, or upon any part of a state highway, the secretary of transportation may establish by official order a reasonable and safe speed limit at the location. The secretary shall not increase any speed limit established by subsection (3) of this section in excess of ***seventy (70) miles per hour on an interstate highway or parkway or*** fifty-five (55) miles per hour ***on any other state highway***.

(b) In a highway work zone, the Transportation Cabinet may temporarily reduce established speed limits without an engineering or traffic investigation. A speed limit established under this paragraph shall become effective when and where posted. The Transportation Cabinet shall post signs notifying the traveling public of the temporary highway work zone maximum speed limit. Nothing in this paragraph shall be construed to prevent the Transportation Cabinet from using moveable or portable speed limit signs in highway work zones.

(5) (a) A city or a county may by ordinance establish speed limits within its own jurisdiction, except as provided in paragraph (b) of this subsection.

(b) The alteration of speed limits on state highways within a city or a county shall not be effective until the alteration has been approved by the secretary of transportation. The secretary shall not approve any alteration that could increase any speed limit established by subsection (3) of this section in excess of ***seventy (70) miles per hour on an interstate highway or parkway or*** fifty-five (55) miles per hour ***on any other state highway***.

(c) If a county determines, upon the basis of an engineering and traffic investigation and study, that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce the congestion, the fiscal court may by ordinance establish "no parking" areas on the highway, or limit the length of time any motor vehicle may be parked in any business district.

[~~(d) Notwithstanding the other limitations in this subsection, the secretary of transportation may establish, by official order, reasonable and safe speed limits on interstate highways and divided highways with four (4) or more lanes and fully controlled access, a speed limit not to exceed sixty-five (65) miles per hour.~~]

(6) ***The speed limit for motor vehicles in an off-street parking facility offered for public use, whether publicly or privately owned, shall be fifteen (15) miles per hour.***

(7) A person shall not drive a motor vehicle at a speed that will impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law.

(8)[~~(7)~~] In every charge for a violation of any speed limit specified in this section, the warrant or citation shall specify the speed at which the defendant is alleged to have driven, and the lawful speed limit applicable at the location where the violation is charged to have occurred.

SECTION 4. A NEW SECTION OF KRS CHAPTER 189 IS CREATED TO READ AS FOLLOWS:

In addition to the penalties prescribed under KRS 189.990 and 189.993, an operator of a motor vehicle who violates the yielding of right-of-way provisions of KRS 189.310, 189.330, 189.338, 189.345, 189.378, subsection (8) of KRS 189.570, KRS 189.575, 189.930, or 189.960 and is involved in an accident shall be subject to the following additional penalties:

HB 510, On page 9, after line 12, by inserting the following:

"Section 5. KRS 134.460 is amended to read as follows:

(1) Certificates of delinquency shall bear interest from the date of issuance until collected at the rate of twelve percent (12%) per annum simple interest. A fraction of a month is counted as an entire month. ***The total amount of the certificate of***

delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in Section 2 of this Act shall be included in the base for the interest calculation.

(2) Certificates of delinquency shall be prima facie evidence that:

(a) The property represented by the certificate was subject to taxes levied thereon, and was assessed as required by law.

(b) The tax bill was valid and correct in all respects.

(c) The taxes were not paid at any time before the issuance of the certificate.

Section 6. KRS 134.500 is amended to read as follows:

(1) ***A certificate of delinquency***[~~Uncollectible tax claims~~] shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The ***total amount of the certificate of delinquency***[~~sheriff's add-on fee provided in KRS 134.430~~], the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be ***included in the base for***[~~excluded from~~] the interest calculation[~~ except in counties containing cities of the first class or consolidated local government~~]. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall

become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement."

L. COAL SEVERANCE TAX PROJECTS

(1) Projects Authorization and Appropriation: Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2004-2005 and fiscal year

2005-2006 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

(2) Water and Sewer Projects: The following projects that are related to water and sewer shall be administered by the Kentucky Infrastructure Authority.

All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS

Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Section 2. KRS 16.010 is amended to read as follows:

As used in KRS 16.030 to 16.170, unless the context requires otherwise:

(1) "Cabinet" means the Justice Cabinet;

(2) "Secretary" means the secretary of justice;

(3) "Commissioner" means the commissioner of the Department of State Police;

(4) "Officer" means any member of the Kentucky State Police who possesses the powers of a peace officer;

(5) "Civilian" means such experts, statisticians, clerks, and other assistants who***, except as provided in KRS 6.420,*** do not possess the powers of a peace officer;

(6) "Board" means the State Police Personnel Board; and

(7) "Department" means the Department of State Police.

Section 3. KRS 16.185 is amended to read as follows:

(1) Any officer ***or legislative security specialist*** who is sued for any act or omission in the line of duty and who has a judgment for monetary damages rendered against him ***or her*** in his ***or her*** individual capacity, and who personally suffers actual financial loss, unreimbursed from any source, by the enforcement and satisfaction of the judgment, including any costs or attorney fees awarded pursuant thereto, shall be indemnified by the Commonwealth, from funds appropriated to the Finance and Administration Cabinet for the payment of judgments, to the extent of his ***or her*** actual financial loss.

(2) The indemnification shall be contingent upon an express determination by the commissioner that the act or omission which resulted in liability was within the scope and course of the officer's ***or legislative security specialist's*** employment and occurred during the performance of duty and was committed or omitted in the good faith belief that the act or omission was lawful and proper.

(3) If the officer ***or legislative security specialist*** seeking indemnification is the commissioner, the determination referred to in subsection (2) of this section shall be made by the Governor.

(4) The indemnification shall not be construed to abrogate or limit any privilege, immunity, or matter of defense otherwise available to the officer and shall not constitute a waiver of any privilege, immunity, or matter of defense, including the sovereign immunity of the Commonwealth.

(5) The indemnification shall not be the subject of comment, directly or indirectly, before any jury hearing any cause of action in which an officer ***or legislative security specialist*** is a party, and any comment before the jury shall result in an immediate mistrial.

53. Premium and Retaliatory Taxes: Notwithstanding KRS 304.17B-021(4)(d), premium taxes collected under KRS Chapter 136 from any insurer and retaliatory taxes collected under KRS 304.3-270 from any insurer shall be credited to the General Fund.

54. Enterprise Zone Tax Incentives: Notwithstanding KRS 154.45-010 to 154.45-120, any business certified as a qualified business prior to the expiration date of the enterprise zone designation shall be eligible for the tax incentives under KRS 154.45-090(2) and (3) for any projects started prior to the expiration date of the enterprise zone designation. The provisions of this section shall only apply if the project had a project scope of $40,000,000 or more, the project was one that was recommended by a tourist and convention commission, the project complements existing tourism and convention facilities, and the project connects to public property. The maximum sales tax exemption for any one project for the period beginning January 1, 2004, and ending June 30, 2006, shall not exceed $700,000 in tax. The provisions of this section shall be retroactive to January 1, 2004.

55. Smokeless Tobacco: The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products, proposed in PART XXI of this Act, reflect the growing data from scientific studies which suggest that although smokeless tobacco poses some risks, those health risks are significantly less than other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risks is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco related disease.

PART IV

STATE SALARY/COMPENSATION AND EMPLOYMENT POLICY

1. Maximum Filled Permanent Positions: Notwithstanding KRS 18A.010(2), for the 2004-2006 fiscal biennium, the total number of filled permanent positions in the agencies of the Executive Branch is limited to the number authorized in the enacted State/Executive Budget of the Commonwealth for the 2004-2006 fiscal biennium. The provisions of this section do not apply to the employees of the General Assembly, the Legislative Research Commission, or the Court of Justice.

2. Annual Organizational Review and Vacant Position Abolishment: The Commissioner of the Department of Personnel shall conduct an annual organizational review of all state agencies in accordance with this Act.

a. As used in this section, unless the context indicates otherwise:

(1) "Management position" means any position that heads an organizational unit;

(2) "Organizational unit" means any unit of an organization in the executive branch of state government that is not an administrative body, including but not limited to any agency, program cabinet, department, bureau, division, section, or office, as defined in KRS 12.010; and

(3) "Commissioner" means the Commissioner of the Department of Personnel or the executive head of its successor agency.

b. The Commissioner of the Department of Personnel shall review annually the number of permanent, full-time positions assigned to each organizational unit. By October 1 each year, after review with the appointing authority, the Commissioner shall provide the Legislative Research Commission with the justification to retain any organizational unit consisting of five or fewer full-time positions.

c. If, as a result of this organizational review, an organizational unit is abolished by the appointing authority, the Commissioner shall assist the appointing authority in transferring all permanent, full-time classified employees with status to other organizational units within that agency.

d. A classified employee in a management position of an organizational unit that is abolished as a result of this review who is not transferred to a similar management position in a different organizational unit may retain the management classification, grade, and pay level for 12 months in the organizational unit to which the employee is transferred even if it is not authorized in the gaining unit.

e. After the 12 month period, the employee shall be reclassified to the appropriate classification by the Commissioner. The employee shall retain his or her current salary, including annual increments and cost-of-living adjustments, until the employee advances to a higher grade level than the management position from which the employee was reclassified.

f. The Commissioner of Personnel shall abolish any organizational unit management position in any agency that is vacant, and not advertised for filling, for 90 days and review with the appointing authority the necessity to retain the organizational unit.

3. Authorized Personnel Complement: On July 1, 2004, the Department of Personnel shall establish a record of budgeted permanent and other equivalent positions based upon the enacted State/Executive Budget of the Commonwealth and any adjustments authorized by provisions in this Act. The total number of filled and vacant positions of full-time, part-time, and interim employees shall not exceed the authorized complements pursuant to this section. When an agency head certifies that an emergency employment situation exists for a limited time within a fiscal year, the State Budget Director may approve, and the Commissioner of Personnel may authorize, the employment of individuals in addition to the authorized complement for the duration of the limited time period so authorized within the fiscal year. A copy of records, certifications, and actions authorized in this section shall be provided to the Interim Joint Committee on Appropriations and Revenue on a monthly basis.

4. Cost-of-Living Adjustment: Notwithstanding KRS 18A.355(1), a cost-of-living adjustment of two percent is provided in fiscal year 2004-2005 and three and one-half percent is provided in fiscal year 2005-2006 on the base salary or wages of each eligible state employee on their anniversary date.

5. Cabinet Secretaries Salaries: The total annual salaries for Cabinet Secretaries, as authorized by KRS 12.255, shall not exceed the total annual salaries for all Cabinet Secretary positions on December 1, 2003.

6. Employee Furloughs or Reductions in Hours: The General Assembly declares that the financial condition of the Commonwealth requires the following fiscal policies to be implemented and administered during the 2004-2006 fiscal biennium:

a. For purposes of this section:

(1) "Appointing authority" means the agency head as defined in KRS 18A.005(1) and 151B.010(1);

(2) A "furlough" or "reduction in hours" means that an appointing authority may temporarily reduce the number of hours that an employee is scheduled to work within a pay period if the Budget Reduction Plan or cost savings contemplated in this Act are not achieved. In the case of an employee who is considered "salaried" or "exempt" from the coverage of the Fair Labor Standards Act, 29 U.S.C. sec. 201 et seq., the length of a furlough shall not be less than a work week;

(3) A "lack of funds" means an appointing authority has a current or projected deficiency of funding to maintain current, or to sustain projected, levels of staffing and operations; and

(4) A "lack of work" means an operating authority has a current or projected decrease in the workload, which requires a reduction of current or projected staffing levels.

b. Notwithstanding any other provision of law, an appointing authority, with the approval of the Commissioner of the Department of Personnel or, in the case of employees governed by KRS Chapter 151B, the Kentucky Technical Education Personnel Board, may temporarily reduce the hours of work assigned to employees due to:

(1) Lack of work;

(2) Seasonal changes in demand for services; or

(3) A current or projected deficiency of funding necessary to maintain current, or to sustain projected, levels of staffing and operations.

c. An employee whose hours of work are temporarily reduced by the appointing authority pursuant to this section shall be notified in writing of the reduced schedule of work, the reasons for the reduction, and the reasons for the employee's selection.

d. Notwithstanding any other provision of law, an employee whose hours of work are temporarily reduced by the appointing authority pursuant to this section:

(1) Shall remain eligible for state-paid benefits during the temporary reduction of hours; and

(2) Shall not be entitled to appeal the reduction to the Personnel Board or, in the case of employees governed by KRS Chapter 151B, the Kentucky Technical Education Personnel Board, unless the length of the furlough exceeds ten consecutive

working days.

e. Whenever a furlough is necessary, the appointing authority of an agency shall decide in which county or facility and within which classifications the furlough will occur, and the number of employees to be furloughed within each affected county, facility, or classification. The order of furlough shall be based on length of service and relative qualifications to perform the essential functions of any positions that remain in operation within the agency, county, or facility.

f. An employee subject to KRS Chapter 18A who has been furloughed for more than ten consecutive working days, and who believes that the furlough was unwarranted under the provisions of this section or that the appointing authority failed to properly apply the criteria established by this section in determining the order of furlough, may appeal to the Personnel Board within 30 days of the date the notice of furlough was mailed or delivered by the appointing authority. An employee shall not have the right to appear before the appointing authority prior to furlough. In all other respects, the provisions of KRS 18A.095 shall govern appeals based on furloughs.

g. An employee subject to KRS Chapter 151B who has been furloughed more than ten consecutive working days, and who believes that the furlough was unwarranted under the provisions of this section or that the appointing authority failed to properly apply the criteria established in this section in determining the order of furlough, may appeal to the Kentucky Technical Education Personnel Board within 30 days of the date the notice of furlough was mailed or delivered by the appointing authority. An employee shall not have the right to appear before the appointing authority prior to furlough. In all other respects, the provisions of KRS 151B.060 shall govern appeals based on furlough.

h. Notwithstanding any other provision of law, an employee participating in one of the state retirement systems who is furloughed to the extent of working less than 100 hours per month shall, upon return to regular hours, have the right to purchase service credit by paying the employee contributions on the difference between the creditable compensation that would have been paid had the employee not been furloughed and the actual compensation received for the period the employee was placed on furlough and worked less than 100 hours. If the employee elects to purchase service credit, the employing agency shall pay the employer contributions for the period purchased by the employee.

i. The Commissioner of the Department of Personnel shall promulgate an administrative regulation to implement a furlough program. The administrative regulation shall include a provision authorizing employees to elect to voluntarily participate in a furlough program.

PART VI

GENERAL FUND BUDGET REDUCTION PLAN

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected deficit in estimated General Fund revenue receipts of $7,171,300,000 in fiscal year 2004-2005 and $7,475,900,000 in fiscal year 2005-2006 as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected deficit.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

In the event of a revenue shortfall under the provisions of KRS 48.120, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act.

(2) Transfers of excess unappropriated and unbudgeted Restricted Funds other than fiduciary funds shall be applied as determined by the head of each branch for its respective budget units.

(3) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth.

(4) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the trust fund balance in fiscal year 2004-2005 and 50 percent of the trust fund balance in fiscal year 2005-2006.

(5) Notwithstanding the provisions of KRS 48.130 and 48.600, if the actions contained in subsections (1) to (4) of this section are insufficient to eliminate an actual or projected revenue shortfall in the enacted General Fund revenue receipts, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in the preceding subsection.

PART VII

GENERAL FUND SURPLUS EXPENDITURE PLAN

1. Pursuant to KRS 48.700 and notwithstanding KRS 48.140, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Expenditure Plan contained in this Part for fiscal years 2004-2005 and 2005-2006. Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance in excess of the amount determined in Part III, section (36), are appropriated for the purposes and in the priority sequence as follows: (1) Teacher salary funding support to public school districts in an amount sufficient to provide for the recurring impact in fiscal year 2005-2006 of the one and one-half percent pay increase provided by school districts in fiscal year 2004-2005 to the extent that amount is not already provided in this bill. The appropriate amount shall be calculated by the State Budget Director in consultation with the Commissioner of the Department of Education and the Secretary of the Education Cabinet. In the event that insufficient General Fund Surplus moneys are realized after the close of fiscal year 2003-2004 and fiscal year 2004-2005, the amount calculated as necessary by the State Budget Director shall be reserved and appropriated from the Budget Reserve Trust Fund for expenditure in fiscal year 2005-2006; (2) increased funding of $2,000,000 in fiscal year 2004-2005 and $2,000,000 in fiscal year 2005-2006 to the Read to Achieve program in the Department of Education; and (3) Increased support to the Budget Reserve Trust Fund up to the amount necessary to provide a balance equaling five percent of actual General Fund revenues for fiscal year 2003-2004 and fiscal year 2004-2005, respectively.

At the request of the Governor, the Secretary of the Health and Family Services Cabinet shall certify to the Governor and

State Budget Director the total of the projected deficit in Medicaid benefit expenses during fiscal years 2003-2004, 2004-2005, and 2005-2006 and the corresponding amount of affected state funds. Notwithstanding KRS 48.705, the Governor may direct that moneys available in the Budget Reserve Trust Fund be allotted to the Medicaid Benefits budget unit to match Federal Funds in order to alleviate the projected deficit in either fiscal year. Official actions taken under the provisions of this paragraph shall be reported to the Interim Joint Committee on Appropriations and Revenue at the time of each action.

2. The Secretary of the Finance and Administration Cabinet shall determine, within 30 days after the close of the fiscal year 2003-2004, and the close of fiscal year 2004-2005, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2004-2005 and fiscal year 2005-2006.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 2004, and June 30, 2005, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated respectively for expenditure in fiscal year 2004-2005 and fiscal year 2005-2006 pursuant to the Plan.

PART VIII

ROAD FUND BUDGET REDUCTION PLAN

There is established a Road Fund Budget Reduction Plan for fiscal year 2004-2005 and fiscal year 2005-2006. Notwithstanding KRS 48.130, in the event of an actual or projected shortfall in estimated Road Fund revenue receipts of $1,141,409,100 in fiscal year 2004-2005 and $1,162,506,700 in fiscal year 2005-2006 as determined by KRS 48.120(3), the Governor shall implement sufficient reductions as may be required to protect the highest possible level of service. No budget revision action shall be taken in excess of the actual or projected deficit.

PART IX

ROAD FUND SURPLUS EXPENDITURE PLAN

Notwithstanding KRS 48.140 and pursuant to KRS 48.710, there is established a plan of expenditures from the Road Fund Surplus Account. All moneys in the Road Fund Surplus Account shall be deposited in the State Construction Account and utilized to support projects in the fiscal biennium 2004-2006 Biennial Highway Construction Program.

PART X

(1) **General Purpose:** Part X of this Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as described in KRS 248.701 to 248.727. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking-related expenditures made over time.

(2) **State's MSA Share:** The Commonwealth's share of the MSA is equal to 1.7611586 percent of the total settlement amount. Payments under the MSA were made to the states in January and April of each year through 2003 and will be made annually in January thereafter.

(5) **MSA Payment Estimates and Adjustments:** Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 2004-2005 is $108,800,000 and in fiscal year 2005-2006 is $108,600,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

a. **State Enforcement:** Notwithstanding KRS 248.654, a total of $175,000 of the MSA payments received each fiscal year of the 2004-2006 biennium is appropriated to the Finance and Administration Cabinet, Department of Revenue for the state's enforcement of noncompliant nonparticipating manufacturers.

b. **Agricultural Development Initiatives:** Fifty percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be $54,312,500, and in fiscal year 2005-2006, estimated to be $54,212,500, is appropriated to the Kentucky Agricultural Development Fund to be used for agricultural development initiatives as specified below.

c. **Early Childhood Development Initiatives:** Twenty-five percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be $27,156,200, and in fiscal year 2005-2006, estimated to be $27,106,200, is appropriated for Early Childhood Development Initiatives as specified below.

If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon conviction of such a crime, the judgment and sentence is presumptive evidence at the ensuing disciplinary hearing of the guilt of the licensee or applicant of the crime described in the indictment or information and of the person's violation of the statute on which it is based. For the purpose of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended;

psychologist had knowledge of it.

(4) Three (3) years from the date of a revocation, any person whose license has been revoked may petition the board for reinstatement. The board shall investigate his or her petition and may reinstate his or her license upon finding that the former licensee has complied with the provisions of this chapter and administrative regulations promulgated by the board and is again able to engage in the practice of psychology with reasonable skill, competency, and safety to the public.

(5) The board may, at its own discretion, reconsider, modify, or reverse its probations, suspensions, revocations, restrictions, or refusals to issue or renew licenses at any time.

Section 7. KRS 327.070 is amended to read as follows:

(1) If the taxpayer makes, or is required to make, a federal income tax return, ***the taxpayer's***[~~his~~] income shall be computed for the purposes of this chapter on the basis of the same calendar or fiscal year required by the federal government, and ***the taxpayer***[~~he~~] shall employ the same methods of accounting required for federal income tax purposes.

A stockholder who is an individual, or a member of the stockholder's family as set forth in Section 318 of the Internal Revenue Code if the stockholder and the members of the stockholder's family own, directly indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

2. A stockholder or a stockholder's partnership, limited liability company, estate, trust, or corporation if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts, and corporations own directly, indirectly, beneficially, or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock; or

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of the Internal Revenue Code if the taxpayer owns, directly, indirectly, beneficially, or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock. The attribution rules of the Internal Revenue Code shall apply for purposes of determining whether the ownership requirements of this definition have been met.

(2) A corporation subject to the tax imposed by Section 6 of this Act shall not be permitted to deduct interest expenses and costs, or intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one (1) or more direct or indirect transactions with, one (1) or more related members as defined in subsection (1) of this section.

(3) The disallowance of deductions provided by subsection (2) of this section shall not apply if:

(a) The taxpayer and the cabinet agree in writing to the application or use of an alternative method of apportionment under subsection (9) of Section 9 of this Act; or

(b) The deductions have a legitimate business purpose apart from reducing the corporation's Kentucky taxable income and are specifically allowed by administrative regulations promulgated by the cabinet.

(4) The cabinet may require either a consolidated return or a combined return from any or all corporations conducting inter-

corporate transactions whenever the cabinet finds that such inter-corporate transactions reduce taxable net income, as defined in KRS 141.010(14), of the corporation(s) below the amount which would result if the transactions were at arm's length.

(5)[~~(2)~~] The cabinet is authorized and empowered to assess the tax against any of the corporations whose income is included in the consolidated or combined return in such manner as it may determine necessary to prevent the avoidance of income tax.

(6)[~~(3)~~] In the case of corporations not required to file a consolidated or combined return under subsection *(4)*[~~(1)~~] of this section *or subsection (11) of Section 13 of this Act* that carried on transactions with stockholders or affiliated corporations directly or indirectly, the cabinet shall adjust the net income of such corporations to an amount that would result if such transactions were carried on at arm's length.

Section 15. KRS 141.206 is amended to read as follows:

(1) *As used in this section unless the context requires otherwise:*

(b) "Property" means real property or tangible personal property which is owned or leased; and

(c) "Payroll" means compensation paid to one (1) or more individuals as described in paragraph (b) of subsection (8) of Section 9 of this Act.

(3)[~~(2)~~] *(a) General* partnerships[~~ and S corporations~~] shall determine *net*[~~taxable~~] income in the same manner as in the case of an individual under KRS 141.010(9) to (11) and the adjustment required under Sections 703(a)[~~ and 1363(b)~~] of the Internal Revenue Code. Computation of *net*[~~taxable~~] income under this section and the computation of the partners[~~ or shareholders~~] distributive share shall be computed as nearly as practicable identical with those required for federal income tax purposes except to the extent required by differences between this chapter and the federal income tax law and regulations.

(b) For partnerships, limited liability companies electing partnership tax treatment for federal income tax purposes, single member limited liability companies whose member is an individual, and S corporations subject to tax under the provisions of Section 6 of this Act, the individual partner, member, or shareholder's distributive share shall be computed as nearly as practicable in a manner identical to that required for federal income tax purposes except to the extent required by differences between this chapter and the federal income tax law and regulations.

(4)[~~(3)~~] Individuals*, estates, trusts,* or corporations *doing*[~~carrying on a~~] business *in this state* as a *partner in a general* partnership[~~ or S corporation~~] shall be liable for income tax only in their individual*, fiduciary,* or corporate capacities, and no income tax shall be assessed upon the income of any *general* partnership[~~ or S corporation except as prescribed in KRS 141.040(5)~~]. *General partnerships may be required to withhold Kentucky income tax on the distributive share under administrative regulations promulgated by the cabinet.*

(5) In determining the tax under this chapter, a resident individual, estate, or trust that is a partner in a general partnership shall take into account the partner's total distributive share of the partnership's items of income, loss, deduction, and credit.

(6) In determining the tax under this chapter, a nonresident individual, estate, or trust that is a partner in a general partnership required to file a return under subsection (2) of this section shall take into account:

(a) If the partnership is doing business only in this state, the partner's total distributive share of the partnership's items of income, loss, and deduction. A general partnership is doing business only in the state if property and payroll are entirely within this state. Property and payroll are deemed to be entirely within this state if all other states are prohibited by Pub. L. 86-272, as it existed on December 31, 1975, from enforcing income tax jurisdiction, or

(b) If the partnership is doing business both within and without this state, the partner's distributive share of the general partnership's items of income, loss, and deduction multiplied by the apportionment fraction of the partnership as prescribed in subsection (11) of this section; and

(c) The partner's total distributive share of credits of the partnership.

(7) A corporation that is subject to tax under Section 6 of this Act and is a partner in a general partnership shall take into account:

(b) Credits from the partnership;

(8) (a) If a general partnership is doing business both within and without this state, the partnership shall compute and furnish to each partner an apportionment fraction determined in accordance with subsection (11) of this section.

(b) For purposes of determining if a general partnership is doing business both within and without this state and for determining an apportionment fraction under paragraph (a) of this subsection, the general partnership that is a partner in another general partnership shall be deemed to own its pro-rata share of property owned by the other general partnership, to be the lessor of its pro-rata share of property leased by the other general partnership, to be the payor of its pro-rata share of payroll of the other general partnership, and to have made its pro-rata share of the sales of the other general partnership. Property, payroll, and sales attributed by one (1) general partnership to a second general partnership may be further attributed by the second general partnership to a third general partnership if the third general partnership is a partner in the second general partnership, and may be further attributed to any subsequent general partnership.

(9) (a) Resident[~~ and nonresident~~] individuals who are partners *in a partnership, members in a limited liability company electing partnership tax treatment for federal income tax purposes, owners of a single member limited liability company,* or *shareholders in an* S corporation *subject to the tax imposed by Section 6 of this Act*[~~shareholders~~] must report and pay tax on the distributive share of net income, gain, loss, deduction, or credit, as determined in *paragraph (b) of* subsection *(3)*[~~(2)~~] of this section*.*

(b) Nonresident individuals who are partners in a partnership, members in a limited liability company electing partnership tax treatment for federal income tax purposes, or owners of a single member limited liability company or shareholders in an S corporation subject to the tax imposed by Section 6 of this Act must report and pay tax on the distributive share of net income, gain, loss, deduction, or credit as determined in paragraph (b) of subsection (3) of this section, and as apportioned to this state pursuant to the provisions of subsection (8) of Section 9 of this Act[~~, except as provided in subsections (4) and (5) of this section. Partnerships and S corporations may be required to withhold Kentucky income tax on the distributive share under administrative regulations issued by the cabinet.~~

~~(b) Corporations which are partners must include their distributive share of net income, gain, loss, deduction or credit, as determined under subsection (2) of this section, except as provided in subsections (4) and (5) of this section.~~

~~(4) Resident and nonresident individuals and corporations which are partners in a partnership or shareholders in an S corporation carrying on business only in Kentucky are taxable on all items of income gain, loss, deduction or credit determined under subsection (2) of this section and reported as their distributive share from the partnership or S corporation.~~

~~(5) Nonresident individuals and corporations which are partners in a partnership or shareholders in an S corporation which does business within and without Kentucky are taxable on their proportionate share of the distributive income passed through the partnership or S corporation attributable to business done in Kentucky.~~

~~(a) Business done in Kentucky is determined by the ratio of gross receipts from sales to purchasers or customers in Kentucky or services performed in Kentucky to the total gross receipts from sales or service everywhere.~~

~~(6) Resident partners, S corporation shareholders and corporations which are partners in a multistate partnership or shareholders in a multistate S corporation are taxable on one hundred percent (100%) of the distributive share of income, gains, losses, deductions or credits~~].

(10) Resident and nonresident individuals who are partners in a partnership, members in a limited liability company electing partnership tax treatment for federal income tax purposes, shareholders in an S corporation, or owners of a single member limited liability company shall be entitled to a nonrefundable credit against the tax imposed under Section 4 of this Act for their proportionate share of the income tax due as determined under Section 6 of this Act before the application of any credits identified in subsection (4) of Section 5 of this Act and reduced by the required minimum imposed by subsection (6) of Section 6 of this Act. The credit determined under this subsection shall not operate to reduce the tax due to an amount that is less than what would have been payable were the income attributable to doing business in this state by the partnership, limited liability company, or S corporation ignored.

(11) A general partnership doing business within and without the state shall apportion its net income by a fraction, the numerator of which is the property factor, representing twenty-five percent (25%) of the fraction, plus the payroll factor, representing twenty-five percent (25%) of the fraction, plus the sales factor, representing fifty percent (50%) of the fraction, with each factor determined in the same manner as provided in subsection (8) of Section 9 of this Act, and the denominator of which is four (4), reduced by the number of factors, if any, having no denominator.

(12)[~~(7)~~] Resident individuals*, estates, or trusts that*[~~who~~] are partners in a partnership*, members of a limited liability company electing partnership tax treatment for federal income tax purposes, owners of single member limited liability company,* or shareholders in an S corporation which does not *do*[~~carry on~~] business in *this state*[~~Kentucky~~] are subject to tax under KRS 141.020 on federal net income, gain, deduction, *or* loss or credit passed through the partnership*, limited liability company,* or S corporation.

(13)[~~(8)~~] S corporation for purpose of this section means a corporation which has elected for federal tax purposes to be taxed as an S corporation. An election for federal tax purposes is a binding election for Kentucky tax purposes.

(14)[~~(9)~~] Nonresident individuals shall not be taxable on investment income distributed by a qualified investment partnership. For purposes of this subsection a "qualified investment partnership" means a partnership formed to hold only investments that produce income that would not be taxable to the nonresident individual if held or owned individually.

(15) (a) A general partnership may file a composite income tax return on behalf of electing nonresident individual partners reporting and paying income tax at the highest marginal rate provided in this chapter on the partners' pro rata or distributive shares of income of the general partnership from doing business in, or deriving income from sources within, this state.

(b) A nonresident individual partner whose only source of income within this state is from one or more general partnerships may elect to be included in a composite return filed pursuant to this section.

(c) A nonresident individual partner that has been included in a composite return may file an individual income tax return and shall receive credit for tax paid on the partner's behalf by the general partnership.

(d) A general partnership shall deliver to the department a return upon a form prescribed by the department showing the total amounts paid or credited to its electing nonresident individual partners, the amount paid in accordance with this subsection, and any other information the department may require. A general partnership shall furnish to its nonresident partner annually, but not later than the fifteenth day of the third month after the end of its taxable year, a record of the amount of tax paid on behalf of the partner on a form prescribed by the department.

(2) ***A limited liability company shall file a Kentucky corporate income tax return and determine its Kentucky income tax liability as provided in Section 6 of this Act regardless of the tax treatment elected for federal income tax purposes. All other income tax issues not expressly addressed by the provisions of this chapter shall be treated in the same manner as the issues are treated***[~~Any limited liability company shall be treated for Kentucky income tax purposes in the same manner as its tax treatment~~] for federal income tax purposes.

Section 17. KRS 141.347 is amended to read as follows:

(8) If an approved company can show to the satisfaction of the Revenue Cabinet that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income ***or gross receipts*** from the facility at which the economic development project is located, the approved company shall determine net income ***or gross receipts*** from the economic development project using an alternative method approved by the Revenue Cabinet.

(9) The Revenue Cabinet may issue administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of KRS 154.22-020 to 154.22-070 and the allowable income tax credit which an approved company may retain under KRS 154.22-020 to 154.22-070.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section ***shall consider***~~[take into consideration]~~ the ***standard deduction***~~[deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make the change in these tables necessary to compensate for any increase or decrease in the deductible federal income tax]~~.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation~~[so permitted]~~ produces substantially the same result ***as*** set forth in the tables authorized by KRS 141.370.

Prior approval of the calculation shall be secured from the cabinet at least thirty (30) days before the first payroll period for which it is to be used.

(7) The cabinet may, by ***administrative*** regulations, authorize employers:

(8) The cabinet may provide by ***administrative*** regulation, under the conditions and to the extent it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to the additional withholding. The additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in KRS 154.24-110 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be four-fifths (4/5) of the amount of the assessment fee withheld from the employee or the Commonwealth's contribution of KRS 154.24-110(3) applies. (10) Any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees an assessment provided in KRS 154.22-070 or KRS 154.28-110 may offset the fee against the Kentucky income tax required to be withheld from the employee under this section.

(11) Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in KRS 154.26-100 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee, or if the agreement under KRS 154.26-090(1)(d)2.b. is consummated, the offset shall be four-fifths (4/5) of the assessment fee.

(12) Any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job development assessment fee provided in KRS 154.23-055 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be equal to the Commonwealth's contribution as determined by KRS 154.23-055(1) to (3).

(13) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. The bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but shall not exceed fifty thousand dollars ($50,000).

(14) The Commonwealth may bring an action for a restraining order or a temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. 1. For qualified equipment with a useful life of five (5) or more years, the period from the date the equipment is purchased to five (5) full years from that date; or

(e) "Useful life" means the period determined under Section 168 of the Internal Revenue Code; and

(f) "Secondary waste" means waste material generated during a manufacturing process and includes any material that is used in the manufacturing process that does not become a part of the finished product that makes its way to the consumer.

The amount of credit claimed in the tax year during which the recycling equipment is purchased shall not exceed ten percent (10%) of the amount of the total credit allowable and shall not exceed twenty-five percent (25%) of the total of each tax liability which would be otherwise due.

If the total credit taken in prior taxable years exceeds the redetermined credit, the difference shall be added to the taxpayer's tax liability under this chapter for the taxable year in which the sale, transfer, or disposition occurs. If the redetermined credit exceeds the total credit already taken in prior taxable years, the taxpayer shall be entitled to use the difference to reduce the taxpayer's tax liability under this chapter for the taxable year in which the sale, transfer, or disposition occurs.

(6) Any person who willfully aids or assists in, or procures, counsels, or advises the preparation or presentation under, or in connection with any matter arising under this chapter of a return, affidavit, claim, or other document, which is fraudulent or is false as to any material matter, whether or not the falsity or fraud is with the knowledge or consent of the person authorized or required to present such return, affidavit, claim, or document, shall be guilty of a Class D felony.

(7) A return for the purpose of this section shall mean and include any return, declaration, or form prescribed by the cabinet and required to be filed with the cabinet by the provisions of this chapter, or by the rules and regulations of the cabinet or by written request for information to the taxpayer by the cabinet.

Section 30. KRS 136.530 is amended to read as follows:

(1) The receipts factor is a fraction, the numerator of which is the receipts of the financial institution in this Commonwealth during the taxable year as determined by subsection (2) of this section and the denominator of which is the receipts of the financial institution within and without this Commonwealth during the taxable year. Receipts shall include the following:

(a) Receipts from the lease or rental of real property owned by the financial institution;

(b) Receipts from the lease or rental of tangible personal property owned by the financial institution;

(c) Interest and fees or penalties in the nature of interest from loans secured by real property;

(e) Net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code;

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees;

(g) Net gains, but not less than zero (0), from the sale of credit card receivables;

(h) All credit card issuer's reimbursement fees;

(i) Receipts from merchant discount. Receipts from merchant discount shall be computed net of any cardholder charge backs, but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders;

(j) Loan servicing fees derived from loans secured by real property;

(k) Loan servicing fees derived from loans not secured by real property;

(l) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities. Investment assets and activities and trading assets and activities include but are not limited to investment securities, trading account assets, federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. The receipts factor shall include the following amounts:

1. The amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements; and

2. The amount by which interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from these assets and activities;

(m) All receipts derived from sales that would be included in the factor established by ***paragraph (c) of subsection (8) of Section 9 of this Act***[~~KRS 136.070(3)(d)1., 2., and 3.~~]; and

(n) Receipts from services not otherwise specifically listed.

(2) A determination of whether receipts should be included in the numerator of the fraction shall be made as follows:

(a) Receipts from the lease or rental of real property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.

(b) 1. Except as described in subparagraph 2. of this paragraph, receipts from the lease or rental of tangible personal property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth when it is first placed in service by the lessee.

2. Receipts from the lease or rental of transportation property owned by the financial institution are included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth. The extent an aircraft will be deemed to be used in this Commonwealth and the amount of receipts that is to be included in the numerator of this Commonwealth's receipts factor is determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(c) 1. Interest and fees or penalties in the nature of interest from loans secured by real property shall be included in the numerator if the property is located within this Commonwealth. If the property is located both within this Commonwealth and one (1) or more other states, receipts shall be included if more than fifty percent (50%) of the fair market value of the real property is located within this Commonwealth. If more than fifty percent (50%) of the fair market value of the real property is not located within any one (1) state, then the receipts described in this subparagraph shall be included in the numerator if the borrower is located in this Commonwealth.

2. The determination of whether the real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and any subsequent substitutions of collateral shall be disregarded.

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property shall be included in the numerator if the borrower is located in this Commonwealth.

(e) Net gains from the sale of loans shall be included in the numerator as provided in subparagraphs 1. and 2. of this paragraph. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code.

1. The amount of net gains, but not less than zero (0), from the sale of loans secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

2. The amount of net gains, but not less than zero (0), from the sale of loans not secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the

denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, shall be included in the numerator if the billing address of the card holder is in this Commonwealth.

(g) Net gains, but not less than zero (0), from the sale of credit card receivables to be included in the numerator shall be determined by multiplying the amount established in paragraph (g) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders..

(h) Credit card issuer's reimbursement fees to be included in the numerator shall be determined by multiplying the amount established in paragraph (h) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(i) Receipts from merchant discount shall be included in the numerator if the commercial domicile of the merchant is in this Commonwealth. Receipts from merchant discount shall be computed net of any cardholder charge backs but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.

(j) 1. a. Loan servicing fees derived from loans secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (j) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

b. Loan servicing fees derived from loans not secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (k) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

2. In circumstances in which the financial institution receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor shall include the fees if the borrower is located in this Commonwealth.

(k) Receipts from services not otherwise apportioned under this section shall be included in the numerator if the service is performed in this Commonwealth. If the service is performed both within and without this Commonwealth, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this Commonwealth based on cost of performance.

(l) 1. The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in paragraph (l) of subsection (1) of this section that are attributable to this Commonwealth.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from the assets and activities by a fraction the numerator of which is the average value of the assets that are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all the assets.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the average value of trading assets which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all assets.

d. For purposes of this subparagraph, average value shall be determined using the rules for determining the average value of tangible personal property set forth in KRS 136.535(3) and (4).

2. In lieu of using the method set forth in subparagraph 1. of this paragraph, the financial institution may elect, or the cabinet may require in order to fairly represent the business activity of the financial institution in this Commonwealth, the use of the method set forth in this subparagraph.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from assets and activities by a fraction the numerator of which is the gross income from assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the gross income from funds and securities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the gross income from trading assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

3. If the financial institution elects or is required by the cabinet to use the method set forth in subparagraph 2. of this paragraph, it shall use this method on all subsequent returns unless the financial institution receives prior permission from the cabinet to use, or the cabinet requires, a different method.

4. The financial institution shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) regular place of business is in this Commonwealth and one (1) regular place of business is outside this Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the financial institution where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the financial institution demonstrates to the contrary, the policies and guidelines shall be presumed to be established at the commercial domicile of the financial institution.

(m) The numerator of the receipts factor includes all other receipts derived from sales as determined pursuant to the provisions set forth in ***paragraph (c) of subsection (8) of Section 9 of this Act***[~~KRS 136.070(3)(d)1., 2., and 3~~].

(n) 1. All receipts that would be assigned under this section to a state in which the financial institution is not taxable shall be included in the numerator of the receipts factor, if the financial institution's commercial domicile is in this Commonwealth.

2. For purposes of subparagraph 1. of this paragraph, "taxable" means either:

a. That a financial institution is subject in another state to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, a corporate stock tax including a bank shares tax, a single business tax, an earned surplus tax, or any tax which is imposed upon or measured by net income; or

b. That another state has statutory authority to subject the financial institution to any of the taxes in subdivision a. of this subparagraph, whether in fact the state does or does not impose the tax.

subsection (3) of this section, for any annual period in which the certificated air carrier meets or exceeds the investment and gross wage qualification requirements prescribed in subsection (2) of this section and has elected to begin claiming the credit.

(2) To qualify for the general tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; and

(b) During the annual period for which the credit is claimed, have gross wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141 which are at least fifteen million dollars ($15,000,000) greater than its gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(3) The general tax credit shall be an amount equal to ten percent (10%) of the increase in gross wages subject to Kentucky income tax and Kentucky income tax withholding paid by the certificated air carrier during the annual period as compared to the carrier's gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(4) The general tax credit may accrue for only five (5) consecutive annual periods of the qualifying certificated air carrier. The five (5) year limitation period shall begin at the election of the qualifying certificated air carrier, but not later than the carrier's annual period beginning in 1997. The tax credit shall accrue to the carrier only for the annual periods during which the carrier meets or exceeds the requirements as provided in subsection (2) of this section.

(5) The general tax credit authorized to a qualifying certificated air carrier shall not exceed three million dollars ($3,000,000) for any annual period.

(6) The general tax credit authorized to a qualifying certificated air carrier shall not exceed a total of fifteen million dollars ($15,000,000).

(7) The general tax credit authorized shall be claimed by the qualifying certificated air carrier first against ***the tax liability imposed by Section 6 of this Act***[~~its Kentucky corporation income tax liability~~], then against its Kentucky corporation license tax liability, with any remaining balance to be claimed against its Kentucky sales and use tax liability. The credit shall not be applied to any other liability due the Commonwealth. The Revenue Cabinet may prescribe the method or manner for the qualifying certificated air carrier to claim the tax credit on applicable tax returns filed with the cabinet.

(8) If the tax liabilities against which the tax credit is to be claimed pursuant to subsection (7) of this section are not sufficient to fully absorb the allowable tax credit, or if a[~~ net operating loss carryback or other~~] subsequent adjustment reduces the carrier's liability against which a credit authorized by this section has previously been claimed, the unused or excess balance of the allowable credit may be applied against the carrier's liabilities for the specified taxes for previous or subsequent annual periods within the five (5) year limitation period. However, no refund in excess of the net tax actually paid by the carrier shall be made by the Commonwealth because of the carrier's application of the unused or excess credit. Interest shall not apply to any tax refunded for a prior period resulting from the credit carryback provisions of this subsection.

(9) Each certificated air carrier claiming the general tax credit authorized pursuant to this section shall file an annual general tax credit reconciliation report with the Revenue Cabinet on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.135 to 144.139 for each type tax against which the credit is applied.

The minimum tax assessable to any one (1) such corporation shall be ten dollars ($10). It is the purpose and intent of the General Assembly to levy taxes on corporations organized pursuant to this chapter so that all such corporations will be taxed uniformly in a just and equitable manner in accordance with the provisions of the Constitution of the Commonwealth of Kentucky. The intent of this section is for the General Assembly to exercise the powers of classification and of taxation on property, franchises, and trades conferred by Section 171 of the Constitution of the Commonwealth.

(3) On or before June 1 of each year, the executive officer or officers of each corporation shall file with the secretary of revenue a full and accurate report of all income received or accrued during the taxable year, and also an accurate record of the legal deductions in the same calendar year to the end that the correct entire net income of the corporation may be determined. This report shall be in such form and contain such information as the secretary of revenue may specify. At the time of making such report by each corporation, the taxes levied by this section with respect to an excise tax on corporations organized pursuant to this chapter shall be paid to the secretary of revenue.

(4) The securities, evidences of indebtedness and shares of the capital stock issued by the corporation established under the provisions of this chapter, their transfer, and income therefrom and deposits of financial institutions invested therein, shall at all times be free from taxation within the Commonwealth.

(5) Any stockholder, member, or other holder of any securities, evidences of indebtedness, or shares of the capital stock of the corporation who realizes a loss from the sale, redemption, or other disposition of any securities, evidences of indebtedness, or shares of the capital stock of the corporation, including any such loss realized on a partial or complete liquidation of the corporation, and who is not entitled to deduct such loss in computing any of such stockholder's, member's, or other holder's taxes to the Commonwealth shall be entitled to credit against any taxes subsequently becoming due to the Commonwealth from such stockholder, member, or other holder, a percentage of such loss equivalent to the highest rate of tax assessed for the year in which the loss occurs upon mercantile and business corporations.

Money in hand shall be listed, assessed, and valued as of January 1 of each year. Notes, bonds, accounts, and other credits, whether secured by mortgage, pledge, or otherwise, or unsecured, and all interest in the property, unless otherwise provided by law, shall be listed, assessed, and valued as of the beginning of business on January 1 of each year.~~]All[~~ other~~] taxable property and all ***interests***[~~interest~~] in[~~ other~~] taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year. It shall be the duty of all persons owning or having any interest in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located between January 1 and March 1 in each year, except as otherwise provided by law. It shall be the duty of all persons owning or having any interest in any[~~ intangible personal property or~~] tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the cabinet between January 1 and May 15 in each year, except as otherwise prescribed by law.[~~ The filing date for an individual's intangible property tax return may be extended to the extended federal income filing date approved by the Internal Revenue Service for that individual. If an individual extends the filing date for the intangible return, no discount shall be allowed upon the payment of the intangible tax.~~] All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

(2) Any taxpayer may list his property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the cabinet, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.

(3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his employee, or employees of the cabinet may physically inspect and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

(5) Real property tax roll entries for which tax bills have not been collected at the expiration of the one (1) year tolling period provided for in KRS 134.470, and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted from the tax roll and the assessment shall be exonerated. The property valuation administrator shall keep a record of these exonerations, which shall be open under the provisions of KRS 61.870 to 61.884. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.

(6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the cabinet within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the cabinet. The cabinet shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.

(7) Each property valuation administrator, under the direction of the cabinet, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 57. KRS 132.230 is amended to read as follows:

(1) Every person listing his property with the property valuation administrator shall state:

(a) Each separate tract of land, with the number of acres in each tract; the value per acre; each of the improvements thereon; the name of the nearest resident thereto; where located, giving the election precinct in which it is located; the number of each city lot and the improvements thereon, in what city, on which street, the value of each, and the value of the improvements thereon to the extent that they enhance the value of each lot; whether there is any land adjoining his owned by a nonresident of the county or state, giving the name and place of residence of any such owner, if known;

(b) The number of livestock, their type, species and value;

(c)[~~All other property including the number, denomination and fair cash value of all bonds subject to taxation owned by him with the value thereof on January 1 of the year for which the assessment is made, unless otherwise provided by law; and~~

~~(d)~~] Such other facts as may be required in the blanks provided.

(2) An error or informality in the description or location of the property, or in the name of the owner or person assessed, shall not invalidate the assessment if the property can with reasonable certainty be located or identified from the description given, in which case the collector may receive the taxes and by his receipt correct the error or informality.

Section 58. KRS 132.320 is amended to read as follows:

(1) Any person who has failed to list for taxation[~~ his intangible personal property or~~] tangible personal property[~~, in whole or in part, because he was not called upon by the property valuation administrator or for any other reason,~~] may at any time list the property with the cabinet by reporting to the cabinet the full details and a correct description of the omitted property and its value. The cabinet may determine and fix the fair cash value, estimated at the price it would bring at a fair voluntary sale, of the property so reported and listed for taxation.

(2) Any person dissatisfied with or aggrieved by the finding or ruling of the cabinet may appeal the finding or ruling in the manner provided in KRS 131.110.

(3) The cabinet may promulgate administrative regulations, and develop forms for the listing and assessment of the property assessed or to be assessed for taxation. The tax assessed shall be paid to and collected by the cabinet. Taxes collected by the cabinet on behalf of the county, school, and other local taxing districts shall be distributed to each district at least quarterly. From each distribution, the cabinet shall deduct a fee which represents an allocation of cabinet operating and overhead expenses incurred in assessing and collecting the omitted tax. The fee shall be determined by the cabinet and shall apply to all omitted taxes collected after December 31, 1997.

(4) All property assessed pursuant to this section shall be liable for the payment of the taxes, interest, and penalties provided by law for failure to list the property with the property valuation administrator or other assessment board, commission, or authority within the time and in the manner prescribed by law, except that if the taxpayer voluntarily lists property under this section the twenty percent (20%) penalty provided to be paid to the cabinet shall not apply, unless the taxpayer on an appeal from the action of the cabinet attempts to reduce the assessment and is unsuccessful.

(5) If after demand by the cabinet, any taxpayer refuses to voluntarily list any [~~intangible or~~] tangible personal property omitted from assessment, the cabinet shall make an estimate of the fair cash value of the omitted[~~ intangible or~~] tangible personal property from the information in its possession and assess the property for taxation and require payment of the taxes, penalties, and interest due to the state and local taxing districts from the person assessed. Notice of the assessment shall be mailed to the taxpayer or the taxpayer's agent. The finality and review of any assessment made pursuant to this section shall be governed by the provisions of KRS 131.110.

Section 59. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the Revenue Cabinet shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, cabinet or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible[~~ and intangible~~] personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the Revenue Cabinet making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 60. KRS 132.360 is amended to read as follows:

(1) Any assessment of[~~ accounts receivable, notes, or bonds or other intangible or~~] tangible personal property[~~ that were~~] listed with the property valuation administrator or with the Revenue Cabinet as provided by KRS 132.220 may be reopened by the Revenue Cabinet within five (5) years after the due date of the return, unless the assessed value[~~ thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or~~] has been established by a court of competent jurisdiction. If upon reopening the assessment the cabinet finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the cabinet and offer evidence to show that no increase should be made. After the cabinet has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the cabinet shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 61. KRS 132.450 is amended to read as follows:

(1) Each property valuation administrator shall assess at its fair cash value all property which it is his duty to assess except as provided in paragraph (c) of subsection (2) of this section.[~~ In the case of securities which are regularly bought and sold through stock exchanges, the price at which such property closed on the last regular business day preceding the assessment day shall be prima facie evidence of the fair cash value of such property.~~] The property of one (1) person shall not be assessed willfully or intentionally at a lower or higher relative value than the same class of property of another, and any grossly discriminatory valuation shall be construed as an intentional discrimination. The property valuation administrator shall make every effort, through visits with the taxpayer, personal inspection of the property, from records, from his own knowledge, from information in property schedules, and from such other evidence as he may be able to obtain, to locate, identify, and assess property.

(2) (a) In determining the total area of land devoted to agricultural or horticultural use, there shall be included the area of all land under farm buildings, greenhouses and like structures, lakes, ponds, streams, irrigation ditches and similar facilities, and garden plots devoted to growth of products for on-farm personal consumption but there shall be excluded, land used in connection with dwelling houses including, but not limited to, lawns, drives, flower gardens, swimming pools, or other areas devoted to family recreation. Where contiguous land in agricultural or horticultural use in one (1) ownership is located in more than one (1) county or taxing district, compliance with the minimum requirements shall be determined on the basis of the total area of such land and not the area of land which is located in the particular county or taxing district.

(b) Land devoted to agricultural or horticultural use, where the owner or owners have petitioned for, and been granted, a zoning classification other than for agricultural or horticultural purposes qualifies for the agricultural or horticultural assessment until such time as the land changes from agricultural or horticultural use to the use granted by the zoning classification.

(c) When the use of a part of a tract of land which is assessed as agricultural or horticultural land is changed either by conveyance or other action of the owner, the right of the remaining land to be retained in the agricultural or horticultural assessment shall not be impaired provided it meets the minimum requirements, except the minimum ten (10) contiguous acre requirement shall not be applicable if any portion of the agricultural or horticultural land has been acquired for a public purpose as long as the remaining land continues to meet the other requirements of this section.

(d) When in the opinion of the property valuation administrator any land has a value in excess of that for agricultural or horticultural use the property valuation administrator shall enter into the tax records the value of the property according to its fair cash value. When the property valuation administrator determines that the land meets the requirements for valuation as agricultural or horticultural land, the valuation for tax purposes shall be its agricultural or horticultural value.

(3) When land which has been valued and taxed as agricultural land for five (5) or more consecutive years under the same ownership fails to qualify for the classification through no other action on the part of the owner or owners other than ceasing to farm the land, the land shall retain its agricultural classification for assessment and taxation purposes. Classification as agricultural land shall expire upon change of use by the owner or owners or upon conveyance of the

property to a person other than a surviving spouse.

(4) If the property valuation administrator assesses any property[~~, except stocks and bonds at the market value listed in recognized publications,~~] at a greater value than that listed by the taxpayer or assesses unlisted property, the property valuation administrator shall serve notice on the taxpayer of such action. The notice shall be given by first-class mail or as provided in the Kentucky Rules of Civil Procedure.

(5) Any taxpayer may designate on the property schedule any property which he does not consider to be subject to taxation, and it shall be the duty of the property valuation administrator to obtain and follow advice from the cabinet relative to the taxability of such property.

Section 62. KRS 132.486 is amended to read as follows:

(1) The Revenue Cabinet shall develop and administer a centralized ad valorem assessment system for[~~ intangible personal property and~~] tangible personal property. This system shall be designed to provide on-line computer terminals and accessory equipment in every property valuation administrator's office in the state in order to create and maintain a centralized personal property tax roll database.

(2) State income tax returns and return preparation instructions shall be revised to facilitate the preparation of the personal property tax return; however, the personal property tax return shall be a separate document and shall be listed with the property valuation administrator in the county of taxable situs according to the provisions of KRS 132.220(1) or with the Revenue Cabinet. The Revenue Cabinet shall promulgate administrative regulations and develop forms for the listing and assessment of personal property.

(3) Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provision of KRS 131.110.

(4) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in a protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

Section 63. KRS 132.570 is amended to read as follows:

[~~(1)~~]No person shall willfully make a false statement[~~, or, to avoid taxation, make a temporary investment in securities exempt from taxation, or convert any intangible property into nontaxable property outside of this state,~~] or resort to any device to evade taxation. Any person doing so shall be subject to three (3) times the amount of tax upon his property, to be recovered by the sheriff by action in the name of the Commonwealth in the county in which the property is liable for taxation, or by the Revenue Cabinet, when the taxes are payable to it, in the Franklin Circuit Court.

[~~(2) No person shall transfer or assign of record any mortgage note, bond or other evidence of indebtedness, secured by any recorded instrument, for the sole purpose of evading the taxes thereon.~~]

SECTION 64. A NEW SECTION OF KRS CHAPTER 142 IS CREATED TO READ AS FOLLOWS:

As used in this subsection, rent shall not include any other local or state taxes paid by the person or entity renting the accommodations.

(2) The tax imposed by subsection (1) of this section shall not apply to the rental or lease of any room or set of rooms that is equipped with a kitchen, in an apartment building, and that is usually leased as a dwelling for a period of thirty (30) days or more by an individual or business that regularly holds itself out as exclusively providing apartments.

(1) On or before the twentieth day of every month, a taxpayer subject to the tax provided in Section 64 of this Act shall submit a return and the tax due for the preceding month to the Revenue Cabinet, in a form prescribed by the cabinet. To facilitate administration, the cabinet may permit or require returns or tax payments for other periods. Upon written request received on or before the due date, the cabinet may extend the filing or tax payment due date up to thirty (30) days.

(2) The Revenue Cabinet shall examine and audit each return as soon as practicable after it is received. If the tax computed by the cabinet is greater than the tax paid by the taxpayer, the cabinet shall assess the excess within four (4) years from the filing deadline, including any extensions granted. If the taxpayer failed to file a return or filed a fraudulent return, then the excess may be assessed at any time.

(3) A taxpayer may request a refund or credit for any overpayment of tax under Section 64 of this Act within four (4) years after the tax due date, including any extensions granted. The request shall be made to the Revenue Cabinet in writing and shall state the amount requested, the applicable period, the basis for the request, and any other information the cabinet reasonably requires.

(4) Any tax not paid on or before its due date shall bear interest at the tax interest rate provided in KRS 131.183 from the

date due until the date of payment. If an extension is granted, and the tax is not paid within the extension period, then interest shall accrue from the original due date.

SECTION 66. A NEW SECTION OF KRS CHAPTER 142 IS CREATED TO READ AS FOLLOWS:

Notwithstanding any other provision of law to the contrary, the president, vice president, secretary, treasurer, manager, partner, or any other person holding any equivalent office or position in any corporation, limited liability company, or registered limited liability partnership subject to Sections 64 and 65 of this Act shall be personally and individually liable, both jointly and severally, for the tax imposed under Section 64 of this Act. Dissolution, withdrawal of the corporation, company, or partnership from the state, or the cessation of holding any office shall not discharge the liability of any person. The liability shall attach at the time the tax becomes or became due. No person shall be held liable under this section if the person did not have authority to collect, truthfully account for, or pay over the tax at the time it became due. "Taxes" as used in this section shall include interest accrued under KRS 131.183 and all applicable penalties imposed under this chapter or KRS 131.180, 131.410 to 131.445, and 131.990.

Section 93. KRS 138.195 is amended to read as follows:

(1) No person other than a manufacturer shall acquire cigarettes in this state on which the Kentucky cigarette tax has not been paid, nor act as a resident wholesaler, nonresident wholesaler, vending machine operator, sub-jobber, transporter or unclassified acquirer of such cigarettes without first obtaining a license from the cabinet as set out in this section.

(2) Each resident wholesaler shall secure a separate license for each place of business at which cigarette tax evidence is affixed or at which cigarettes on which the Kentucky cigarette tax has not been paid are received. Each nonresident wholesaler shall secure a separate license for each place of business at which evidence of Kentucky cigarette tax is affixed or from where Kentucky cigarette tax is reported and paid. Such a license or licenses shall be secured on or before July 1 of each year, and each licensee shall pay the sum of five hundred dollars ($500) for each such year or portion thereof for which such license is secured.

(3) Each sub-jobber shall secure a separate license for each place of business from which Kentucky tax-paid cigarettes are made available to retailers, whether such place of business is located within or without this state. Such license or licenses shall be secured on or before July 1 of each year, and each licensee shall pay the sum of five hundred dollars ($500) for each such year or portion thereof for which such license is secured.

(4) Each vending machine operator shall secure a license for the privilege of dispensing Kentucky tax-paid cigarettes by vending machines. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of twenty-five dollars ($25) for each year or portion thereof for which such license is secured. No vending machine shall be operated within this Commonwealth without having prominently affixed thereto the name of its operator, together with the license number assigned to such operator by the cabinet. The cabinet shall prescribe by regulation the manner in which the information shall be affixed to the vending machine.

(5) Each transporter shall secure a license for the privilege of transporting cigarettes within this state. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of fifty dollars ($50) for each such year or portion thereof for which such license is secured. No transporter shall transport any cigarettes without having in actual

(6) Each unclassified acquirer shall secure a license for the privilege of acquiring cigarettes on which the Kentucky cigarette tax has not been paid. (7) Nothing in KRS 138.130 to 138.205 shall be construed to prevent the cabinet from requiring a person to purchase more than one (1) license if the nature of such person's business is so diversified as to justify such requirement.

(8) The cabinet may by regulation require any person licensed under the provisions of this section to supply such information concerning his business, sales or any privilege exercised, as is deemed reasonably necessary for the regulation of such licensees, and to protect the revenues of the state. Failure on the part of such licensee to comply with the provisions of KRS 138.130 to 138.205 or any regulations promulgated thereunder, or to permit an inspection of premises, machines or vehicles by an authorized agent of the cabinet at any reasonable time shall be grounds for the revocation of any license issued by the cabinet, after due notice and a hearing by the cabinet. The secretary of revenue may assign a time and place for such hearing and may appoint a conferee who shall conduct a hearing, receive evidence and hear arguments. Such conferee shall thereupon file a report with the secretary together with a recommendation as to the revocation of such license. From any revocation made by the secretary of revenue on such report, the licensee may prosecute an appeal to the Kentucky Board of Tax Appeals as provided by law. Any person whose license has been revoked for the willful violation of any provision of KRS 138.130 to 138.205 shall not be entitled to any license provided for in this section, or have any interest in any such license, either disclosed or undisclosed, either as an individual, partnership, corporation or otherwise, for a period of one (1) year after such revocation.

(9) No license issued pursuant to the provisions of this section shall be transferable or negotiable except that a license may be transferred between an individual and a corporation, if that individual is the exclusive owner of that corporation, or between a subsidiary corporation and its parent corporation.

(10) Every manufacturer located or doing business in this state shall keep written records of all shipments of cigarettes*, other tobacco products, or smokeless tobacco products* to persons within this state, and shall submit reports of such shipments as the cabinet may require by regulation.

(11) No person licensed under this section except nonresident wholesalers shall either sell to or purchase from any other such licensee untax-paid cigarettes.

(12) Wholesalers of other tobacco products and smokeless tobacco products shall pay and report the tax levied by subsections (2) and (3) of Section 89 of this Act on or before the twentieth day of the calendar month following the month in which the possession or title of the other tobacco products or smokeless tobacco products are transferred from the wholesaler to retailers or consumers in this state. The Revenue Cabinet shall promulgate administrative regulations setting forth the details of the reporting requirements.

(13) A tax return shall be filed for each reporting period whether or not tax is due.

SECTION 116. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) Whenever it is deemed necessary to ensure compliance with Sections 96 to 128 of this Act, the cabinet may require any person required to collect the taxes imposed by Section 97 of this Act to place security with the cabinet. (2) The amount of the security may be increased or decreased by the cabinet subject to the limitations provided in subsection (1) of this section.

(3) If necessary, the cabinet may sell the security at public auction to recover any tax, interest, or penalty due. (4) The cabinet shall provide notice of the date, time, and place of the sale to the person who placed the security with the cabinet. Notice shall be sent by certified mail to the person's last known address, as reflected in the records of the cabinet, or delivered to the person.
